4. Update from Officer Salvador Laurel-Torres
5. Assemblymember Chris Ward will address the planning group and field questions from the Kearny Mesa residents and businesses owners.

**Action Items:**

6. Massood Gaskari, P.E. with Private Eyes Engineers will present on behalf of Property Owner Mr. Mark Olsson. The subject property is located at 3855 Ruffin Road. The purpose of the presentation is a variance request. A variance request for approval will allow the expansion of employee parking by approximately 8' wide. The parking expansion project requires construction of 3'-10' high retaining walls along the Ruffin Road frontage. The city's development regulation does not allow walls of more than 3' high. Seescan employees over 200 people at this location.
