Annual Report for Fiscal Year 2026 Kings Row Maintenance Assessment District

Preamble

Pursuant to §65.0220 of the "San Diego Maintenance Assessment District Procedural Ordinance" (being Division 2, Article 5, Chapter 6 of the San Diego Municipal Code) and City of San Diego Council Resolution No. R-310618 passed on July 22, 2016, authorizing the continued levy of assessments for the life of the KINGS ROW MAINTENANCE ASSESSMENT DISTRICT (hereinafter referred to as "District"), and in accordance with applicable provisions of "Proposition 218" (being Article XIIID of the California Constitution), and provisions of the "Proposition 218 Omnibus Implementation Act" (being California Senate Bill 919) (the aforementioned provisions are hereinafter referred to collectively as "applicable law"), and in accordance with Resolution No. , adopted by the CITY COUNCIL OF THE CITY OF SAN DIEGO, COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, and in connection with the annual proceedings for the District, EFS Engineering, Inc., as Assessment Engineer to the City of San Diego, submits herewith this annual report for the District as required by §65.0220 of the "San Diego Maintenance Assessment District Procedural Ordinance."

DATE OF FINAL PA	SSAGE BY THE	CITY OF SAN DIEGO,
COUNTY OF SAN DI	EGO, STATE OF	CALIFORNIA, ON THE
DAY OF		, 2025.

Diana J.S. Fuentes, CITY CLERK CITY OF SAN DIEGO STATE OF CALIFORNIA

Executive Summary

Project: Kings Row

Maintenance Assessment District

Apportionment Method: Equivalent Benefit Unit (EBU)

	FY 2025	FY 2026 (1)	Maximum (2) Authorized
Total Parcels Assessed:	66	66	
Total Estimated Assessment:	\$12,843	\$12,843	
Zone 1	\$5,186	\$5,186	
Zone 2	\$7,657	\$7,657	
Total Number of EBUs:	66.00	66.00	
Zone 1	43.00	43.00	
Zone 2	23.00	23.00	
Assessment per EBU:			
Zone 1	\$120.60	\$120.60	\$120.60
Zone 2	\$332.92	\$332.92	\$721.58 (3)

⁽¹⁾ FY 2026 is the City's Fiscal Year 2026, which begins July 1, 2025 and ends June 30, 2026. Total Parcels Assessed, Total Estimated Assessment, and assessment apportionment factors may vary from prior fiscal year values due to parcel changes and/or land use re-classifications.

Annual Cost-Indexing:

Indexing of assessments is not permitted for Zone 1. The maximum authorized assessment rates for Zone 2 are cost-indexed and will increase (or decrease) annually based on the annual change in the *San Diego Consumer Price Index for Urban Consumers* (SDCPI-U).

⁽²⁾ Maximum authorized assessment rate for Zone 2 is subject to cost-indexing as approved by property owners at the time of District formation.

⁽³⁾ Prior fiscal year's maximum authorized annual assessment rate increased by cost-indexing factor of 2.77%.

Background

The Kings Row Maintenance Assessment District (District), originally known as the "Kings Row Subdivision Landscape Maintenance District," was established by the City of San Diego (City) on March 8, 1994 by City Council Resolution R-283516. On July 17, 2000 by City Council Resolution R-293460, the City annexed the Village at Euclid development into the District as "Zone 2." The purpose of the District was, and still is, to fund specifically identified improvements and activities within the boundary of the District.

In conformity with §65.0221 of the "San Diego Maintenance Assessment District Procedural Ordinance," the City adopted Resolution No. R-310618 on July 22, 2016, approving the annual budget and assessments for Fiscal Year 2017, and authorizing the levy of the assessments for the life of the District, consistent with the benefit findings and assessment apportionment method contained in the approved formational and all subsequently updated Engineer's Reports (Engineer's Reports). The Engineer's Reports are on file with the City Clerk, and incorporated herein by reference.

The District is authorized and administered under the provisions of the "San Diego Maintenance Assessment District Procedural Ordinance." This annual report has been prepared pursuant to the requirements of §65.0220 of the "San Diego Maintenance Assessment District Procedural Ordinance."

District Boundary

The District boundary is generally depicted in **Exhibit A**. The District Boundary Map and Assessment Diagram are on file in the Maintenance Assessment Districts section of the Parks and Recreation Department of the City, and, by reference, are made a part of this annual report.

Project Description

The authorized assessments will be used to fund specifically identified improvements and activities within the District. The District improvements and activities generally consist of maintenance and servicing of landscaping along a noise abatement wall fronting Euclid Avenue within Zone #1. Zone #2 includes provision for additional maintenance of landscaping along Euclid Avenue and Ocean View Boulevard. The approximate location of the improvements is generally shown on **Exhibit A**.

For additional detail as to the location, type of improvements, and

activities performed by the District, please refer to the maps, improvement plans, engineering drawings, maintenance specifications, the Engineer's Reports and other associated documents on file with the Maintenance Assessment Districts section of the Parks and Recreation Department of the City. These documents, collectively, are incorporated herein by reference and made part of this annual report.

Separation of General and Special Benefits

The identified improvements and activities provide benefits to the parcels located within the District. These benefits are "special benefits" to the extent that they are above and beyond the City's standard level of service, and exclusive of those "general benefits" provided to the public at large or properties located outside the District. By law, only "special benefits" are assessable.

The assessments presented in this annual report are based on the cost of improvements and activities determined to provide "special benefits" in accordance with the Engineer's Reports. For additional detail relative to the separation and quantification of general and special benefits for the District, please refer to the Engineer's Reports, on file with the Maintenance Assessment Districts section of the Parks and Recreation Department of the City.

Cost Estimate

The estimated annual budget (Revenue & Expense Statement) is included as **Exhibit B**. The "Other Contributions (Non Assessment Source)" revenue contained in the budget includes the value of improvements and activities determined to provide "general benefits." The District budget with full detail is available for public reference in the Maintenance Assessment Districts section of the Parks and Recreation Department of the City.

Annual Cost-Indexing

The maximum authorized assessment for Zone 1 parcels is not permitted to increase without a vote of the affected property owners. However, for Zone 2 parcels, the maximum authorized assessment, set forth in the Engineer's Reports, is permitted to increase annually based on the published change in the "San Diego Consumer Price Index for Urban Consumers" (SDCPI-U). The annual change in second half SDCPI-U values, as compiled by the *U.S. Bureau of Labor Statistics* (see www.bls.gov), for the prior year period was from 365.529 to 375.656 (a 2.77% increase). In accordance with the approved cost-indexing provisions, the maximum authorized assessment rate for Zone 2 has been increased by 2.77%.

Method of Apportionment

Estimated Benefit of the Improvements

The Transportation Element of the City's General Plan and the general policy recommendations found in the local Community Plan establish several goals for the community's transportation system and urban design features. The District improvements and activities are consistent with the plans' goals for safety and pleasing aesthetics.

Apportionment Methodology

The assessment, associated with District improvement and activities, for a given parcel is equal to the parcel's total equivalent benefit units (EBUs) multiplied by the unit assessment rate, as shown in the following equation:

Total Assessment = Total EBUs x Unit Assessment Rate

Equivalent Benefit Unit (EBU)

Due to the homogeneous nature of the land use within the District (i.e., entirely single family residential parcels) and relative uniformity of benefit to the respective parcels within each zone, each parcel within a given zone will be assessed equally (i.e., each parcel will be assigned 1 EBU). In other words, the total cost of District improvements and activities within a given zone will be equally assessed to all properties within the zone.

Unit Assessment Rates

For each zone, the unit assessment rate for maintenance (unit cost per EBU) is equal to the total maintenance cost divided by the total EBUs:

Unit Assessment Rate = Total Maintenance Cost / Total EBUs

Sample Calculations

As described above, the number of Equivalent Benefit Units (EBUs) assigned to each parcel in the District has been calculated based on each parcel's land use and the identified apportionment factors, as shown in the following equation:

EBUs = (Acres or Units) x Land Use Factor

Shown below is a sample EBU calculation for the most common land use found in the District.

1 Single-Family Residence EBUs = 1 unit x 1.00 = 1.00 EBUs

The total assessment for each parcel in the District is based on the calculated EBUs for the parcel and the applicable unit assessment rate for the zone in which the parcel is located, as shown in the following equation:

Total Assessment = Total EBUs x Unit Assessment Rate

Based on the above methodology, EBUs, unit assessment rates, and total assessment calculated for each parcel can be found in the Assessment Roll (Exhibit C).

Summary Results

The District Boundary is presented in **Exhibit A**.

An estimate of the annual costs of the improvements and activities provided by the District is included as **Exhibit B**.

The assessment methodology utilized is as described in the text of this annual report. Based on this methodology, the assessments for each parcel were calculated and are shown in the Preliminary Assessment Roll (Exhibit C).

Each lot or parcel of land within the District has been identified by unique County Assessor's Parcel Number in the Preliminary Assessment Roll and on the Boundary Map and Assessment Diagram referenced herein.
