DATE/TIME: FEBRUARY 18, 2025 1445 HOURS
NUMBER: OR 25-09
SUBJECT: SB 719 Annual POST Learning Portal Pursuit Training- 2025
COST CENTER: 1914161111
SCOPE: ALL MEMBERS OF THE DEPARTMENT
DEPARTMENT PROCEDURE AFFECTED: 1.03- Pursuit Procedures

Portions of this document are deemed by the San Diego Police Department to be exempt from public disclosure because the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure, pursuant to California Government Code section 7922.000.

On October 4, 2005, Senate Bill (SB) 719 was signed into law. This law, which went into effect January 1, 2006 requires law enforcement agencies to establish pursuit policies, continually provide annual pursuit training to their officers, and ensure all pursuits are documented and submitted to the California Highway Patrol (CHP) within 30 days.

In accordance with SB 719, the Training Unit has created a video on the POST Learning Portal Website which addresses the mandate and reviews our department's pursuit policy. You must log into the POST Learning Portal (instructions below) to complete the video. The portal can be accessed using Microsoft Edge or Google Chrome as the search engine. You **MUST** zoom to 150% resolution at full screen to allow the interactive target drag-to-drop zones to work properly within the module.

All sworn members of the Department shall view the video in its entirety on their individual POST account. At the conclusion of the video, officers must print a proof of completion certificate showing they have completed the course. The attestation form (attached to this order and available on the F drive in the Training Folder) **MUST** also be printed, filled out, and signed with a handwritten signature. BOTH the completion certificate **AND** the signed attestation forms must be forwarded to Officer Shannah Oliveras at In-Service Training MS-731A. Supervisors will assure their personnel complete this state-mandated training by **March 15, 2025**.
