COMMUNITY SPOTLIGHT: DANIELA KELLY

In 2024, the Sherman Heights Community Center will mark its 30th anniversary, celebrating decades of grassroots service and community building. The festivities begin on October 10, and the center's Executive Director is thrilled about the milestone. "We're kicking off our 30th anniversary with our beloved <u>Noche de Mole even</u>t. It's a magical tradition that attracts thousands of people each year," said Daniela Kelly.

The center is making strides toward sustainability by going solar in 2024. "We're excited to install solar panels and a battery system, which will help us become a more environmentally aware organization," the she shared. This green initiative is just one way the center is evolving to meet the needs of the community.

A new and exciting addition for 2024 is the Cocina Program, a 16-week course designed for aspiring food entrepreneurs. "We're offering two sessions next year, teaching best kitchen practices, bread-making, catering, and more. Participants will also go on field trips around the county and gain certifications to support their business ventures," said Daniella Kelly.

Looking ahead to this fall, the center is gearing up for its annual Día de los Muertos celebration, which has grown to include the surrounding communities. "This event is not just for Sherman Heights, but for the entire community to come together in remembrance and celebration," the director explained.

Daniela, who has served as the Executive Director for four years, encourages residents to get involved, whether as volunteers, instructors, or participants in the various programs offered throughout the year. "We're always looking to involve local residents in our programs. Please, get involved!"

With its vibrant programming and forward-thinking initiatives, the Sherman Heights Community Center remains a beacon of service, education, and culture for the entire neighborhood. Don't miss out on the upcoming events and opportunities to engage with this thriving community hub!

The City of San Diego recognized July 23, 2024 as Daniela Kelly Day because of her dedication to enriching communities.

CITY NEWS SPOTLIGHT: OFFICE OF THE CITY CLERK

We're highlighting the Office of the City Clerk, focusing on the Election Team and Archival Exhibit.

The Office of the City Clerk serves as a bridge between San Diego residents and their local government, managing City Council meetings, overseeing elections for fair representation, and offering essential services like public records access and passport assistance. These efforts foster transparency and strengthen the community's connection with elected officials.

To connect all San Diegans and their City Government through greater transparency and equitable access. -Vision of the City Clerk

As the City's elections official, the City Clerk not only administers the City of San Diego's municipal elections but also facilitates voter engagement in the community. As part of a larger effort to encourage greater civic engagement through voter participation, the Office of the City Clerk partnered with the Registrar of Voters to install a ballot drop box at the City Administration Building. The temporary installation provides voters another outlet to securely drop off their ballots. The ballot drop box at City Hall, and other ballot drop boxes around San Diego County, are open to voting beginning October 8. On election day, all vote centers and ballot drop boxes are open until 8:00 p.m. To check your voter registration or find a voting location near you, please visit www.sdvote.com. To see candidate and ballot information, please visit <u>https://www.sandiego.gov/city-clerk/elections/city/2024elections.</u>

Once a year, the City Clerk hosts its annual "Archives Month" with an exhibit showcasing San Diego's collections of historical photographs, artifacts, and records. This year's exhibit, "Telling Our Stories and Preserving Our Histories: The Chicano Movement in San Diego," opened on September 16 at City Hall and will be on display until October 18. Visit to explore this important piece of our community's heritage.

federally designated Promise Zones in the United States and one of only four in California. The San Diego Promise Zone covers a 6.4-square-mile targeted area with more than 80,000 residents that spans East Village and Barrio Logan east to Encanto. It is home to the City's most culturally rich and ethnically diverse neighborhoods, but also some of the most under-resourced communities.

Through the Promise Zone initiative, community-based organizations, direct service providers, residents, and business owners work with government agencies to enhance collective impact, streamline resources, and deliver comprehensive support.

Between 2016 and 2021, the unemployment rate decreased from 14.9% to 6.7%, and the poverty rate fell from 38.3% to 22.1% (ACS, 2016-21). We recognize there are many factors that contribute to these numbers. We do know that in the 8 years since the designation, targeted efforts from the city and CBOs have supported improvement in these areas; However, we recognize there is still plenty of work to do to continue advocating for our Promise Zone residents.
