

SAN DIEGO POLICE DEPARTMENT ORDER

DATE/TIME: MAY 20, 2025 1645 HOURS
NUMBER: 25-16
SUBJECT: TASER 10 TRAINING VIDEO
SCOPE: ALL SWORN MEMBERS OF THE DEPARTMENT
DEPARTMENT PROCEDURE AFFECTED: 1.07 – Use of Tasers

Portions of this document are deemed by the San Diego Police Department to be records of security procedures and are exempt from disclosure under the California Public Records Act (CPRA), Government Code Section 7923.600.

For the past several months, the department began issuing the new Axon Taser-10 to replace the Taser X26P for field use. Nomenclature and use of the Taser-10 is different than its predecessor. Taser-10's "audit trail" is tracked through the Taser's battery and the removal of the battery from the Taser handle and placing it into the docking station is imperative for a proper upload. A Success Factors Taser-10 training video has been produced detailing the proper steps for this procedure. To access the training, log onto Success Factors and under "View My Learning", type "Taser 10 Training Video" (note the spacing).

All sworn personnel shall complete the "Taser 10 Training Video" by (Deleted – records of security), 2025.

If you have any questions related to this order, please contact Officer Travis Hamby in Operational Support at **(Deleted – records of security)**.

Please read at squad conferences and give a copy to all personnel.
