

Skilled and Trained Workforce Certification Form

Month: April Year: 2025

In accordance with Public Utilities Code section 132354.7 and Public Contract Code sections 2600-2602, Flatiron Dragados West, LLC (the "Prime Contractor") certifies that all the Prime Contractor's workers performing work in an apprenticeable occupation utilized on the project known as Morena Pump Station during this monthly reporting period are either skilled journeypersons or apprentices registered in an apprenticeship program approved by the Chief of the Division of Apprenticeship Standards of the California Department of Industrial Relations (the "Chief").

"Skilled journeyperson" means a worker who either:

- (1) Graduated from an apprenticeship program for the applicable occupation that was approved by the Chief or apprenticeship program located outside California and approved for federal purposes, pursuant to the apprenticeship regulations adopted by the Federal Secretary of Labor.
- (2) Has at least as many hours of on-the-job experience in the applicable occupation as would be required to graduate from an apprenticeship program that is approved by the Chief.

In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor are graduates of an apprenticeship program for the applicable apprenticeable occupation¹.

A graduate of an apprenticeship program means either of the following:

- (1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or
- (2) An individual that has completed an apprenticeship program located outside California and approved for federal purposes pursuant to the apprenticeship regulations adopted by the federal Secretary of Labor.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct. I certify that the attached Skilled and Trained Workforce Monthly Compliance Reports are complete and accurate.

Full Name: Billy Shaddox

Title: Project Manager

Signature:  Date Signed: 5/7/25

Please upload the completed form to the Labor Compliance Monitoring System (LCMS) monthly.

Reference: Skilled and Trained Workforce Act – Action Plan to Achieve

Project: Morena Pump Station – Flatiron Job #3222

Contract # K-21-1801-DBB-3A

Subcontractor: Truline Masonry Inc

Regarding: Skilled and Trained Workforce Report April 2025

To whom it may concern:

Truline Masonry Inc is submitting this letter to support April 2025 Skilled and Trained Workforce report. Truline Masonry Inc has two apprenticeable occupations with the following percentage results:

- Bricklayer ratio of skilled journeypersons performing work is 0%
- Bricktender ratio of skilled journeypersons performing work is 25%

Truline Masonry Inc sent multiple requests for apprentice graduates to both labor unions, Laborers Local 89 and Bricklayers Local 4, and other apprenticeships. Local 89 did not have any graduates or journeyperson available. Local 4 provided an apprentice but no graduates were available.

Moving forward:

- Truline Masonry Inc now has a better understanding of how to meet ratios requirements to achieve percentage goals in the future.
- Truline Masonry Inc will ensure to make requests as needed to achieve percentages.
- Truline Masonry will continue to make monthly requests for graduates even if one is not available, during duration Truline Masonry is onsite of project.

Respectfully,

Janitzia Guzman Jimenez

Subject: Re: new project Morena Pump Station - brick tenders core workforce

Janitzia,
Laborer's Local 89 doesn't have any Journeyman on the Out of Work list at this time. Your Core Workers need to come in and register with Local 89 prior to starting work at the Morena Pump Station.
