---

In accordance with Administrative Regulation 75.50, the Police Department is responsible for conducting driver's license inspections each year. A physical inspection of driver's licenses must be completed for all employees who drive City vehicles or their own vehicles on City business.

Commanding Officers are responsible for conducting these inspections to ensure sworn and civilian employees' licenses have not expired. They are also responsible for running an L-1 check on these driver's licenses to check for suspensions. The driver's license inspection form is available in the PD Enterprise. All units/commands should complete the driver's license inspection and update PD Enterprise no later than **Friday, March 15, 2025**. Commands should keep a copy of the report for their own records.
