Independent Contractors vs. Permit Holders

The City of San Diego Parks and Recreation Department offers a variety of programs for youth that are provided through the means of three different sources: in-house programs (run by city staff), contractual programs, and rental programs. Contractual programs consist of independent contractors that have been approved by the City of San Diego as a sponsored program. Rental programs are commercial companies that rent out the facility to offer their programs and activities for the community. Please see below for specified requirements:
