REPORTS

A. PARKS AND RECREATION

1. OLD TROLLEY BARN NEIGHBORHOOD PARK

Michele Chicarelli Area Manager, reported through an e-mail:

* the black fence and erosion repairs were made last year to the north end of the park have been holding up great during the rain. So far the area is stable.

2. PRESIDIO RECREATION CENTER

*Youth Basketball season ended. Presidio's 14 and under have been in the playoffs.

3. NORTH PARK RECREATION CENTER

** New programs are being added each season. The new Spring Program 2025 was presented.*

4. BIRNEY ELEMENTARY SCHOOL

**The school district repaired fencing on the batting cage. Unfortunately the truck ran over the irrigation line. P&R submitted a work request.*

** A new booster pump was installed at Birney. This helps with pressure to water the ballfield.*

5. UH DOG PARK

** P&R is looking into installing bollards on school property on the east side of the dog park hopefully to bring awareness to drivers to stop before they run into the dog park.*

** The dog park is experiencing large holes being dug up by dogs. This creates an unsafe environment. Stop your dogs from digging the holes.*
