Ms. Virginia Parrish: shared that she did use the Get-It-Done app to take care of situations around her home, and the city of San Diego did Get-It-Done and took care of her situation in a reasonable timely manner.

Ms. Leona Arnold asked if she could use the Get-It-Done app to report vehicles parked on 45th St. Because cars always parked there take up all the parking space, and there is nowhere to park.

D4 Council Rep Ms. Karen Montufar: looked up the Parking manner ordinance and reassured the group that parking citations are not a Get-It-Done matter but a law enforcement matter that should be reported to the San Diego Police Department. There is a 72-hour parking limit for all vehicles parked on City streets.
