

Next Phase of Traffic Control on Clairemont Drive

May 22, 2025

On Friday, May 23, crews will begin installing the next phase of traffic control on Clairemont Drive to allow for pipeline installation. This traffic control will span between Lakehurst Avenue and Cole Street. Once installed, one northbound and one southbound lane of traffic will be maintained through the work zone.

Pipeline installation will take place between 7 a.m. and 4:30 p.m., Monday through Friday. Welding and other work to complete the pipeline installation will take place between 4:30 p.m. and 11 p.m. This phase of work is anticipated to last approximately 6 weeks.

The map below displays the traffic control setup between Lakehurst Avenue and Cole Street.
