

CONSTRUCTION UPDATE
North City Pure Water Pipeline Construction on Carroll Canyon Road
between Scripps Ranch Court and Businesspark Avenue

April 9, 2025

As part of the ongoing City of San Diego North City Pure Water Pipeline project, crews identified an unforeseen condition that required additional measures be implemented. Extended traffic control is in place, including a lane closure in the second westbound lane on Carroll Canyon Road between Scripps Ranch Court and Businesspark Avenue.

For safety, traffic control is expected to be in place for two weeks, through Wednesday, April 23. The lane will be closed 24/7, but construction is scheduled in the area from 7 p.m. to 5 a.m. Two-way traffic will be maintained on Carroll Canyon Road, and all businesses will remain accessible.

The North City Pure Water Pipeline project is one of several major infrastructure projects that are part of Phase 1 of Pure Water San Diego. The pipeline will start on Eastgate Mall and follow Miramar Road to Kearny Villa Road and continue along Candida Street to Via Pasar and Via Excelencia. From there, the pipeline will tunnel under Interstate 15. On the east side of Interstate 15, it will continue along Businesspark Avenue to Carroll Canyon Road and follow Hoyt Park Drive to Meanley Drive before crossing Scripps Lake Drive to the Miramar Reservoir.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the project alignment will receive printed notices before work begins near their address, and construction notices will be regularly posted on scrippsbranch.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MIR-PWSD (833-647-7973)** with questions about the City's Pure Water Program and the North City Pure Water Pipeline project.
