Help Shape Local Elections Law In the City of San Diego

SAN DIEGO CITY CLERK TO HOST COMMUNITY FEEDBACK SESSION CENTERED ON ELECTION PROCESS

SAN DIEGO – The Office of the City Clerk will host a community feedback session related to the City of San Diego Elections Code. The topics will include an overview of the current process for how people run for office and how to propose a new law or change a local law. This will also be the first opportunity to review initial proposed changes to these processes for elections in 2026 and beyond. The City Clerk will host another feedback session in early 2025 in a hybrid format with in-person and virtual options.

“Our goal is to empower the community to explore San Diego’s election processes through a hands-on approach. This feedback session is essential because it provides a forum for residents to learn about the election process while actively seeking their input, ensuring that decisions closely reflect the needs and aspirations of the community. By encouraging participation, we foster trust, collaboration, and a shared vision to build a more transparent and inclusive city” said City Clerk Fuentes.

The first community feedback session will take place on Thursday, November 21, 2024, beginning at 5:30 p.m. at the Mountain View Recreation Center, 641 South Boundary Street, San Diego, CA 92113.

We are pleased to announce that in collaboration with the Parks and Recreation Department; there will be free arts and crafts activities for children 5 and older.
