Month: January Year: 2025

In accordance with Public Utilities Code section 132354.7 and Public Contract Code sections 2600-2602, Sukut Construction (the "Prime Contractor") certifies that all the workers performing work in an apprenticeable occupation utilized on the project known as PWP Morena Conveyance - Middle, South, & BLs (the "Project") during the monthly reporting period are either skilled journeypersons or apprentices in an apprenticeship program approved by the Chief of the Division of Apprenticeship Standards of the California Department of Industrial Relations (the "Chief").

"Skilled Journeyperson" means a worker who either:

- (2) Has at least as many hours of on-the-job experience in the applicable occupation as would be required to graduate from an apprenticeship program that is approved by the Chief.

In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor and all subcontractors are graduates of an apprenticeship program for the applicable apprenticeable occupation.

A graduate of an apprenticeship program means either of the following:

- (1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or
- (2) An individual that has completed an apprenticeship program located outside California and approved for federal purposes pursuant to the apprenticeship regulations adopted by the federal Secretary of Labor.

**Subject: January 2025: Skilled & Trained Workforce Report - Letter to Achieve**

Robert/Natalie,

Sukut Construction (Sukut) is submitting this letter as a supplement to the January 2025 Skilled and Trained Workforce Report. We had laborers, operators cement masons and carpenters who were apprenticeship program graduates, and these are noted in our report. These same employees will continue to be on our site as our mainline installation continues.

Although we did not meet our goals for apprenticeship graduates this month, Sukut has enrolled employees through the accelerated apprenticeship program and are awaiting approval from the program directors.

Feel free to contact me with any questions.

Regards,

*Matt Fleming*

**RE: Morena South & Middle & Bike Lanes**

To Whom it May Concern:

Penhall Company did not meet the minimum requirement of the Skilled and Trained Workforce for the month of January 2025, under the Laborer Engineering craft, for the Morena South & Middle & Bike Lanes project. We were hired for a certain scope of work and dispatched out the employees that we had available at the time. In the future we will be more conscious of the project requirements and try to dispatch out more apprentice program graduates.

Sincerely,
