Arrest Made in Swan Canyon Homicide

San Diego – A 17-year-old juvenile has been arrested for homicide concerning a man who was found dead in the 4600 block of Olive Street earlier this week.

On June 3, 2025, at about 3:23 a.m., a witness heard the sound of a gunshot in the area of 4600 Olive Street. The witness looked outside and observed a man down in the street and another man standing nearby who was wearing all black. The second man left the area on foot and travelled southbound in the east alley of 2700 46th Street.

The witness called police and officers responded to the area. They located an Asian male in his 70's on the ground between two parked vehicles and determined he was deceased. Officers searched the nearby canyon and surrounding streets for the person in black but were not able to locate him.

The victim has been identified as 73-year-old Diosado Gumbayan, a resident of San Diego.

The San Diego Police Homicide Unit was assigned the case. Investigators gathered information that led them to identify a 17-year-old juvenile suspect. On June 5, 2025, the juvenile was arrested near Euclid Avenue and El Cajon Boulevard. He was booked into San Diego Juvenile Hall for one count of murder.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
