Re: San Diego Unified Solar Project at Rolando Park Elementary

Dear Andy,

San Diego Unified School District will begin the solar installation project at Rolando Park Elementary on April 3, 2025. While this work will not prevent public use or City maintenance of the joint-use field, the project will temporarily occupy much of the joint-use parking lot.

Please see the attached plan detailing the temporary fencing layout. All areas will be restored to the same or better condition upon project completion, which is expected August 4, 2025.

Let me know if you have any questions.

Best,

A handwritten signature in blue ink that reads "Gene W. Fuller".

Gene Fuller
Director, Real Estate
San Diego Unified School District
