

Infrastructure Priorities Survey - Projects Form for Planning Groups

Planning Group Name: Serra Mesa

| Questions | Project Idea 1 | Project Idea 2 | Project Idea 3 | Project Idea 4 | Project Idea 5 | Project Idea 6 | Project Idea 7 |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|------------------------------------------------------------------------|--------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------|
| 1. Please share specific infrastructure project ideas/ suggestions for your community? | Fix drainage issue at Aero/Sandrock | Taft crosswalk signal (HAWK beacon) | Traffic control to prevent accidents at Mission Village Dr and Ronda Ave | Serra Mesa Recreation Building Modernization (Major Project) | Serra Mesa Community Pool (Major Project) | Fletcher Joint Use Park Improvements | Pave Cardinal |
| 2. Where is your suggested project located? Please provide an exact address or be as specific as possible (e.g., "Along the westside of Boundary Street between Thorn Street and Myrtle Avenue." | Southeast Corner Aero/Sandrock | West end of Taft Middle School near joint use park entrance | Mission Village Drive and Ronda Avenue | 9020 Village Glen Dr | 9020 Village Glen Dr or location TBD | 7666 Bobolink Way | Cardinal Drive |
| 3. How will this project positively impact the community? | Reduce risk for pedestrians & bicyclists, environmental impacts, and structural impact on street. | Reduce risk to middle-school students J-walking across Gramercy Drive. | Reduce accidents at a historically problematic intersection. | Building becoming substandard. Modernization allow for better programming, rejuvenated interest, & better health & well-being. | Reducing travel to pools outside Serra Mesa decreases greenhouse gas. Contributes to physical & mental well-being & safety (people learning to swim). | Only park for Birdland area. Well-used. Over >20 yrs old. Improvements leads to physical & mental well-being & safer environment. | Impact safety of pedestrians, bicyclists, and motorists. |
| 4. Project Category | Public Safety | Public Safety | Public Safety | Parks and Play Areas | Parks and Play Areas | Parks and Play Areas | Public Safety |
