

Skilled and Trained Workforce Certification Form

Month: March Year: 2025

In accordance with Public Utilities Code section 132354.7 and Public Contract Code sections 2600-2602, Shimmick Construction Co., Inc. (the "Prime Contractor") certifies that all the workers performing work in an apprenticeable occupation utilized on the project known as North City Pure Water Facility (the "Project") during the monthly reporting period are either skilled journeypersons or apprentices in an apprenticeship program approved by the Chief of the Division of Apprenticeship Standards of the California Department of Industrial Relations (the "Chief").

"Skilled Journeyperson" means a worker who either:

- (1) Graduated from an apprenticeship program for the applicable occupation that was approved by the Chief or apprenticeship program located outside California and approved for federal purposes, pursuant to the apprenticeship regulations adopted by the Federal Secretary of Labor.
- (2) Has at least as many hours of on-the-job experience in the applicable occupation as would be required to graduate from an apprenticeship program that is approved by the Chief.

In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor and all subcontractors are graduates of an apprenticeship program for the applicable apprenticeable occupation.

A graduate of an apprenticeship program means either of the following:

- (1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or
- (2) An individual that has completed an apprenticeship program located outside California and approved for federal purposes pursuant to the apprenticeship regulations adopted by the federal Secretary of Labor.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct. I certify that the attached Skilled and Trained Workforce Monthly Compliance Reports are complete and accurate.

Re: Skilled and Trained Workforce Report – Plan to Achieve – Plumbers – March 2025
Project: North City Pure Water Facility

To whom it may concern, We are currently only employing three journeyman plumbers. Due to the amount of work currently on the project, we are unable to bring out another worker at this time. If/when the work picks up, Shimmick will request another trained worker from the union.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.
