In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor are graduates of an apprenticeship program for the applicable apprenticeable occupation¹.

A graduate of an apprenticeship program means either of the following:

- (1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or

SoilFreeze findings regarding the Skilled and Trained Workforce:

- SoilFreeze submitted a request to the AGC for a trained apprentice graduate journeyman on 12/24/24,
 - 12/06/2024, 11/04/2024, 10/03/2024, 9/10/2024, 7/23/24, 5/3/24, 3/13/24, and 2/14/24, and did not receive a dispatch or response. See attached request.
- SoilFreeze's scope of work falls under the Laborers classification but the labor union does not train Journeyman on the skills necessary to complete Soilfreeze's scope. For this reason SF work was deemed Exempt from the Project Labor Agreement under article three section 3.2(f) regarding specialized or technical work.
- Due to the unavailability of qualified trained apprentice graduates, skilled Journeyman Kade Lawrence, and Torey Stewart Steele performed all work on site. This resulted in a skilled and trained ration of zero percent for December 2024.

SoilFreeze plan to achieve the required goal going forward:

- SoilFreeze will continue to request the dispatch of a trained apprentice graduate as a good faith effort to comply with
 - the projects skilled and trained workforce requirement before contract completion.
