

## Gardening Resources

Transform your space and neighborhood with gardens!

These gardening resources are meant to inform and inspire residents in the Promise Zone to start, their own foodproducing gardens.

1

## How to Garden Without Land

Step-by-step guide on growing your first food producing plant.

3

### Gardening on a Budget

Resources for planters and local incentives that promote growing plants.

5

#### <u>Victory</u> Gardening

Learn how to start your own victory garden and where you can donate produce.

2

#### <u>Garden</u> Map

A map showing school and community gardens within the Promise Zone.

4

#### <u>Upcycle as</u> <u>a Planter</u>

A list of household items you can use to reduce waste when growing.

6

# Gardening Supplies and Resources

A list of supplies and locations where you can get them to start your very own garden.
