RE: Update to SDPD May 1, 2025, Smart Streetlight Cameral Locations Memo

The following reflects an updated to the May 1, 2025, Smart Streetlight Cameral Locations memorandum provided to me by the San Diego Police Department.

Three cameras in District 9 are being relocated to District 7.

The cameras we had slated for:

- 54th Street and El Cajon Boulevard, northwest corner
- 54th Street and El Cajon Boulevard, northeast corner
- 54th Street and El Cajon Boulevard, southeast corner

Will now be installed at:

- College Avenue and Del Cerro Boulevard, northeast corner
- Mission Gorge Road and Jackson Drive, southwest corner
- Mission Gorge Road and Jackson Drive, southeast corner

The SDPD has also identified an alternate location should it encounter infrastructure issues at any of the above D7 spots:

- Murray Ridge Road and Sandrock Road, northwest corner
