Project: Morena North Conveyance

Subject: Skilled and Trained Work Force Plan to Achieve for January 2025

Dear Mr Erik Staples,

This letter will serve as OHLA's plan for the month of January 2025 to achieve the Skilled and Trained Work Force requirements for the Morena Conveyance North Project.

OHLA will ensure that the necessary number of Apprentice Graduate Journeymen are available to meet the goal. OHLA has and will continue to dispatch Graduates from the Operator union as more work arises in the project. However, in the month of December, the goals of achieving 30% for Carpenters and 60% for Laborers were not accomplished. Also, in the month of December, OHLA Operators met with the 30% requirement. In terms of Laborers and Carpenters, OHLA will continue to request Apprentice Graduates when dispatching them to ensure the requirements are achieved.

If you have any questions or concerns, please feel free to contact me at (858) 316-6445.

Regards,

Nicolas Vintimilla Field Engineer OHLA USA, Inc.
