If selected for award of contract, proposer shall be bound by same unless the City has accepted proposer's exceptions, if any, in writing.

Failure to do so may bar relief and allow the City recourse from the bid surety. The burden is upon the proposer to prove the inadvertent error. The City's decision is final.

8. Incurred Expenses. The City is not responsible for any expenses incurred by proposers in participating in this solicitation process.

9. Public Records. By submitting a proposal, the proposer acknowledges that any information submitted in response to this RFP is a public record subject to disclosure unless the City determines that a specific exemption in the California Public Records Act (CPRA) applies. If the proposer submits information clearly marked confidential or proprietary, the City may protect such information and treat it with confidentiality to the extent permitted by law. However, it will be the responsibility of the proposer to provide to the City the specific legal grounds on which the City can rely in withholding information requested under the CPRA should the City choose to withhold such information. General references to sections of the CPRA will not suffice. Rather, the proposer must provide a specific and detailed legal basis, including applicable case law, that clearly establishes the requested information is exempt from the disclosure under the CPRA. If the proposer does not provide a specific and detailed legal basis for requesting the City to withhold proposer's confidential or proprietary information at the time of proposal submittal, City will release the information as required by the CPRA and proposer will hold the City, its elected officials, officers, and employees harmless for release of this information. It will be the proposer's obligation to defend, at proposer's expense, any legal actions or challenges seeking to obtain from the City any information requested under the CPRA withheld by the City at the proposer's request. Furthermore, the proposer shall indemnify and hold harmless the City, its elected officials, officers, and employees from and against any claim or liability, and defend any action brought against the City, resulting from the City's refusal to release information requested under the CPRA which was withheld at proposer's request. Nothing in the Contract resulting from this proposal creates any obligation on the part of the City to notify the proposer or obtain the proposer's approval or consent before releasing information subject to disclosure under the CPRA.

B. PRICING

1. Fixed Price. All prices shall be firm, fixed, fully burdened, FOB destination, and include any applicable delivery or freight charges, and any other costs required to provide the requirements as specified in this RFP. The lowest total estimated contract price of all the proposals that meet the requirements of this RFP will receive the maximum assigned points to

this category as set forth in this RFP. The other price schedules will be scored based on how much higher their total estimated contract prices compare with the lowest:

$$(1 - \frac{(\text{contract price} - \text{lowest price})}{\text{lowest price}}) \times \text{maximum points} = \text{points received}$$

For example, if the lowest total estimated contract price of all proposals is \$100, that proposal would receive the maximum allowable points for the price category. If the total estimated contract price of another proposal is \$105 and the maximum allowable points is 60 points, then that proposal would receive $(1 - ((105 - 100) / 100)) \times 60 = 57$ points, or 95% of the maximum points. The lowest score a proposal can receive for this category is zero points (the score cannot be a negative number). The City will perform this calculation for each Proposal.

2. Taxes and Fees. Taxes and applicable local, state, and federal regulatory fees should not be included in the price proposal. Applicable taxes and regulatory fees will be added to the net amount invoiced. The City is liable for state, city, and county sales taxes but is exempt from Federal Excise Tax and will furnish exemption certificates upon request. All or any portion of the City sales tax returned to the City will be considered in the evaluation of proposals.

C. EVALUATION OF PROPOSALS

1. Award. The City shall evaluate each responsive proposal to determine which proposal offers the City the best value consistent with the evaluation criteria set forth herein. The proposer offering the lowest overall price will not necessarily be awarded a contract.

2. Sustainable Materials. Consistent with Council Policy 100-14, the City encourages use of readily recyclable submittal materials that contain post-consumer recycled content.

3. Evaluation Process.

3.1 Process for Award. A City-designated evaluation committee (Evaluation Committee) will evaluate and score all responsive proposals. The Evaluation Committee may require proposer to provide additional written or oral information to clarify responses. Upon completion of the evaluation process, the Evaluation Committee will recommend to the Purchasing Agent that award be made to the proposer with the highest scoring proposal.

3.2 Reserved.

3.3 Mandatory Interview/Oral Presentation. The City will require proposers to interview and/or make an oral presentation if one or more proposals score within twenty-five (25) points or less of the proposal with the highest score. Only the proposer with the highest scoring proposal and those proposers scoring within twenty-five (25) points or less of the highest scoring proposal will be asked to interview and/or make an oral presentation. Interviews and/or oral presentations will be made to the Evaluation Committee in order to clarify the proposals and to answer any questions. The interviews and/or oral presentations will be scored as part of the selection process. The City will complete all reference checks prior to any oral interview. Additionally, the Evaluation Committee may require proposer's key personnel to interview. Interviews may be by telephone and/or in person. Multiple interviews may be required. Proposers are required to complete their oral presentation and/or interviews within seven (7) workdays after the City's request. Proposers should be prepared to discuss and

substantiate any of the areas of the proposal submitted, as well as proposer's qualifications to furnish the subject goods and services. Proposer is responsible for any costs incurred for the oral presentation and interview of the key personnel.

3.4 Discussions/Negotiations. The City may award one or more proposals as submitted that best serves its interest without discussion or negotiation. Consultants should, therefore, not rely on having a chance to discuss, negotiate, and adjust their proposals. The City may negotiate the terms of a contract with the winning proposer(s) based on the RFP and the proposer's proposal, or award the contract without further negotiation.

3.5 Inspection. The City reserves the right to inspect the proposer's equipment and facilities to determine if the proposer is capable of fulfilling this Contract. Inspection will include, but not limited to, survey of proposer's physical assets and financial capability. Proposer, by signing the proposal agrees to the City's right of access to physical assets and financial records for the sole purpose of determining proposer's capability to perform the Contract. Should the City conduct this inspection, the City reserves the right to disqualify a proposer who does not, in the City's judgment, exhibit the sufficient physical and financial resources to perform this Contract.

EXHIBIT B SCOPE OF WORK

A. BACKGROUND

The City of San Diego City Planning Department consists of Community Planning & Housing Policy, Environmental Policy & Public Spaces, and Community Engagement, Work Culture & Operations Divisions. The Community Planning & Housing Policy Division is responsible for amending and updating the City's General Plan, Community Plans, and Land Development Code. The Division is also responsible for developing policies and regulations that streamline and incentivize the production of housing and jobs. The Department's housing policies and regulations are focused on increasing the supply and production of homes in locations that are within walking and bicycling distance of transit, shopping, and jobs to support the City's environmental justice, fair housing, and climate goals.

The Environmental Policy & Public Spaces Division is responsible for developing policies and regulations that further the City's climate and open space conservation goals. The Division is also responsible for the City's long-range park planning, which is focused on delivering safe and enjoyable parks in the areas of the city with the greatest needs. The Division implements and monitors the City's Multiple Species Conservation Program (MSCP). In addition to managing the City's Development Impact Fee Program, the Division is responsible for long-range infrastructure planning. Additionally, this Division conducts reviews of all City actions under the California Environmental Quality Act (CEQA).

The City Planning Department's Community Engagement, Work Culture & Operations Division is responsible for delivering all operational and support services that enable the implementation of the Department's core activities by overseeing operations, budget, grants, mapping and data analysis and technology solutions, and inclusive community engagement. This Division is responsible for advising on opportunities for inclusive public participation opportunities to inform all Department initiatives, working to ensure members of the public are informed about and can provide input into plans and policies that aim to improve their communities, so that the City's long-range plans can better meet the needs of the people who live, work and play in San Diego. This Division is especially focused on reaching and engaging underrepresented groups and communities who have not traditionally participated in the planning process to ensure that the input received is representative of the City's diverse population. This Division also develops public education to help enhance public understanding of the department's work.

B. SCOPE OF SERVICES

The City Planning Department is responsible for long-range planning throughout the City, which includes updating and amending community plans, the City's General Plan, and new development in alignment with the City's Strategic Plan Priority Areas. All land use planning work requires public outreach and engagement to inform policy development, infrastructure prioritization and land development code changes. Specifically, this includes designing and implementing engagement materials and techniques to facilitate public understanding and participation on planning initiatives. This helps ensure that planning initiatives and policy changes are defensible and have undergone public vetting.

Consultant services will support the Department's work program initiatives being conducted

by each division, many of which have requirements to conduct public outreach and engagement set forth by the State of California (e.g., requirements to identify environmental justice communities through public engagement set forth by SB 1000; demonstrated community outreach and engagement efforts required for State certification of the City's General Plan Housing Element). State law requires that local planning agencies provide opportunities for community involvement. As part of the planning process for updates and amendments to General Plans and Community Plans, public outreach and engagement are required to develop and reassess potential changes to the vision, goals, and policies of land use plans and to develop land use plan alternatives. The requested services are also necessary for the Department to implement Council Policies 000-32 and 800-14 relative to infrastructure planning, which calls for reaching out and engaging a broad spectrum of the community to ensure that input received truly meets the needs of residents and that infrastructure investments are prioritized equitably and delivered efficiently.

The City is in the process of creating an Inclusive Public Engagement Guide which will set forth standards and best practices for inclusive public engagement on planning initiatives and all projects led by operational Departments so that City decisions can best meet the needs of San Diegans. Consultant services to recommend and implement community outreach and engagement strategies are critical to meet both local guidelines and state public participation requirements. Contractor

Further, the agreement between Contractor and its subcontractor shall require that the subcontractor, if necessary, shall grant, transfer, sell and assign, free of charge, exclusively to City, all titles, rights and interests in and to the Deliverable Materials, including all copyrights, trademarks and other intellectual property rights. City shall have the right to review any such agreement for compliance with this provision.

6.5 Intellectual Property Warranty and Indemnification. Contractor represents and warrants that any materials or deliverables, including all Deliverable Materials, provided under this Contract are either original, or not encumbered, and do not infringe upon the copyright, trademark, patent or other intellectual property rights of any third party, or are in the public domain. If Deliverable Materials provided hereunder become the subject of a claim, suit or allegation of copyright, trademark or patent infringement, City shall have the right, in its sole discretion, to require Contractor to produce, at Contractor’s own expense, new non-infringing materials, deliverables or works as a means of remedying any claim of infringement in addition to any other remedy available to the City under law or equity. Contractor further agrees to indemnify, defend, and hold harmless the City, its officers, employees and agents from and against any and all claims, actions, costs, judgments or damages, of any type, alleging or threatening that any Deliverable Materials, supplies, equipment, services or works provided under this contract infringe the copyright, trademark, patent or other intellectual property or proprietary rights of any third party (Third Party Claim of Infringement). Contractor represents and warrants that the software, if any, as delivered to City, does not contain any program code, virus, worm, trap door, back door, time or clock that would erase data or programming or otherwise cause the software to become inoperable, inaccessible, or incapable of being used in accordance with its user manuals, either automatically, upon the occurrence of licensor-selected conditions or manually on command. Contractor further represents and warrants that all third party software, delivered to City or used by Contractor in the performance of the Contract, is fully licensed by the appropriate licensor.

7.2.2 Commercial Automobile Liability. Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

7.2.5 Other Insurance Provisions. The insurance policies are to contain, or be endorsed to contain, the following provisions:

7.2.5.1 Additional Insured Status. The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. For any claims related to this contract, Contractor's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. 7.2.5.4 Waiver of Subrogation. Contractor hereby grants to City a waiver of any right to subrogation which the Workers' Compensation insurer of said Contractor may acquire against City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

7.2.5.5 Claims Made Policies (applicable only to professional liability). The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

7.3 Self Insured Retentions. Self-insured retentions must be declared to and approved by City. City may require Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

7.4 Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VI, unless otherwise acceptable to City.

City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

7.5 Verification of Coverage. Contractor shall furnish City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

7.6 Special Risks or Circumstances. City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

7.7 Additional Insurance. Contractor may obtain additional insurance not required by this Contract.

7.8 Excess Insurance. All policies providing excess coverage to City shall follow the form of the primary policy or policies including but not limited to all endorsements.

7.9 Subcontractors. Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a format at least as broad as the CG 20 38 04 13 endorsement.

The Bond shall remain in full force and effect at least until complete performance of this Contract and payment of all claims for materials and labor, at which time it will convert to a ten percent (10%) warranty bond, which shall remain in place until the end of the warranty periods set forth in this Contract. The Bond shall be renewed annually, at least sixty (60) days in advance of its expiration, and Contractor shall provide timely proof of annual renewal to City.

8.1.3 Bond Surety. The Bond must be furnished by a company authorized by the State of California Department of Insurance to transact surety business in the State of California and which has a current A.M. Best rating of at least "A-, VIII."

8.1.4 Non-Renewal or Cancellation. The Bond must provide that City and Contractor shall be provided with sixty (60) days' advance written notice in the event of non-renewal, cancellation, or material change to its terms. In the event of non-renewal, cancellation, or material change to the Bond terms, Contractor shall provide City with evidence of the new source of surety within twenty-one (21) calendar days after the date of the notice of non-renewal, cancellation, or material change. Failure to maintain the Bond, as required herein, in full force

and effect as required under this Contract, will be a material breach of the Contract subject to termination of the Contract.

8.2 Alternate Security. City may, at its sole discretion, accept alternate security in the form of an endorsed certificate of deposit, a money order, a certified check drawn on a solvent bank, or other security acceptable to the Purchasing Agent in an amount equal to the required Bond.

9.1.3.3 Compliance Investigations. Upon City's request, Contractor agrees to provide to City, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by Contractor for each subcontract or supply contract. ARTICLE XI DISPUTE RESOLUTION

11.1 Mediation. If a dispute arises out of or relates to this Contract and cannot be settled through normal contract negotiations, Contractor and City shall use mandatory non-binding mediation before having recourse in a court of law.

11.2 Selection of Mediator. A single mediator that is acceptable to both parties shall be used to mediate the dispute. The mediator will be knowledgeable in the subject matter of this Contract, if possible.

The discussions, statements, writings and admissions will be confidential to the proceedings (pursuant to California Evidence Code sections 1115 through 1128) and will not be used for any other purpose unless otherwise agreed by the parties in writing. attending mediations, arbitrations, depositions, trials or any event related to the dispute resolution and/or litigation.

12.2 Compensation for Mandatory Assistance. City will compensate Contractor for fees incurred for providing Mandatory Assistance. 12.3 Attorneys' Fees Related to Mandatory Assistance. In providing City with dispute or litigation assistance, Contractor or its agents, officers, and employees may incur expenses and/or costs. 13.2 Non-Assignment. Contractor may not assign the obligations under this Contract, whether by express assignment or by sale of the company, nor any monies due or to become due under this Contract, without City's prior written approval. Any assignment in violation of this paragraph shall constitute a default and is grounds for termination of this Contract at the City's sole discretion. In no event shall any putative assignment create a contractual relationship between City and any putative assignee.

13.3 Independent Contractors. Contractor and any subcontractors employed by Contractor are independent contractors and not agents of City. Any provisions of this Contract that may appear to give City any right to direct Contractor concerning the details of performing or providing the goods and/or services, or to exercise any control over performance of the Contract, shall mean only that Contractor shall follow the direction of City concerning the end results of the performance.

13.4 Subcontractors. All persons assigned to perform any work related to this Contract, including any subcontractors, are deemed to be employees of Contractor, and Contractor shall be directly responsible for their work.

13.5 Covenants and Conditions. All provisions of this Contract expressed as either covenants or conditions on the part of City or Contractor shall be deemed to be both covenants and conditions.

termination. In addition to all other remedies or damages allowed by law, Contractor is liable to City for all damages, including costs for substitute performance, sustained as a result of the violation. In addition, Contractor may be subject to suspension, debarment, or both.

13.7 Governing Law. The Contract shall be deemed to be made under, construed in accordance with, and governed by the laws of the State of California without regard to the conflicts or choice of law provisions thereof.

No failure of either City or Contractor to insist upon the strict performance by the other of any covenant, term or condition of this Contract, nor any failure to exercise any right or remedy consequent upon a breach of any covenant, term, or condition of this Contract, shall constitute a waiver of any such breach of such covenant, term or condition. No waiver of any breach shall affect or alter this Contract, and each and every covenant, condition, and term hereof shall continue in full force and effect without respect to any existing or subsequent breach.

13.11 Severability. The unenforceability, invalidity, or illegality of any provision of this Contract shall not render any other provision of this Contract unenforceable, invalid, or illegal.

13.12 Drafting Ambiguities. The parties acknowledge that they have the right to be advised by legal counsel with respect to the negotiations, terms and conditions of this Contract, and the decision of whether to seek advice of legal counsel with respect to this Contract is the sole responsibility of each party. This Contract shall not be construed in favor of or against either party by reason of the extent to which each party participated in the drafting of the Contract.

13.13 Amendments. Neither this Contract nor any provision hereof may be changed, modified, amended or waived except by a written agreement executed by duly authorized representatives of City and Contractor. Any alleged oral amendments have no force or effect. The Purchasing Agent must sign all Contract amendments.

13.14 Conflicts Between Terms. If this Contract conflicts with an applicable local, state, or federal law, regulation, or court order, applicable local, state, or federal law, regulation, or court order shall control. Varying degrees of stringency among the main body of this Contract, the exhibits or attachments, and laws, regulations, or orders are not deemed conflicts, and the most stringent requirement shall control. Each party shall notify the other immediately upon the identification of any apparent conflict or inconsistency concerning this Contract.

13.15 Survival of Obligations. All representations, indemnifications, warranties, and guarantees made in, required by, or given in accordance with this Contract, as well as all continuing obligations indicated in this Contract, shall survive, completion and acceptance of performance and termination, expiration or completion of the Contract.

13.16 Confidentiality of Services. All services performed by Contractor, and any sub-contractor(s) if applicable, including but not limited to all drafts, data, information, correspondence, proposals, reports of any nature, estimates compiled or composed by Contractor, are for the sole use of City, its agents, and employees. 13.17 Insolvency. If Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, Contractor agrees to furnish, by certified mail or electronic commerce method authorized by the Contract, written notification of the bankruptcy to the Purchasing Agent and the Contract Administrator responsible for administering the Contract. This notification shall be furnished within five (5) days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of City contract numbers and contracting offices for all City contracts against which final payment has not been made. This obligation remains in effect until final payment is made under this Contract.

No party other than City and Contractor shall have the right to enforce any of the provisions of this Contract.

13.19 Actions of City in its Governmental Capacity. Nothing in this Contract shall be interpreted as limiting the rights and obligations of City in its governmental or regulatory capacity.

EXHIBIT E

GRANT AGREEMENT BETWEEN THE SAN DIEGO ASSOCIATION OF
GOVERNMENTS AND CITY OF SAN DIEGO SMALL SCALE NEIGHBORHOOD
HOMES INITIATIVE REGIONAL EARLY ACTION PROGRAM 2.0 HOUSING
ACCELERATION GRANT PROGRAM – CYCLE 2

SANDAG CONTRACT No. 6000327

**GRANT AGREEMENT BETWEEN
THE SAN DIEGO ASSOCIATION OF GOVERNMENTS AND
CITY OF SAN DIEGO
SMALL SCALE NEIGHBORHOOD HOMES INITIATIVE REGIONAL EARLY
ACTION PROGRAM 2.0 HOUSING ACCELERATION GRANT PROGRAM –
CYCLE 2**

SANDAG CONTRACT NO. 6000327

THIS GRANT AGREEMENT (“Agreement”) is made and entered into effective as of April 1, 2024 by and between the San Diego Association of Governments (“SANDAG”) and City of San Diego (“Subgrantee”). This Agreement expires on March 31, 2026, unless amended in writing by mutual agreement of the parties.

The following recitals are a substantive part of this Agreement:

- A.** In January 2010, the SANDAG Board of Directors approved Board Policy No. 035: Competitive Grant Program Procedures, which is available in its updated version at <https://www.sandag.org/about/bylaws-and-policies>. This Agreement and the Subgrantee’s performance are subject to Board Policy No. 035, which includes multiple “use it or lose it” provisions.
- B.** In 2019, the state legislature passed Assembly Bill 101, which created state grant fund programs to distribute one-time funding to regional entities to prioritize planning activities that accelerate housing production. Thereafter, the California Department of Housing and Community Development (HCD) established the Regional Early Action Planning grant program (REAP), which allocated \$6.8 million to SANDAG. Using these grant funds, SANDAG established a regional housing incentive program to collaborate on projects with a broader regional impact on housing.
- C.** REAP 2.0 was established as part of the 2021 California Comeback Plan under Assembly Bill 140, and HCD allocated SANDAG \$43 million. REAP 2.0 builds on the success of REAP 1.0 and expands the REAP program focus by addressing housing and climate goals in California through funding planning and capital activities related to the acceleration of housing production within infill areas that affirmatively further fair housing and reduce vehicle miles traveled.
- D.** On October 28, 2022, the SANDAG Board of Directors approved the program eligibility and evaluation criteria for the Housing Acceleration Program (HAP) Cycle 2 Call for Projects, including up to \$16 million in funding from REAP 2.0.
- E.** On May 7, 2023, SANDAG issued a call for projects from local jurisdictions in San Diego County that wish to apply for a portion of the HAP Cycle 2 funds for use on housing planning and capital improvement projects meeting certain criteria.
- F.** On October 13, 2023, the SANDAG Board of Directors approved a list of recommended HAP projects for this competitive grant cycle, and one of those projects is the subject of this Agreement (Project). The Project Scope of Work and Budget, and Project Schedule are included as Attachments A and B, respectively.
- G.** The purpose of this Agreement is to establish the terms and conditions for SANDAG to provide Subgrantee with funding to implement the Project.
- H.** Although SANDAG will provide financial assistance to Subgrantee to support the Project, SANDAG will not take an active role or retain substantial control of the Project. Therefore, this Agreement is characterized as a funding agreement rather than a cooperative agreement.

- I. Subgrantee understands that REAP 2.0 funds were granted from HCD with statutory requirements and a SANDAG expenditure deadline of June 30, 2026. The SANDAG funding commitment to HAP Projects, including this Project, is subject to those statutory requirements and deadlines, which may impact funding availability for this Project.

NOW, THEREFORE, it is agreed as follows:

I. GRANT AWARD

- A. The total amount payable by SANDAG to Subgrantee under this Agreement shall be the proportion of actual Project costs allocated to grant funding in the Project Budget (Attachment A) and shall not exceed the grant award of \$500,000 (Fund Limit).
- B. It is agreed and understood that this Agreement Fund Limit is a ceiling and that SANDAG will only reimburse the allowable cost of services rendered as authorized by SANDAG at or below the Fund Limit.

II. PROJECT BUDGET

The Subgrantee and SANDAG have agreed to a Project Budget outlined in Attachment A. The Subgrantee and third-party contractor(s) will incur obligations to the Project only as authorized by the Project Budget. Subgrantee may, with prior written approval from the HAP Program Manager, reallocate funds between tasks in the Project Budget as long as all of the following conditions are met:

1. The funds to be reallocated do not exceed an aggregate amount of ten percent for any particular task in the Project Budget,
2. The reallocation does not negatively impact the benefits obtained from the Project, and
3. There is no increase to the Fund Limit or decrease to the matching funds.

Any other changes to the Project Budget require the issuance of an amendment to this Agreement.

III. MATCHING FUNDS

Subgrantee agrees to provide matching funds in an amount of \$100,000 of the actual cost of the Project, estimated to be 16.67 percent based on the Project Budget. If the actual cost of the Project exceeds the Project Budget, Subgrantee is responsible for 100 percent of the actual cost greater than the Project Budget.

A. Availability of Grant Funding

Except where expressly allowed in writing herein, credits for matching funds will be made or allowed only for work performed on and after the Agreement effective date and before the termination date of this Agreement, unless expressly permitted by SANDAG in writing.

B. Reduction of Matching Funds

The Subgrantee agrees that no matching funds may be reduced unless a reduction of the proportional share of the grant funding provided by SANDAG under this Agreement is also made.

C. Prompt Payment of Subgrantee's Share of Matching Funds

Subgrantee agrees to complete all actions necessary to provide its share of the Project costs at or before the time the matching funds are needed from Subgrantee to pay for Project costs. The

Subgrantee agrees to provide not less than its cumulative required match amount of Project costs prior to invoicing SANDAG for reimbursement. Each of Subgrantee's invoices must include its matching fund contribution, along with supporting, descriptive and explanatory documentation for the matching funds provided.

IV. PROJECT MANAGER

Subgrantee's Project Manager is Grant Ruroede.

The HAP Program Manager is Goldy Herbon.

Project Manager continuity and experience are deemed essential in Subgrantee's ability to carry out the Project under the terms of this Agreement. Should the Subgrantee change the Project Manager, it will provide written notice to the HAP Program Manager within ten business days of the change, including contact information for the new Project Manager.

V. NOTICE

VI. PROJECT IMPLEMENTATION

A. General

The Subgrantee agrees to carry out the Project as follows:

1. Project Description

Subgrantee agrees to perform the work as described in the Scope of Work included in Attachment A.

2. Subgrantee's Capacity

The Subgrantee agrees to maintain or acquire sufficient legal, financial, technical, and managerial capacity to: (a) plan, manage, and complete the Project as described in Attachment A and provide for the use of any Project property; (b) carry out any safety and security aspects of the Project; and (c) comply with the terms of the Agreement and all applicable laws, regulations, and policies pertaining to the Project and the Subgrantee, including but not limited to the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

3. Project Schedule

The Subgrantee agrees to complete the Project according to the Project Schedule included in Attachment B and in compliance with the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

4. Project Implementation and Oversight Requirements

Subgrantee agrees to comply with the Performance Measures included in Attachment D.

5. Changes to Project Scope of Work

This Agreement was awarded to Subgrantee based on the application submitted by Subgrantee with the intention that the awarded funds would be used to implement the Project as described in the project application. Any substantive deviation from Subgrantee's Scope of Work during project implementation may require reevaluation or result in loss of funding. If Subgrantee knows or should have known that substantive changes to the Project will occur or have occurred, Subgrantee will immediately notify SANDAG in writing. SANDAG will then determine whether the Project is still consistent with the overall objectives of the grant program and whether the changes would have negatively affected the Project ranking during the competitive grant evaluation process. SANDAG reserves the right to have grant funding withheld from Subgrantee, or refunded to SANDAG, due to Subgrantee's failure to complete the Project satisfactorily or due to substantive changes to the Project not approved in advance by SANDAG.

B. Application of Laws

Should a federal or state law pre-empt or conflict with a local law, policy, or ordinance, the Subgrantee must comply with the federal or state law and implementing regulations. No provision of this Agreement requires the Subgrantee to observe or enforce compliance with any provision, perform any other act, or do any other task in contravention of federal, state, territorial, or local law, regulation, or ordinance. If compliance with any provision of this Agreement violates or would require the Subgrantee to violate any law, the Subgrantee agrees to notify SANDAG immediately in writing. Should this occur, SANDAG and the Subgrantee agree to make appropriate arrangements to proceed with or, if necessary, terminate the Project or affected portions expeditiously.

C. Changes in Project Performance

The Subgrantee agrees to notify SANDAG immediately, in writing, of any change in local law, conditions (including its legal, financial, or technical capacity), or any other event, including a force majeure event, that may adversely affect the Subgrantee's ability to perform the Project under the terms of the Agreement and as required by Board Policy No. 035. The Subgrantee also agrees to notify SANDAG immediately, in writing, of any current or prospective major dispute, breach, default, or litigation that may adversely affect SANDAG's interests in the Project; and agrees to inform SANDAG, also in writing, before naming SANDAG as a party to litigation for any reason, in any forum. At a minimum, the Subgrantee agrees to send each notice to SANDAG required by this subsection to SANDAG's Grants Program Manager.

D. Licenses and Permits

Subgrantee represents and warrants to SANDAG that Subgrantee and its subcontractors will have all necessary licenses, permits, qualifications and approvals of whatever nature that are required to legally practice its profession and perform services under this Agreement at all times during the term of this Agreement.

E. Standard of Care

Subgrantee expressly warrants that the work to be performed under this Agreement shall be performed in accordance with the applicable standard of care. Where approval by SANDAG, its management, or other representative of SANDAG is indicated in the Scope of Work, it is understood to be conceptual approval only and does not relieve the Subgrantee of responsibility for complying with all laws, codes, industry standards, and liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of the Subgrantee or its subcontractors.

F. Third-Party Contracting

Although the Subgrantee may delegate any or almost all Project responsibilities to one or more third-party contractors, the Subgrantee agrees that it, rather than any third-party contractor, is ultimately responsible for compliance with all applicable laws, regulations, and this Agreement. The first invoice utilizing any third-party contractor shall be accompanied by evidence of compliance with the following requirements:

1. Competitive Procurement

Subgrantee shall not award contracts with a cumulative value over \$10,000 based on a noncompetitive procurement for work to be performed under this Agreement without the prior written approval of SANDAG. Contracts awarded by Subgrantee, if intended as local match credit, must meet the requirements outlined in this Agreement regarding local match funds. Upon request by SANDAG, Subgrantee shall submit its Request for Proposals or bid solicitation documents to SANDAG staff for review and comment for consistency with the agreed upon Scope of Work with SANDAG and to ensure a competitive process was used.

If Subgrantee hires a third-party contractor to carry out work funded under this Agreement, Subgrantee shall: prepare a cost estimate prior to soliciting proposals/bids; publicly advertise for competing proposals/bids for the work; for professional services, use cost as a significant evaluation factor in selecting the third-party contractor; document a record of negotiation establishing that the amount paid by Subgrantee for the work is fair and reasonable; and pass through the relevant obligations in this Agreement to the contractor.

2. Debarment

Subgrantee shall execute and cause its third-party contractors to execute debarment and suspension certificates stating they have not been disqualified from doing business with government entities. The documentation showing a lack of debarment shall be obtained from the following two websites:

- Subgrantee will check the System for Award Management (SAM) at www.sam.gov to verify the prime contractor and all of its subcontractors are not currently debarred or suspended by the federal government.
- Entities in the United States are banned from doing business with companies with ownership based in countries such as Cuba, Sudan and China due to United States trade sanctions. A search on the US Treasury's Office of Foreign Assets Control (OFAC) website can ensure Subgrantee will not be doing business with a vendor that is subject to trade sanctions. This can be done at <https://sanctionssearch.ofac.treas.gov/>.

3. Flowdown

Subgrantee agrees to take appropriate measures necessary, including the execution of a subagreement, lease, third-party contract, or other, to ensure that all Project participants, including alternate payees or third-party contractors at any tier, comply with all applicable federal laws, regulations, policies affecting Project implementation and Agreement requirements. In addition, if an entity other than the Subgrantee is expected to fulfill any responsibilities typically performed by the Subgrantee, the Subgrantee agrees to assure that the entity carries out the Subgrantee's responsibilities as outlined in this Agreement, including but not limited to those in Attachment C.

4. No SANDAG Obligations to Third Parties

In connection with the Project, the Subgrantee agrees that SANDAG shall not be subject to any obligations or liabilities to any subcontractor, lessee, third-party contractor at any tier, or other person or entity that is not a party to the Agreement for the Project. Notwithstanding that SANDAG may have concurred in or approved any solicitation, subagreement, lease, alternate payee designation, or third-party contract at any tier, SANDAG has no obligations or liabilities to any entity other than the Subgrantee.

5. Equipment Purchases

Subgrantee shall maintain ownership of any equipment purchased using Agreement funding and shall use such equipment only for the purposes outlined in this Agreement. The parties agree to meet and confer in good faith to ensure the equipment's continued use for the intended purposes, which may include reimbursement to SANDAG when the fair market value of the equipment at Project completion exceeds \$5,000. SANDAG and Subgrantee further agree that Subgrantee shall keep an inventory record for each piece of equipment purchased under this Agreement and maintain each piece of equipment in good operating order consistent with the purposes for which they were intended. SANDAG shall have the right to conduct periodic maintenance inspections to confirm the equipment's existence, condition, and proper maintenance.

VII. ETHICS

A. Subgrantee Code of Conduct/Standards of Conduct

The Subgrantee agrees to maintain a written code of conduct or standards of conduct that shall govern the actions of its officers, employees, council or board members, or agents engaged in the award or administration of subagreements, leases, or third-party contracts supported with the grant funding. The Subgrantee agrees that its code of conduct or standards of conduct shall specify that its officers, employees, council or board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, or third-party contractor at any tier or agent thereof. The Subgrantee may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. The Subgrantee agrees that its code of conduct or standards of conduct shall also prohibit its officers, employees, board members, or agents from using their respective positions in a manner that presents a real or apparent personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, the Subgrantee agrees that its code of conduct or standards of conduct shall include penalties, sanctions, or other disciplinary actions for violations by its officers, employees, council or board members, or their agents, or its third-party contractors or subcontractors or their agents.

B. Personal Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall prohibit the Subgrantee's employees, officers, council or board members, or agents from participating in the selection, award, or administration of any third-party contract or subagreement supported by the grant funding if a real or apparent conflict of interest would be involved. Such a conflict would arise when an employee, officer, board member, or agent, including any member of their immediate family, partner, or organization that employs, or intends to employ, any of the parties listed herein have a financial interest in a firm competing for award.

C. Organizational Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract or subagreement may, without some restrictions on future activities, result in an unfair competitive advantage to the third-party contractor or subcontractor or impair its objectivity in performing the contract work.

D. SANDAG Code of Conduct

SANDAG has established policies concerning potential conflicts of interest. These policies apply to Subgrantee. For all awards by SANDAG, any practices that might result in unlawful activity are prohibited including, but not limited to, rebates, kickbacks, or other unlawful considerations. SANDAG staff members are specifically prohibited from participating in the selection process when those staff have a close personal relationship, family relationship, or past (within the last 12 months), present, or potential business or employment relationship with a person or business entity seeking a contract with SANDAG. It is unlawful for any contract to be made by SANDAG if any individual Board member or staff has a prohibited financial interest in the contract. Staff also are prohibited from soliciting or accepting gratuities from any organization seeking funding from SANDAG. SANDAG's officers, employees, agents, and board members shall not solicit or accept gifts, gratuities, favors, or anything of monetary value from consultants, potential consultants, or parties to subagreements. By signing this Agreement, Subgrantee affirms that it has no knowledge of an ethical violation by SANDAG staff or Subgrantee. If Subgrantee has any reason to believe a conflict of interest exists concerning the Agreement or the Project, it shall notify the SANDAG Office of General Counsel immediately.

E. Bonus or Commission

The Subgrantee affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its grant funding application for the Project.

F. False or Fraudulent Statements or Claims

The Subgrantee acknowledges and agrees that by executing the Agreement for the Project, the Subgrantee certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project, including, but not limited to, the Subgrantee's grant application, progress reports, and invoices.

VIII. PAYMENTS

A. Type of Payment

The payment type for this Agreement will be reimbursement and will be based on actual, substantiated, and allowable costs described herein.

B. Alternate Payee

If the Subgrantee designates a party as an Alternate Payee, Alternate Payee is authorized to submit payment requests directly to SANDAG to receive reimbursement for allowable Project costs. This does not alleviate Subgrantee from all obligations under this Grant Agreement.

C. Invoicing

Subgrantee or Alternate Payee is required to submit invoices quarterly using a template provided by SANDAG. Invoices must be accompanied by a quarterly report (template to be provided by SANDAG). SANDAG will make payments for eligible amounts to Subgrantee or Alternate Payee as promptly as SANDAG fiscal procedures permit upon receipt of Subgrantee's or Alternate Payee's itemized signed invoice(s), backup, deliverables, and confirmation by the HAP Program Manager that Subgrantee is in compliance with the reporting and other requirements in this Agreement. SANDAG shall retain 10 percent from the amounts invoiced until the satisfactory completion of the Project. SANDAG shall promptly pay retention amounts to Subgrantee or Alternate Payee following satisfactory completion of the Scope of Work, including but not limited to receipt of all deliverables, completion of a final site visit, and notification that all labor compliance requirements have been met (for capital projects), the final invoice, and all required documentation.

D. Eligible Costs

The Subgrantee agrees that Project costs eligible for grant funding must comply with the following requirements unless SANDAG determines otherwise in writing. To be eligible for reimbursement, Project costs must be:

1. Consistent with the Project Scope of Work, Schedule, and Project Budget, and other provisions of the Agreement.
2. Necessary to accomplish the Project.
3. Reasonable for the goods or services purchased.
4. Actual net costs to the Subgrantee (i.e., the price paid minus any refunds, rebates, or other items of value received by the Subgrantee that reduces the cost actually incurred, excluding program income). Project-generated revenue realized by the Subgrantee shall be used to support the Project. Project-generated revenue and expenditures, if any, shall be reported at the end of the Agreement period.
5. Incurred for work performed on or after the Agreement effective date and before the termination date, and also must have been paid for by the Subgrantee.
6. Satisfactorily documented with supporting documentation, which will be submitted with each invoice. Copies of invoices are required for goods or services provided by third parties.
7. Treated consistently following generally accepted accounting principles and procedures for the Subgrantee and any third-party contractors and subcontractors, (see Section entitled "Accounting Records").
8. Eligible for grant funding as part of the grant program through which the funds were awarded.

E. Excluded Costs

In determining the amount of REAP funds SANDAG will provide for the Project, SANDAG will exclude the following:

1. Any Project cost incurred by the Subgrantee before the Effective Date of the Agreement or applicable Amendment.
2. Any cost that is not included in the Project Budget.
3. Any cost for Project property or services received in connection with a subagreement, lease, third-party contract, or other arrangement that is required to be, but has not been, concurred in or approved in writing by SANDAG.
4. Any cost ineligible for SANDAG participation as provided by applicable laws, regulations, or policies.
5. Any cost incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved (any indirect cost). Typical indirect costs include facilities and administration costs such as heat/air conditioning, lighting, payroll, and the entity's accounting system. Administrative costs such as clerical and support staff salaries are often treated as indirect costs.

The Subgrantee understands and agrees that payment to the Subgrantee for any Project cost does not constitute SANDAG's final decision about whether that cost is allowable and eligible for payment under the Project and does not constitute a waiver of any violation by the Subgrantee of the terms of this Agreement or Board Policy No. 035. The Subgrantee acknowledges that SANDAG will not make a final determination about the allowability and eligibility of any cost until the final payment has been made on the Project or the results of an audit of the Project requested by SANDAG have been completed, whichever occurs latest. If SANDAG determines that the Subgrantee is not entitled to receive any portion of the grant funding requested or paid, SANDAG will notify the Subgrantee in writing, stating its reasons. The Subgrantee agrees that Project closeout will not alter the Subgrantee's responsibility to return any funds due to SANDAG as a result of later refunds, corrections, performance deficiencies, or other similar actions; nor will Project closeout alter SANDAG's right to disallow costs and recover funds provided for the Project on the basis of a later audit or other review. Upon notification to the Subgrantee that specific amounts are owed to SANDAG, whether for excess payments of grant funding, disallowed costs, or funds recovered from third parties or elsewhere, the Subgrantee agrees to promptly remit to SANDAG the amounts owed, including applicable interest, penalties and administrative charges.

IX. ACCOUNTING, REPORTING, RECORD RETENTION, AND ACCESS

A. Project Accounts

The Subgrantee and Alternate Payee agree to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The Subgrantee and Alternate Payee also agree to maintain documentation of all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents related in whole or in part to the Project so that they may be clearly identified, readily accessible, and available to SANDAG upon request and, to the extent feasible, kept separate from documents not related to the Project.

B. Reports

1. The Subgrantee agrees to submit to SANDAG all reports required by law and regulation, policy, this Agreement, or any other reports SANDAG may specify. SANDAG reserves the right to specify that records be submitted in particular formats. Subgrantee may be required to attend meetings of SANDAG staff and committees, including but not limited to the Regional Planning

Committee and the SANDAG Board of Directors, to report on its progress and respond to questions from Board Members or the public.

2. Subgrantee's performance shall be monitored for consistency with the Scope of Work. SANDAG will utilize Performance Measures (Attachment D) and the SANDAG Grant Monitoring Checklist provided by the HAP Program Manager, to document compliance with this Agreement. Subgrantee's performance will be measured against the Performance Measures during the term of this Agreement. If the Subgrantee does not comply with provisions in this Agreement or achieve minimum performance requirements, SANDAG will issue Subgrantee a written Notice to Complete a Recovery Plan (Notice). Subgrantee's Recovery Plan shall include a detailed description of how Subgrantee intends to come into compliance with the Agreement or Performance Measures. Subgrantee's Recovery Plan must include an implementation schedule that reflects compliance with the Agreement as referenced in the Notice, or achievement of its performance measure minimums within three months following the issue date of the Notice. Subgrantee must submit its Recovery Plan to the HAP Program Manager within 30 calendar days following the issue date of the Notice. If Subgrantee's performance is inconsistent with that proposed in its Recovery Plan, SANDAG, in its sole discretion, may terminate this Agreement.
3. Subgrantee must submit quarterly reports and invoices to SANDAG, detailing accomplishments in the quarter, anticipated progress next quarter, pending issues and actions toward resolution, and status of the Project's budget, schedule, and Performance Measures using templates provided by SANDAG. The Quarterly Progress Report shall be submitted to SANDAG within 30 days after each period close, covering January 1 to March 31; April 1 to June 30; July 1 to September 30; and October 1 to December 31. Subgrantee will not be paid until all reports are completed and provided to SANDAG in the format and with the content SANDAG requires. Furthermore, the Subgrantee agrees to provide project milestone information (such as presentations to community groups, other agencies, and elected officials, groundbreakings, and ribbon-cuttings) to support media and communications efforts. Subgrantee needs to document and track in-kind contributions designated as matching funds as part of project management. Subgrantee must provide all deliverables identified in the Scope of Work in order to receive payment.
4. Press materials shall be provided to SANDAG staff before they are distributed. SANDAG logo(s) should be included in press materials and other project collateral based on logo usage guidelines to be provided by SANDAG. Subgrantee agrees to provide project milestone information to support media and communications efforts.
5. Subgrantee is responsible for the following photo documentation:
 - Existing conditions photos (as applicable), which should illustrate the current conditions of the project site and demonstrate the need for improved facilities
 - Project milestone photos (such as workshops, presentations to community groups, other agencies, and elected officials)
 - Photos should be high resolution (at least 4 inches by 6 inches with a minimum of 300 pixels per inch) and be accompanied by captions with project descriptions, dates, locations, and the names of those featured, if appropriate. Subgrantees must obtain consent of all persons featured in photos (or that of a parent or guardian of persons under the age of 18) by using the SANDAG Photo and Testimonial Release form to be provided by SANDAG, or a similar release form developed by Subgrantee and agreed upon by SANDAG.

C. Record Retention

During the course of the Project and for three years thereafter from the date of transmission of the final invoice, the Subgrantee agrees to maintain, intact and readily accessible, all communications, data, documents, reports, records, contracts, and supporting materials relating to the Project, as SANDAG may require. All communications and information provided to SANDAG become the property of SANDAG and public records, as such, may be subject to public review. Please see SANDAG's Board Policy No. 015: Records Management Policy, which is available at <https://www.sandag.org/about/bylaws-and-policies>, for information regarding the treatment of documents designated as confidential.

D. Meeting Records

Subgrantee shall provide SANDAG with agendas and meeting summaries for all community meetings. SANDAG staff may attend any meetings as appropriate.

E. Access to Records of Subgrantees and Subcontractors

The Subgrantee agrees to permit, and require its subcontractors to permit, SANDAG or its authorized representatives, upon request, to inspect all Project work, materials, payrolls, and other data, and to audit the books, records, and accounts of the Subgrantee and its subcontractors pertaining to the Project.

X. PROJECT COMPLETION, AUDIT, SETTLEMENT, AND CLOSEOUT

A. Project Completion

Within 90 calendar days following Project completion or termination by SANDAG, or by April 30, 2026, whichever occurs first, the Subgrantee agrees to submit a final invoice of Project expenses and final reports, as applicable. All payments made to the Subgrantee shall be subject to review for compliance by SANDAG with the requirements of this Agreement and shall be subject to an audit upon completion of the Project.

B. Project Audit

The Subgrantee agrees to have financial, performance, and compliance audits performed as SANDAG may require. The Subgrantee agrees that Project closeout will not alter the Subgrantee's audit responsibilities. Audit costs are allowable Project costs.

C. Performance Audit

The Subgrantee agrees to cooperate with SANDAG regarding any performance audit performed on the Project.

D. Project Closeout

Project closeout occurs when SANDAG notifies the Subgrantee that SANDAG has closed the Project, and, if applicable, either forwards the final grant funding payment and or acknowledges that the Subgrantee has remitted the proper refund. The Subgrantee agrees that Project closeout by SANDAG does not invalidate any continuing requirements imposed by the Agreement or any unmet requirements outlined in a written notification from SANDAG.

XI. TIMELY PROGRESS AND RIGHT OF SANDAG TO TERMINATE

- A.** Subgrantee shall make diligent and timely progress toward completion of the Project within the timelines outlined in the Project Schedule.
- B.** In the event Subgrantee encounters or anticipates difficulty in meeting the Project Schedule, the Subgrantee shall immediately notify the HAP Program Manager in writing, and shall provide pertinent details, including the reason(s) for the delay in performance and the date by which Subgrantee expects to complete performance or delivery. This notification shall be informational in character only and receipt of it shall not be construed as a waiver by SANDAG of a project delivery schedule or date, or any rights or remedies provided by this Agreement, including Board Policy No. 035 requirements.
- C.** Subgrantee agrees that SANDAG, at its sole discretion, may suspend or terminate all or any part of the grant funding if the Subgrantee fails to make reasonable progress on the Project and/or violates the terms of the Agreement or Board Policy No. 035, or if SANDAG determines that the continuation of grant funding for the Project would not adequately serve the purpose of the laws or policies authorizing the Project.
- D.** In general, termination of grant funding for the Project will not invalidate obligations properly incurred by the Subgrantee before the termination date to the extent those obligations cannot be canceled. If, however, SANDAG determines that the Subgrantee has willfully misused grant funding by failing to make adequate progress or failing to comply with the terms of the Agreement, SANDAG reserves the right to require the Subgrantee to refund to SANDAG the entire amount of grant funding provided for the Project or any lesser amount as SANDAG may determine.
- E.** Expiration of any Project time period established in the Project Schedule will not automatically constitute an expiration or termination of the Agreement for the Project. However, Subgrantee must request, and SANDAG may agree to amend the Agreement in writing if the Project Schedule will not be met. An amendment to the Project Schedule may be made at SANDAG's discretion if Subgrantee's request is consistent with the provisions of Board Policy No. 035 and the REAP 2.0 requirements, including the expenditure deadline set by the state for the REAP 2.0 program.

XII. CIVIL RIGHTS

The Subgrantee agrees to comply with all applicable civil rights laws, regulations and policies and shall include the provisions of this section in each subagreement, lease, third-party contract or other legally binding document to perform work funded by this Agreement. Furthermore, Subgrantee shall make the procedures for filing a complaint available to members of the public and will keep a log of all such complaints. Subgrantee must notify SANDAG immediately if a complaint related to the Project or program funded by this grant is lodged. If Subgrantee receives a Title VI-related or ADA-related complaint, Subgrantee must notify SANDAG in writing within 72 hours of receiving the complaint so that SANDAG can determine whether it needs to carry out its own investigation.

Subgrantee and its subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Subgrantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (California Government Code Section 12900, et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0, et seq.). The request for reconsideration must be received within ten calendar days from the postmark date of SANDAG's reply. The Chief Executive Officer or designee will respond in writing to the request for reconsideration within ten working days.
2. If Subgrantee is dissatisfied with the results following the exhaustion of the above dispute resolution procedures, Subgrantee shall make a written request to SANDAG for appeal to the SANDAG Regional Planning Committee. SANDAG shall respond to a request for mediation within 30 calendar days. The decision of the Regional Planning Committee shall be final.

C. Venue

Scope of Work and Budget

Applicant Name: City of San Diego Planning Department

Project Title: Small Scale Neighborhood Homes (SSNH) Initiative

Part I: Project Overview

Project Location: City of San Diego- Citywide

Brief Project Summary: Grant funds will address the need for more missing middle housing options in the City of San Diego by preparing standardized 'preapproved' plans for duplexes, triplexes, bungalow courts, or other small-scale multiple-home developments. These standardized plans will reduce housing development costs and simplify production and review processes, as well as promote housing projects near public transportation to decrease Vehicle Miles Traveled (VMT). Moreover, the standardized plans will incorporate sustainable building materials which will contribute to the city's efforts in decarbonizing the built environment. A portion of the funds will be dedicated to community outreach and engagement, ensuring that local input guides the development of these plans and makes them more tailored to the community's needs and preferences ensuring that new missing middle housing projects will improve San Diego's communities. This initiative aims to create a more sustainable, accessible, and inclusive housing landscape in San Diego, enhancing the overall quality of life for its community members.

SANDAG CONTRACT NO.6000330**

THIS GRANT AGREEMENT (“Agreement”) is made and entered into effective as of the last signature date below, by and between the San Diego Association of Governments (“SANDAG”) and City of San Diego (“Subgrantee”). This Agreement expires on March 31, 2026, unless amended in writing by mutual agreement of the parties.

The following recitals are a substantive part of this Agreement:

- A.** In January 2010, the SANDAG Board of Directors approved Board Policy No. 035: Competitive Grant Program Procedures, which is available in its updated version at <https://www.sandag.org/about/bylaws-and-policies>. This Agreement and the Subgrantee’s performance are subject to Board Policy No. 035, which includes multiple “use it or lose it” provisions.
- B.** In 2019, the state legislature passed Assembly Bill 101, which created state grant fund programs to distribute one-time funding to regional entities to prioritize planning activities that accelerate housing production. Thereafter, the California Department of Housing and Community Development (HCD) established the Regional Early Action Planning grant program (REAP), which allocated \$6.8 million to SANDAG. Using these grant funds, SANDAG established a regional housing incentive program to collaborate on projects with a broader regional impact on housing.
- C.** REAP 2.0 was established as part of the 2021 California Comeback Plan under Assembly Bill 140, and HCD allocated SANDAG \$43 million. REAP 2.0 builds on the success of REAP 1.0 and expands the REAP program focus by addressing housing and climate goals in California through funding planning and capital activities related to the acceleration of housing production within infill areas that affirmatively further fair housing and reduce vehicle miles traveled.
- D.** On October 28, 2022, the SANDAG Board of Directors approved the program eligibility and evaluation criteria for the Housing Acceleration Program (HAP) Cycle 2 Call for Projects, including up to \$16 million in funding from REAP 2.0.
- E.** On May 7, 2023, SANDAG issued a call for projects from local jurisdictions in San Diego County that wish to apply for a portion of the HAP Cycle 2 funds for use on housing planning and capital improvement projects meeting certain criteria.
- F.** On October 13, 2023, the SANDAG Board of Directors approved a list of recommended HAP projects for this competitive grant cycle, and one of those projects is the subject of this Agreement (Project). The Project Scope of Work and Budget, and Project Schedule are included as Attachments A and B, respectively.
- G.** The purpose of this Agreement is to establish the terms and conditions for SANDAG to provide Subgrantee with funding to implement the Project.
- H.** Although SANDAG will provide financial assistance to Subgrantee to support the Project, SANDAG will not take an active role or retain substantial control of the Project. Therefore, this Agreement is characterized as a funding agreement rather than a cooperative agreement.

- I. Subgrantee understands that REAP 2.0 funds were granted from HCD with statutory requirements and a SANDAG expenditure deadline of June 30, 2026. The SANDAG funding commitment to HAP Projects, including this Project, is subject to those statutory requirements and deadlines, which may impact funding availability for this Project.

NOW, THEREFORE, it is agreed as follows:

I. GRANT AWARD

- A. The total amount payable by SANDAG to Subgrantee under this Agreement shall be the proportion of actual Project costs allocated to grant funding in the Project Budget (Attachment A) and shall not exceed the grant award of \$650,000 (Fund Limit).
- B. It is agreed and understood that this Agreement Fund Limit is a ceiling and that SANDAG will only reimburse the allowable cost of services rendered as authorized by SANDAG at or below the Fund Limit.

II. PROJECT BUDGET

The Subgrantee and SANDAG have agreed to a Project Budget outlined in Attachment A. The Subgrantee and third-party contractor(s) will incur obligations to the Project only as authorized by the Project Budget. Subgrantee may, with prior written approval from the HAP Program Manager, reallocate funds between tasks in the Project Budget as long as all of the following conditions are met:

1. The funds to be reallocated do not exceed an aggregate amount of ten percent for any particular task in the Project Budget,
2. The reallocation does not negatively impact the benefits obtained from the Project, and
3. There is no increase to the Fund Limit or decrease to the matching funds.

Any other changes to the Project Budget require the issuance of an amendment to this Agreement.

III. MATCHING FUNDS

Subgrantee agrees to provide matching funds in an amount of \$100,000 of the actual cost of the Project, estimated to be 13.33 percent based on the Project Budget. If the actual cost of the Project exceeds the Project Budget, Subgrantee is responsible for 100 percent of the actual cost greater than the Project Budget.

A. Availability of Grant Funding

Except where expressly allowed in writing herein, credits for matching funds will be made or allowed only for work performed on and after the Agreement effective date and before the termination date of this Agreement, unless expressly permitted by SANDAG in writing.

B. Reduction of Matching Funds

The Subgrantee agrees that no matching funds may be reduced unless a reduction of the proportional share of the grant funding provided by SANDAG under this Agreement is also made.

C. Prompt Payment of Subgrantee's Share of Matching Funds

Subgrantee agrees to complete all actions necessary to provide its share of the Project costs at or before the time the matching funds are needed from Subgrantee to pay for Project costs. The

Subgrantee agrees to provide not less than its cumulative required match amount of Project costs prior to invoicing SANDAG for reimbursement. Each of Subgrantee's invoices must include its matching fund contribution, along with supporting, descriptive and explanatory documentation for the matching funds provided.

IV. PROJECT MANAGER

Subgrantee's Project Manager is Sean McGee.

The HAP Program Manager is Goldy Herbon.

Project Manager continuity and experience are deemed essential in Subgrantee's ability to carry out the Project under the terms of this Agreement. Should the Subgrantee change the Project Manager, it will provide written notice to the HAP Program Manager within ten business days of the change, including contact information for the new Project Manager.

V. NOTICE

VI. PROJECT IMPLEMENTATION

A. General

The Subgrantee agrees to carry out the Project as follows:

1. Project Description

Subgrantee agrees to perform the work as described in the Scope of Work included in Attachment A.

2. Subgrantee's Capacity

The Subgrantee agrees to maintain or acquire sufficient legal, financial, technical, and managerial capacity to: (a) plan, manage, and complete the Project as described in Attachment A and provide for the use of any Project property; (b) carry out any safety and security aspects of the Project; and (c) comply with the terms of the Agreement and all applicable laws, regulations, and policies pertaining to the Project and the Subgrantee, including but not limited to the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

3. Project Schedule

The Subgrantee agrees to complete the Project according to the Project Schedule included in Attachment B and in compliance with the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

4. Project Implementation and Oversight Requirements

Subgrantee agrees to comply with the Performance Measures included in Attachment D.

5. Changes to Project Scope of Work

This Agreement was awarded to Subgrantee based on the application submitted by Subgrantee with the intention that the awarded funds would be used to implement the Project as described in the project application. Any substantive deviation from Subgrantee's Scope of Work during project implementation may require reevaluation or result in loss of funding. If Subgrantee knows or should have known that substantive changes to the Project will occur or have occurred, Subgrantee will immediately notify SANDAG in writing. SANDAG will then determine whether the Project is still consistent with the overall objectives of the grant program and whether the changes would have negatively affected the Project ranking during the competitive grant evaluation process. SANDAG reserves the right to have grant funding withheld from Subgrantee, or refunded to SANDAG, due to Subgrantee's failure to complete the Project satisfactorily or due to substantive changes to the Project not approved in advance by SANDAG.

B. Application of Laws

Should a federal or state law pre-empt or conflict with a local law, policy, or ordinance, the Subgrantee must comply with the federal or state law and implementing regulations. No provision of this Agreement requires the Subgrantee to observe or enforce compliance with any provision, perform any other act, or do any other task in contravention of federal, state, territorial, or local law, regulation, or ordinance. If compliance with any provision of this Agreement violates or would require the Subgrantee to violate any law, the Subgrantee agrees to notify SANDAG immediately in writing. Should this occur, SANDAG and the Subgrantee agree to make appropriate arrangements to proceed with or, if necessary, terminate the Project or affected portions expeditiously.

C. Changes in Project Performance

The Subgrantee agrees to notify SANDAG immediately, in writing, of any change in local law, conditions (including its legal, financial, or technical capacity), or any other event, including a force majeure event, that may adversely affect the Subgrantee's ability to perform the Project under the terms of the Agreement and as required by Board Policy No. 035. The Subgrantee also agrees to notify SANDAG immediately, in writing, of any current or prospective major dispute, breach, default, or litigation that may adversely affect SANDAG's interests in the Project; and agrees to inform SANDAG, also in writing, before naming SANDAG as a party to litigation for any reason, in any forum. At a minimum, the Subgrantee agrees to send each notice to SANDAG required by this subsection to SANDAG's Grants Program Manager.

D. Licenses and Permits

Subgrantee represents and warrants to SANDAG that Subgrantee and its subcontractors will have all necessary licenses, permits, qualifications and approvals of whatever nature that are required to legally practice its profession and perform services under this Agreement at all times during the term of this Agreement.

E. Standard of Care

Subgrantee expressly warrants that the work to be performed under this Agreement shall be performed in accordance with the applicable standard of care. Where approval by SANDAG, its management, or other representative of SANDAG is indicated in the Scope of Work, it is understood to be conceptual approval only and does not relieve the Subgrantee of responsibility for complying with all laws, codes, industry standards, and liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of the Subgrantee or its subcontractors.

F. Third-Party Contracting

Although the Subgrantee may delegate any or almost all Project responsibilities to one or more third-party contractors, the Subgrantee agrees that it, rather than any third-party contractor, is ultimately responsible for compliance with all applicable laws, regulations, and this Agreement. The first invoice utilizing any third-party contractor shall be accompanied by evidence of compliance with the following requirements:

1. Competitive Procurement

Subgrantee shall not award contracts with a cumulative value over \$10,000 based on a noncompetitive procurement for work to be performed under this Agreement without the prior written approval of SANDAG. Contracts awarded by Subgrantee, if intended as local match credit, must meet the requirements outlined in this Agreement regarding local match funds. Upon request by SANDAG, Subgrantee shall submit its Request for Proposals or bid solicitation documents to SANDAG staff for review and comment for consistency with the agreed upon Scope of Work with SANDAG and to ensure a competitive process was used.

If Subgrantee hires a third-party contractor to carry out work funded under this Agreement, Subgrantee shall: prepare a cost estimate prior to soliciting proposals/bids; publicly advertise for competing proposals/bids for the work; for professional services, use cost as a significant evaluation factor in selecting the third-party contractor; document a record of negotiation establishing that the amount paid by Subgrantee for the work is fair and reasonable; and pass through the relevant obligations in this Agreement to the contractor.

2. Debarment

Subgrantee shall execute and cause its third-party contractors to execute debarment and suspension certificates stating they have not been disqualified from doing business with government entities. The documentation showing a lack of debarment shall be obtained from the following two websites:

- Subgrantee will check the System for Award Management (SAM) at www.sam.gov to verify the prime contractor and all of its subcontractors are not currently debarred or suspended by the federal government.
- Entities in the United States are banned from doing business with companies with ownership based in countries such as Cuba, Sudan and China due to United States trade sanctions. A search on the US Treasury's Office of Foreign Assets Control (OFAC) website can ensure Subgrantee will not be doing business with a vendor that is subject to trade sanctions. This can be done at <https://sanctionssearch.ofac.treas.gov/>.

3. Flowdown

Subgrantee agrees to take appropriate measures necessary, including the execution of a subagreement, lease, third-party contract, or other, to ensure that all Project participants, including alternate payees or third-party contractors at any tier, comply with all applicable federal laws, regulations, policies affecting Project implementation and Agreement requirements. In addition, if an entity other than the Subgrantee is expected to fulfill any responsibilities typically performed by the Subgrantee, the Subgrantee agrees to assure that the entity carries out the Subgrantee's responsibilities as outlined in this Agreement, including but not limited to those in Attachment C.

4. No SANDAG Obligations to Third Parties

In connection with the Project, the Subgrantee agrees that SANDAG shall not be subject to any obligations or liabilities to any subcontractor, lessee, third-party contractor at any tier, or other person or entity that is not a party to the Agreement for the Project. Notwithstanding that SANDAG may have concurred in or approved any solicitation, subagreement, lease, alternate payee designation, or third-party contract at any tier, SANDAG has no obligations or liabilities to any entity other than the Subgrantee.

5. Equipment Purchases

Subgrantee shall maintain ownership of any equipment purchased using Agreement funding and shall use such equipment only for the purposes outlined in this Agreement. The parties agree to meet and confer in good faith to ensure the equipment's continued use for the intended purposes, which may include reimbursement to SANDAG when the fair market value of the equipment at Project completion exceeds \$5,000. SANDAG and Subgrantee further agree that Subgrantee shall keep an inventory record for each piece of equipment purchased under this Agreement and maintain each piece of equipment in good operating order consistent with the purposes for which they were intended. SANDAG shall have the right to conduct periodic maintenance inspections to confirm the equipment's existence, condition, and proper maintenance.

VII. ETHICS

A. Subgrantee Code of Conduct/Standards of Conduct

The Subgrantee agrees to maintain a written code of conduct or standards of conduct that shall govern the actions of its officers, employees, council or board members, or agents engaged in the award or administration of subagreements, leases, or third-party contracts supported with the grant funding. The Subgrantee agrees that its code of conduct or standards of conduct shall specify that its officers, employees, council or board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, or third-party contractor at any tier or agent thereof. The Subgrantee may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. The Subgrantee agrees that its code of conduct or standards of conduct shall also prohibit its officers, employees, board members, or agents from using their respective positions in a manner that presents a real or apparent personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, the Subgrantee agrees that its code of conduct or standards of conduct shall include penalties, sanctions, or other disciplinary actions for violations by its officers, employees, council or board members, or their agents, or its third-party contractors or subcontractors or their agents.

B. Personal Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall prohibit the Subgrantee's employees, officers, council or board members, or agents from participating in the selection, award, or administration of any third-party contract or subagreement supported by the grant funding if a real or apparent conflict of interest would be involved. Such a conflict would arise when an employee, officer, board member, or agent, including any member of their immediate family, partner, or organization that employs, or intends to employ, any of the parties listed herein have a financial interest in a firm competing for award.

C. Organizational Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract or subagreement may, without some restrictions on future activities, result in an unfair competitive advantage to the third-party contractor or subcontractor or impair its objectivity in performing the contract work.

D. SANDAG Code of Conduct

SANDAG has established policies concerning potential conflicts of interest. These policies apply to Subgrantee. For all awards by SANDAG, any practices that might result in unlawful activity are prohibited including, but not limited to, rebates, kickbacks, or other unlawful considerations. SANDAG staff members are specifically prohibited from participating in the selection process when those staff have a close personal relationship, family relationship, or past (within the last 12 months), present, or potential business or employment relationship with a person or business entity seeking a contract with SANDAG. It is unlawful for any contract to be made by SANDAG if any individual Board member or staff has a prohibited financial interest in the contract. Staff also are prohibited from soliciting or accepting gratuities from any organization seeking funding from SANDAG. SANDAG's officers, employees, agents, and board members shall not solicit or accept gifts, gratuities, favors, or anything of monetary value from consultants, potential consultants, or parties to subagreements. By signing this Agreement, Subgrantee affirms that it has no knowledge of an ethical violation by SANDAG staff or Subgrantee. If Subgrantee has any reason to believe a conflict of interest exists concerning the Agreement or the Project, it shall notify the SANDAG Office of General Counsel immediately.

E. Bonus or Commission

The Subgrantee affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its grant funding application for the Project.

F. False or Fraudulent Statements or Claims

The Subgrantee acknowledges and agrees that by executing the Agreement for the Project, the Subgrantee certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project, including, but not limited to, the Subgrantee's grant application, progress reports, and invoices.

VIII. PAYMENTS

A. Type of Payment

The payment type for this Agreement will be reimbursement and will be based on actual, substantiated, and allowable costs described herein.

B. Alternate Payee

If the Subgrantee designates a party as an Alternate Payee, Alternate Payee is authorized to submit payment requests directly to SANDAG to receive reimbursement for allowable Project costs. This does not alleviate Subgrantee from all obligations under this Grant Agreement.

C. Invoicing

Subgrantee or Alternate Payee is required to submit invoices quarterly using a template provided by SANDAG. Invoices must be accompanied by a quarterly report (template to be provided by SANDAG). SANDAG will make payments for eligible amounts to Subgrantee or Alternate Payee as promptly as SANDAG fiscal procedures permit upon receipt of Subgrantee's or Alternate Payee's itemized signed invoice(s), backup, deliverables, and confirmation by the HAP Program Manager that Subgrantee is in compliance with the reporting and other requirements in this Agreement. SANDAG shall retain 10 percent from the amounts invoiced until the satisfactory completion of the Project. SANDAG shall promptly pay retention amounts to Subgrantee or Alternate Payee following satisfactory completion of the Scope of Work, including but not limited to receipt of all deliverables, completion of a final site visit, and notification that all labor compliance requirements have been met (for capital projects), the final invoice, and all required documentation.

D. Eligible Costs

The Subgrantee agrees that Project costs eligible for grant funding must comply with the following requirements unless SANDAG determines otherwise in writing. To be eligible for reimbursement, Project costs must be:

1. Consistent with the Project Scope of Work, Schedule, and Project Budget, and other provisions of the Agreement.
2. Necessary to accomplish the Project.
3. Reasonable for the goods or services purchased.
4. Actual net costs to the Subgrantee (i.e., the price paid minus any refunds, rebates, or other items of value received by the Subgrantee that reduces the cost actually incurred, excluding program income). Project-generated revenue realized by the Subgrantee shall be used to support the Project. Project-generated revenue and expenditures, if any, shall be reported at the end of the Agreement period.
5. Incurred for work performed on or after the Agreement effective date and before the termination date, and also must have been paid for by the Subgrantee.
6. Satisfactorily documented with supporting documentation, which will be submitted with each invoice. Copies of invoices are required for goods or services provided by third parties.
7. Treated consistently following generally accepted accounting principles and procedures for the Subgrantee and any third-party contractors and subcontractors, (see Section entitled "Accounting Records").
8. Eligible for grant funding as part of the grant program through which the funds were awarded.

E. Excluded Costs

In determining the amount of REAP funds SANDAG will provide for the Project, SANDAG will exclude the following:

1. Any Project cost incurred by the Subgrantee before the Effective Date of the Agreement or applicable Amendment.
2. Any cost that is not included in the Project Budget.
3. Any cost for Project property or services received in connection with a subagreement, lease, third-party contract, or other arrangement that is required to be, but has not been, concurred in or approved in writing by SANDAG.
4. Any cost ineligible for SANDAG participation as provided by applicable laws, regulations, or policies.
5. Any cost incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved (any indirect cost). Typical indirect costs include facilities and administration costs such as heat/air conditioning, lighting, payroll, and the entity's accounting system. Administrative costs such as clerical and support staff salaries are often treated as indirect costs.

The Subgrantee understands and agrees that payment to the Subgrantee for any Project cost does not constitute SANDAG's final decision about whether that cost is allowable and eligible for payment under the Project and does not constitute a waiver of any violation by the Subgrantee of the terms of this Agreement or Board Policy No. 035. The Subgrantee acknowledges that SANDAG will not make a final determination about the allowability and eligibility of any cost until the final payment has been made on the Project or the results of an audit of the Project requested by SANDAG have been completed, whichever occurs latest. If SANDAG determines that the Subgrantee is not entitled to receive any portion of the grant funding requested or paid, SANDAG will notify the Subgrantee in writing, stating its reasons. The Subgrantee agrees that Project closeout will not alter the Subgrantee's responsibility to return any funds due to SANDAG as a result of later refunds, corrections, performance deficiencies, or other similar actions; nor will Project closeout alter SANDAG's right to disallow costs and recover funds provided for the Project on the basis of a later audit or other review. Upon notification to the Subgrantee that specific amounts are owed to SANDAG, whether for excess payments of grant funding, disallowed costs, or funds recovered from third parties or elsewhere, the Subgrantee agrees to promptly remit to SANDAG the amounts owed, including applicable interest, penalties and administrative charges.

IX. ACCOUNTING, REPORTING, RECORD RETENTION, AND ACCESS

A. Project Accounts

The Subgrantee and Alternate Payee agree to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The Subgrantee and Alternate Payee also agree to maintain documentation of all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents related in whole or in part to the Project so that they may be clearly identified, readily accessible, and available to SANDAG upon request and, to the extent feasible, kept separate from documents not related to the Project.

B. Reports

1. The Subgrantee agrees to submit to SANDAG all reports required by law and regulation, policy, this Agreement, or any other reports SANDAG may specify. SANDAG reserves the right to specify that records be submitted in particular formats. Subgrantee may be required to attend meetings of SANDAG staff and committees, including but not limited to the Regional Planning

Committee and the SANDAG Board of Directors, to report on its progress and respond to questions from Board Members or the public.

2. Subgrantee's performance shall be monitored for consistency with the Scope of Work. SANDAG will utilize Performance Measures (Attachment D) and the SANDAG Grant Monitoring Checklist provided by the HAP Program Manager, to document compliance with this Agreement. Subgrantee's performance will be measured against the Performance Measures during the term of this Agreement. If the Subgrantee does not comply with provisions in this Agreement or achieve minimum performance requirements, SANDAG will issue Subgrantee a written Notice to Complete a Recovery Plan (Notice). Subgrantee's Recovery Plan shall include a detailed description of how Subgrantee intends to come into compliance with the Agreement or Performance Measures. Subgrantee's Recovery Plan must include an implementation schedule that reflects compliance with the Agreement as referenced in the Notice, or achievement of its performance measure minimums within three months following the issue date of the Notice. Subgrantee must submit its Recovery Plan to the HAP Program Manager within 30 calendar days following the issue date of the Notice. If Subgrantee's performance is inconsistent with that proposed in its Recovery Plan, SANDAG, in its sole discretion, may terminate this Agreement.
3. Subgrantee must submit quarterly reports and invoices to SANDAG, detailing accomplishments in the quarter, anticipated progress next quarter, pending issues and actions toward resolution, and status of the Project's budget, schedule, and Performance Measures using templates provided by SANDAG. The Quarterly Progress Report shall be submitted to SANDAG within 30 days after each period close, covering January 1 to March 31; April 1 to June 30; July 1 to September 30; and October 1 to December 31. Subgrantee will not be paid until all reports are completed and provided to SANDAG in the format and with the content SANDAG requires. Furthermore, the Subgrantee agrees to provide project milestone information (such as presentations to community groups, other agencies, and elected officials, groundbreakings, and ribbon-cuttings) to support media and communications efforts. Subgrantee needs to document and track in-kind contributions designated as matching funds as part of project management. Subgrantee must provide all deliverables identified in the Scope of Work in order to receive payment.
4. Press materials shall be provided to SANDAG staff before they are distributed. SANDAG logo(s) should be included in press materials and other project collateral based on logo usage guidelines to be provided by SANDAG. Subgrantee agrees to provide project milestone information to support media and communications efforts.
5. Subgrantee is responsible for the following photo documentation:
 - Existing conditions photos (as applicable), which should illustrate the current conditions of the project site and demonstrate the need for improved facilities
 - Project milestone photos (such as workshops, presentations to community groups, other agencies, and elected officials)
 - Photos should be high resolution (at least 4 inches by 6 inches with a minimum of 300 pixels per inch) and be accompanied by captions with project descriptions, dates, locations, and the names of those featured, if appropriate. Subgrantees must obtain consent of all persons featured in photos (or that of a parent or guardian of persons under the age of 18) by using the SANDAG Photo and Testimonial Release form to be provided by SANDAG, or a similar release form developed by Subgrantee and agreed upon by SANDAG.

C. Record Retention

During the course of the Project and for three years thereafter from the date of transmission of the final invoice, the Subgrantee agrees to maintain, intact and readily accessible, all communications, data, documents, reports, records, contracts, and supporting materials relating to the Project, as SANDAG may require. All communications and information provided to SANDAG become the property of SANDAG and public records, as such, may be subject to public review. Please see SANDAG's Board Policy No. 015: Records Management Policy, which is available at <https://www.sandag.org/about/bylaws-and-policies>, for information regarding the treatment of documents designated as confidential.

D. Meeting Records

Subgrantee shall provide SANDAG with agendas and meeting summaries for all community meetings. SANDAG staff may attend any meetings as appropriate.

E. Access to Records of Subgrantees and Subcontractors

The Subgrantee agrees to permit, and require its subcontractors to permit, SANDAG or its authorized representatives, upon request, to inspect all Project work, materials, payrolls, and other data, and to audit the books, records, and accounts of the Subgrantee and its subcontractors pertaining to the Project.

X. PROJECT COMPLETION, AUDIT, SETTLEMENT, AND CLOSEOUT

A. Project Completion

Within 90 calendar days following Project completion or termination by SANDAG, or by April 30, 2026, whichever occurs first, the Subgrantee agrees to submit a final invoice of Project expenses and final reports, as applicable. All payments made to the Subgrantee shall be subject to review for compliance by SANDAG with the requirements of this Agreement and shall be subject to an audit upon completion of the Project.

B. Project Audit

The Subgrantee agrees to have financial, performance, and compliance audits performed as SANDAG may require. The Subgrantee agrees that Project closeout will not alter the Subgrantee's audit responsibilities. Audit costs are allowable Project costs.

C. Performance Audit

The Subgrantee agrees to cooperate with SANDAG regarding any performance audit performed on the Project.

D. Project Closeout

Project closeout occurs when SANDAG notifies the Subgrantee that SANDAG has closed the Project, and, if applicable, either forwards the final grant funding payment and or acknowledges that the Subgrantee has remitted the proper refund. The Subgrantee agrees that Project closeout by SANDAG does not invalidate any continuing requirements imposed by the Agreement or any unmet requirements outlined in a written notification from SANDAG.

XI. TIMELY PROGRESS AND RIGHT OF SANDAG TO TERMINATE

- A.** Subgrantee shall make diligent and timely progress toward completion of the Project within the timelines outlined in the Project Schedule.
- B.** In the event Subgrantee encounters or anticipates difficulty in meeting the Project Schedule, the Subgrantee shall immediately notify the HAP Program Manager in writing, and shall provide pertinent details, including the reason(s) for the delay in performance and the date by which Subgrantee expects to complete performance or delivery. This notification shall be informational in character only and receipt of it shall not be construed as a waiver by SANDAG of a project delivery schedule or date, or any rights or remedies provided by this Agreement, including Board Policy No. 035 requirements.
- C.** Subgrantee agrees that SANDAG, at its sole discretion, may suspend or terminate all or any part of the grant funding if the Subgrantee fails to make reasonable progress on the Project and/or violates the terms of the Agreement or Board Policy No. 035, or if SANDAG determines that the continuation of grant funding for the Project would not adequately serve the purpose of the laws or policies authorizing the Project.
- D.** In general, termination of grant funding for the Project will not invalidate obligations properly incurred by the Subgrantee before the termination date to the extent those obligations cannot be canceled. If, however, SANDAG determines that the Subgrantee has willfully misused grant funding by failing to make adequate progress or failing to comply with the terms of the Agreement, SANDAG reserves the right to require the Subgrantee to refund to SANDAG the entire amount of grant funding provided for the Project or any lesser amount as SANDAG may determine.
- E.** Expiration of any Project time period established in the Project Schedule will not automatically constitute an expiration or termination of the Agreement for the Project. However, Subgrantee must request, and SANDAG may agree to amend the Agreement in writing if the Project Schedule will not be met. An amendment to the Project Schedule may be made at SANDAG's discretion if Subgrantee's request is consistent with the provisions of Board Policy No. 035 and the REAP 2.0 requirements, including the expenditure deadline set by the state for the REAP 2.0 program.

XII. CIVIL RIGHTS

The Subgrantee agrees to comply with all applicable civil rights laws, regulations and policies and shall include the provisions of this section in each subagreement, lease, third-party contract or other legally binding document to perform work funded by this Agreement. Applicable civil rights laws, regulations and policies include, but are not limited to, the following:

A. Nondiscrimination

SANDAG implements its programs without regard to income level, disability, race, color, and national origin in compliance with the Americans with Disabilities Act and Title VI of the Civil Rights Act. Subgrantee shall prohibit discrimination on these grounds, notify the public of their rights under these laws, and utilize a process for addressing complaints of discrimination. Furthermore, Subgrantee shall make the procedures for filing a complaint available to members of the public and will keep a log of all such complaints. Subgrantee must notify SANDAG immediately if a complaint related to the Project or program funded by this grant is lodged. If Subgrantee receives a Title VI-related or ADA-related complaint, Subgrantee must notify SANDAG in writing within 72 hours of receiving the complaint so that SANDAG can determine whether it needs to carry out its own investigation.

B. Equal Employment Opportunity

During the performance of this Agreement, Subgrantee and all of its subcontractors, if any, shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, denial of family and medical care leave, denial of pregnancy disability leave, veteran status, or sexual orientation. Subgrantee and its subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Scope of Work and Budget

Applicant Name: City of San Diego

Project Title: City Affordable Home Master Plan

Part I: Project Overview

Project Location: Citywide

Brief Project Summary: The grant funding and the City's \$300,000 matching funds from GPMF will further the City's ongoing efforts to accelerate home production through the assessment of to-be-determined City-owned sites for home development. With funding provided by SANDAG's Housing Acceleration Program Cycle 1, the Planning Department began studying the viability of utilizing City-owned land for homes by creating a framework for the identification of ideal sites for residential development. An operational needs assessment was then performed to discern which municipal departments would be most affected by residential development on city owned property and to identify any foreseeable issues with redevelopment. Upon completion of this work, the City will have a prioritized list of publicly owned sites best suited for residential development.

The City Affordable Home Master Plan proposal will build upon the progress achieved during Cycle 1 and begin to prepare the prioritized sites for development. The preparation process will include conducting site-specific housing development analyses and the creation of a housing typology capacity framework that addresses market-rate, deed-restricted, permanent supportive, and transitional housing. Additionally, this phase of the project will include developing a facility-focused operational needs-based analysis that will serve as a planning document for the transition of existing City department resources to new locations. Additionally, the City Affordable Home Master Plan will also include an in-depth analysis on developing new facilities for populations experiencing homelessness. This analysis will include identifying potential shelter sites and working with relevant partners to establish new homes and services for the unsheltered. All work associated with this phase of the project will be performed in accordance with the Surplus Land Act (SLA).

MID-CITY COMMUNITIES PLAN UPDATE REGIONAL EARLY ACTION PROGRAM 2.0
HOUSING ACCELERATION GRANT PROGRAM – CYCLE 2**

SANDAG CONTRACT NO. 6000329

THIS GRANT AGREEMENT (“Agreement”) is made and entered into effective as of the last signature date below, by and between the San Diego Association of Governments (“SANDAG”) and City of San Diego (“Subgrantee”). This Agreement expires on March 31, 2026, unless amended in writing by mutual agreement of the parties.

The following recitals are a substantive part of this Agreement:

- A.** In January 2010, the SANDAG Board of Directors approved Board Policy No. 035: Competitive Grant Program Procedures, which is available in its updated version at <https://www.sandag.org/about/bylaws-and-policies>. This Agreement and the Subgrantee’s performance are subject to Board Policy No. 035, which includes multiple “use it or lose it” provisions.
- B.** In 2019, the state legislature passed Assembly Bill 101, which created state grant fund programs to distribute one-time funding to regional entities to prioritize planning activities that accelerate housing production. Thereafter, the California Department of Housing and Community Development (HCD) established the Regional Early Action Planning grant program (REAP), which allocated \$6.8 million to SANDAG. Using these grant funds, SANDAG established a regional housing incentive program to collaborate on projects with a broader regional impact on housing.
- C.** REAP 2.0 was established as part of the 2021 California Comeback Plan under Assembly Bill 140, and HCD allocated SANDAG \$43 million. REAP 2.0 builds on the success of REAP 1.0 and expands the REAP program focus by addressing housing and climate goals in California through funding planning and capital activities related to the acceleration of housing production within infill areas that affirmatively further fair housing and reduce vehicle miles traveled.
- D.** On October 28, 2022, the SANDAG Board of Directors approved the program eligibility and evaluation criteria for the Housing Acceleration Program (HAP) Cycle 2 Call for Projects, including up to \$16 million in funding from REAP 2.0.
- E.** On May 7, 2023, SANDAG issued a call for projects from local jurisdictions in San Diego County that wish to apply for a portion of the HAP Cycle 2 funds for use on housing planning and capital improvement projects meeting certain criteria.
- F.** On October 13, 2023, the SANDAG Board of Directors approved a list of recommended HAP projects for this competitive grant cycle, and one of those projects is the subject of this Agreement (Project). The Project Scope of Work and Budget, and Project Schedule are included as Attachments A and B, respectively.
- G.** The purpose of this Agreement is to establish the terms and conditions for SANDAG to provide Subgrantee with funding to implement the Project.
- H.** Although SANDAG will provide financial assistance to Subgrantee to support the Project, SANDAG will not take an active role or retain substantial control of the Project. Therefore, this Agreement is characterized as a funding agreement rather than a cooperative agreement.

- I. Subgrantee understands that REAP 2.0 funds were granted from HCD with statutory requirements and a SANDAG expenditure deadline of June 30, 2026. The SANDAG funding commitment to HAP Projects, including this Project, is subject to those statutory requirements and deadlines, which may impact funding availability for this Project.

NOW, THEREFORE, it is agreed as follows:

I. GRANT AWARD

- A. The total amount payable by SANDAG to Subgrantee under this Agreement shall be the proportion of actual Project costs allocated to grant funding in the Project Budget (Attachment A) and shall not exceed the grant award of \$650,000 (Fund Limit).
- B. It is agreed and understood that this Agreement Fund Limit is a ceiling and that SANDAG will only reimburse the allowable cost of services rendered as authorized by SANDAG at or below the Fund Limit.

II. PROJECT BUDGET

The Subgrantee and SANDAG have agreed to a Project Budget outlined in Attachment A. The Subgrantee and third-party contractor(s) will incur obligations to the Project only as authorized by the Project Budget. Subgrantee may, with prior written approval from the HAP Program Manager, reallocate funds between tasks in the Project Budget as long as all of the following conditions are met:

1. The funds to be reallocated do not exceed an aggregate amount of ten percent for any particular task in the Project Budget,
2. The reallocation does not negatively impact the benefits obtained from the Project, and
3. There is no increase to the Fund Limit or decrease to the matching funds.

Any other changes to the Project Budget require the issuance of an amendment to this Agreement.

III. MATCHING FUNDS

Subgrantee agrees to provide matching funds in an amount of \$100,000 of the actual cost of the Project, estimated to be 13.33 percent based on the Project Budget. If the actual cost of the Project exceeds the Project Budget, Subgrantee is responsible for 100 percent of the actual cost greater than the Project Budget.

A. Availability of Grant Funding

Except where expressly allowed in writing herein, credits for matching funds will be made or allowed only for work performed on and after the Agreement effective date and before the termination date of this Agreement, unless expressly permitted by SANDAG in writing.

B. Reduction of Matching Funds

The Subgrantee agrees that no matching funds may be reduced unless a reduction of the proportional share of the grant funding provided by SANDAG under this Agreement is also made.

C. Prompt Payment of Subgrantee's Share of Matching Funds

Subgrantee agrees to complete all actions necessary to provide its share of the Project costs at or before the time the matching funds are needed from Subgrantee to pay for Project costs. The

Subgrantee agrees to provide not less than its cumulative required match amount of Project costs prior to invoicing SANDAG for reimbursement. Each of Subgrantee's invoices must include its matching fund contribution, along with supporting, descriptive and explanatory documentation for the matching funds provided.

IV. PROJECT MANAGER

Subgrantee's Project Manager is Alex Frost.

The HAP Program Manager is Goldy Herbon.

Project Manager continuity and experience are deemed essential in Subgrantee's ability to carry out the Project under the terms of this Agreement. Should the Subgrantee change the Project Manager, it will provide written notice to the HAP Program Manager within ten business days of the change, including contact information for the new Project Manager.

V. NOTICE

VI. PROJECT IMPLEMENTATION

A. General

The Subgrantee agrees to carry out the Project as follows:

1. Project Description

Subgrantee agrees to perform the work as described in the Scope of Work included in Attachment A.

2. Subgrantee's Capacity

The Subgrantee agrees to maintain or acquire sufficient legal, financial, technical, and managerial capacity to: (a) plan, manage, and complete the Project as described in Attachment A and provide for the use of any Project property; (b) carry out any safety and security aspects of the Project; and (c) comply with the terms of the Agreement and all applicable laws, regulations, and policies pertaining to the Project and the Subgrantee, including but not limited to the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

3. Project Schedule

The Subgrantee agrees to complete the Project according to the Project Schedule included in Attachment B and in compliance with the Pass-Through Provisions from REAP Agreement (Attachment C) and Board Policy No. 035.

4. Project Implementation and Oversight Requirements

Subgrantee agrees to comply with the Performance Measures included in Attachment D.

5. Changes to Project Scope of Work

This Agreement was awarded to Subgrantee based on the application submitted by Subgrantee with the intention that the awarded funds would be used to implement the Project as described in the project application. Any substantive deviation from Subgrantee's Scope of Work during project implementation may require reevaluation or result in loss of funding. If Subgrantee knows or should have known that substantive changes to the Project will occur or have occurred, Subgrantee will immediately notify SANDAG in writing. SANDAG will then determine whether the Project is still consistent with the overall objectives of the grant program and whether the changes would have negatively affected the Project ranking during the competitive grant evaluation process. SANDAG reserves the right to have grant funding withheld from Subgrantee, or refunded to SANDAG, due to Subgrantee's failure to complete the Project satisfactorily or due to substantive changes to the Project not approved in advance by SANDAG.

B. Application of Laws

Should a federal or state law pre-empt or conflict with a local law, policy, or ordinance, the Subgrantee must comply with the federal or state law and implementing regulations. No provision of this Agreement requires the Subgrantee to observe or enforce compliance with any provision, perform any other act, or do any other task in contravention of federal, state, territorial, or local law, regulation, or ordinance. If compliance with any provision of this Agreement violates or would require the Subgrantee to violate any law, the Subgrantee agrees to notify SANDAG immediately in writing. Should this occur, SANDAG and the Subgrantee agree to make appropriate arrangements to proceed with or, if necessary, terminate the Project or affected portions expeditiously.

C. Changes in Project Performance

The Subgrantee agrees to notify SANDAG immediately, in writing, of any change in local law, conditions (including its legal, financial, or technical capacity), or any other event, including a force majeure event, that may adversely affect the Subgrantee's ability to perform the Project under the terms of the Agreement and as required by Board Policy No. 035. The Subgrantee also agrees to notify SANDAG immediately, in writing, of any current or prospective major dispute, breach, default, or litigation that may adversely affect SANDAG's interests in the Project; and agrees to inform SANDAG, also in writing, before naming SANDAG as a party to litigation for any reason, in any forum. At a minimum, the Subgrantee agrees to send each notice to SANDAG required by this subsection to SANDAG's Grants Program Manager.

D. Licenses and Permits

Subgrantee represents and warrants to SANDAG that Subgrantee and its subcontractors will have all necessary licenses, permits, qualifications and approvals of whatever nature that are required to legally practice its profession and perform services under this Agreement at all times during the term of this Agreement.

E. Standard of Care

Subgrantee expressly warrants that the work to be performed under this Agreement shall be performed in accordance with the applicable standard of care. Where approval by SANDAG, its management, or other representative of SANDAG is indicated in the Scope of Work, it is understood to be conceptual approval only and does not relieve the Subgrantee of responsibility for complying with all laws, codes, industry standards, and liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of the Subgrantee or its subcontractors.

F. Third-Party Contracting

Although the Subgrantee may delegate any or almost all Project responsibilities to one or more third-party contractors, the Subgrantee agrees that it, rather than any third-party contractor, is ultimately responsible for compliance with all applicable laws, regulations, and this Agreement. The first invoice utilizing any third-party contractor shall be accompanied by evidence of compliance with the following requirements:

1. Competitive Procurement

Subgrantee shall not award contracts with a cumulative value over \$10,000 based on a noncompetitive procurement for work to be performed under this Agreement without the prior written approval of SANDAG. Contracts awarded by Subgrantee, if intended as local match credit, must meet the requirements outlined in this Agreement regarding local match funds. Upon request by SANDAG, Subgrantee shall submit its Request for Proposals or bid solicitation documents to SANDAG staff for review and comment for consistency with the agreed upon Scope of Work with SANDAG and to ensure a competitive process was used.

If Subgrantee hires a third-party contractor to carry out work funded under this Agreement, Subgrantee shall: prepare a cost estimate prior to soliciting proposals/bids; publicly advertise for competing proposals/bids for the work; for professional services, use cost as a significant evaluation factor in selecting the third-party contractor; document a record of negotiation establishing that the amount paid by Subgrantee for the work is fair and reasonable; and pass through the relevant obligations in this Agreement to the contractor.

2. Debarment

Subgrantee shall execute and cause its third-party contractors to execute debarment and suspension certificates stating they have not been disqualified from doing business with government entities. The documentation showing a lack of debarment shall be obtained from the following two websites:

- Subgrantee will check the System for Award Management (SAM) at www.sam.gov to verify the prime contractor and all of its subcontractors are not currently debarred or suspended by the federal government.
- Entities in the United States are banned from doing business with companies with ownership based in countries such as Cuba, Sudan and China due to United States trade sanctions. A search on the US Treasury's Office of Foreign Assets Control (OFAC) website can ensure Subgrantee will not be doing business with a vendor that is subject to trade sanctions. This can be done at <https://sanctionssearch.ofac.treas.gov/>.

3. Flowdown

Subgrantee agrees to take appropriate measures necessary, including the execution of a subagreement, lease, third-party contract, or other, to ensure that all Project participants, including alternate payees or third-party contractors at any tier, comply with all applicable federal laws, regulations, policies affecting Project implementation and Agreement requirements. In addition, if an entity other than the Subgrantee is expected to fulfill any responsibilities typically performed by the Subgrantee, the Subgrantee agrees to assure that the entity carries out the Subgrantee's responsibilities as outlined in this Agreement, including but not limited to those in Attachment C.

4. No SANDAG Obligations to Third Parties

In connection with the Project, the Subgrantee agrees that SANDAG shall not be subject to any obligations or liabilities to any subcontractor, lessee, third-party contractor at any tier, or other person or entity that is not a party to the Agreement for the Project. Notwithstanding that SANDAG may have concurred in or approved any solicitation, subagreement, lease, alternate payee designation, or third-party contract at any tier, SANDAG has no obligations or liabilities to any entity other than the Subgrantee.

5. Equipment Purchases

Subgrantee shall maintain ownership of any equipment purchased using Agreement funding and shall use such equipment only for the purposes outlined in this Agreement. The parties agree to meet and confer in good faith to ensure the equipment's continued use for the intended purposes, which may include reimbursement to SANDAG when the fair market value of the equipment at Project completion exceeds \$5,000. SANDAG and Subgrantee further agree that Subgrantee shall keep an inventory record for each piece of equipment purchased under this Agreement and maintain each piece of equipment in good operating order consistent with the purposes for which they were intended. SANDAG shall have the right to conduct periodic maintenance inspections to confirm the equipment's existence, condition, and proper maintenance.

VII. ETHICS

A. Subgrantee Code of Conduct/Standards of Conduct

The Subgrantee agrees to maintain a written code of conduct or standards of conduct that shall govern the actions of its officers, employees, council or board members, or agents engaged in the award or administration of subagreements, leases, or third-party contracts supported with the grant funding. The Subgrantee agrees that its code of conduct or standards of conduct shall specify that its officers, employees, council or board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, or third-party contractor at any tier or agent thereof. The Subgrantee may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. The Subgrantee agrees that its code of conduct or standards of conduct shall also prohibit its officers, employees, board members, or agents from using their respective positions in a manner that presents a real or apparent personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, the Subgrantee agrees that its code of conduct or standards of conduct shall include penalties, sanctions, or other disciplinary actions for violations by its officers, employees, council or board members, or their agents, or its third-party contractors or subcontractors or their agents.

B. Personal Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall prohibit the Subgrantee's employees, officers, council or board members, or agents from participating in the selection, award, or administration of any third-party contract or subagreement supported by the grant funding if a real or apparent conflict of interest would be involved. Such a conflict would arise when an employee, officer, board member, or agent, including any member of their immediate family, partner, or organization that employs, or intends to employ, any of the parties listed herein have a financial interest in a firm competing for award.

C. Organizational Conflicts of Interest

The Subgrantee agrees that its code of conduct or standards of conduct shall include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract or subagreement may, without some restrictions on future activities, result in an unfair competitive advantage to the third-party contractor or subcontractor or impair its objectivity in performing the contract work.

D. SANDAG Code of Conduct

SANDAG has established policies concerning potential conflicts of interest. These policies apply to Subgrantee. For all awards by SANDAG, any practices that might result in unlawful activity are prohibited including, but not limited to, rebates, kickbacks, or other unlawful considerations. SANDAG staff members are specifically prohibited from participating in the selection process when those staff have a close personal relationship, family relationship, or past (within the last 12 months), present, or potential business or employment relationship with a person or business entity seeking a contract with SANDAG. It is unlawful for any contract to be made by SANDAG if any individual Board member or staff has a prohibited financial interest in the contract. Staff also are prohibited from soliciting or accepting gratuities from any organization seeking funding from SANDAG. SANDAG's officers, employees, agents, and board members shall not solicit or accept gifts, gratuities, favors, or anything of monetary value from consultants, potential consultants, or parties to subagreements. By signing this Agreement, Subgrantee affirms that it has no knowledge of an ethical violation by SANDAG staff or Subgrantee. If Subgrantee has any reason to believe a conflict of interest exists concerning the Agreement or the Project, it shall notify the SANDAG Office of General Counsel immediately.

E. Bonus or Commission

The Subgrantee affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its grant funding application for the Project.

F. False or Fraudulent Statements or Claims

The Subgrantee acknowledges and agrees that by executing the Agreement for the Project, the Subgrantee certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project, including, but not limited to, the Subgrantee's grant application, progress reports, and invoices.

VIII. PAYMENTS

A. Type of Payment

The payment type for this Agreement will be reimbursement and will be based on actual, substantiated, and allowable costs described herein.

B. Alternate Payee

If the Subgrantee designates a party as an Alternate Payee, Alternate Payee is authorized to submit payment requests directly to SANDAG to receive reimbursement for allowable Project costs. This does not alleviate Subgrantee from all obligations under this Grant Agreement.

C. Invoicing

Subgrantee or Alternate Payee is required to submit invoices quarterly using a template provided by SANDAG. Invoices must be accompanied by a quarterly report (template to be provided by SANDAG). SANDAG will make payments for eligible amounts to Subgrantee or Alternate Payee as promptly as SANDAG fiscal procedures permit upon receipt of Subgrantee's or Alternate Payee's itemized signed invoice(s), backup, deliverables, and confirmation by the HAP Program Manager that Subgrantee is in compliance with the reporting and other requirements in this Agreement. SANDAG shall retain 10 percent from the amounts invoiced until the satisfactory completion of the Project. SANDAG shall promptly pay retention amounts to Subgrantee or Alternate Payee following satisfactory completion of the Scope of Work, including but not limited to receipt of all deliverables, completion of a final site visit, and notification that all labor compliance requirements have been met (for capital projects), the final invoice, and all required documentation.

D. Eligible Costs

The Subgrantee agrees that Project costs eligible for grant funding must comply with the following requirements unless SANDAG determines otherwise in writing. To be eligible for reimbursement, Project costs must be:

1. Consistent with the Project Scope of Work, Schedule, and Project Budget, and other provisions of the Agreement.
2. Necessary to accomplish the Project.
3. Reasonable for the goods or services purchased.
4. Actual net costs to the Subgrantee (i.e., the price paid minus any refunds, rebates, or other items of value received by the Subgrantee that reduces the cost actually incurred, excluding program income). Project-generated revenue realized by the Subgrantee shall be used to support the Project. Project-generated revenue and expenditures, if any, shall be reported at the end of the Agreement period.
5. Incurred for work performed on or after the Agreement effective date and before the termination date, and also must have been paid for by the Subgrantee.
6. Satisfactorily documented with supporting documentation, which will be submitted with each invoice. Copies of invoices are required for goods or services provided by third parties.
7. Treated consistently following generally accepted accounting principles and procedures for the Subgrantee and any third-party contractors and subcontractors, (see Section entitled "Accounting Records").
8. Eligible for grant funding as part of the grant program through which the funds were awarded.

E. Excluded Costs

In determining the amount of REAP funds SANDAG will provide for the Project, SANDAG will exclude the following:

1. Any Project cost incurred by the Subgrantee before the Effective Date of the Agreement or applicable Amendment.
2. Any cost that is not included in the Project Budget.
3. Any cost for Project property or services received in connection with a subagreement, lease, third-party contract, or other arrangement that is required to be, but has not been, concurred in or approved in writing by SANDAG.
4. Any cost ineligible for SANDAG participation as provided by applicable laws, regulations, or policies.
5. Any cost incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved (any indirect cost). Typical indirect costs include facilities and administration costs such as heat/air conditioning, lighting, payroll, and the entity's accounting system. Administrative costs such as clerical and support staff salaries are often treated as indirect costs.

The Subgrantee understands and agrees that payment to the Subgrantee for any Project cost does not constitute SANDAG's final decision about whether that cost is allowable and eligible for payment under the Project and does not constitute a waiver of any violation by the Subgrantee of the terms of this Agreement or Board Policy No. 035. The Subgrantee acknowledges that SANDAG will not make a final determination about the allowability and eligibility of any cost until the final payment has been made on the Project or the results of an audit of the Project requested by SANDAG have been completed, whichever occurs latest. If SANDAG determines that the Subgrantee is not entitled to receive any portion of the grant funding requested or paid, SANDAG will notify the Subgrantee in writing, stating its reasons. The Subgrantee agrees that Project closeout will not alter the Subgrantee's responsibility to return any funds due to SANDAG as a result of later refunds, corrections, performance deficiencies, or other similar actions; nor will Project closeout alter SANDAG's right to disallow costs and recover funds provided for the Project on the basis of a later audit or other review. Upon notification to the Subgrantee that specific amounts are owed to SANDAG, whether for excess payments of grant funding, disallowed costs, or funds recovered from third parties or elsewhere, the Subgrantee agrees to promptly remit to SANDAG the amounts owed, including applicable interest, penalties and administrative charges.

IX. ACCOUNTING, REPORTING, RECORD RETENTION, AND ACCESS

A. Project Accounts

The Subgrantee and Alternate Payee agree to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The Subgrantee and Alternate Payee also agree to maintain documentation of all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents related in whole or in part to the Project so that they may be clearly identified, readily accessible, and available to SANDAG upon request and, to the extent feasible, kept separate from documents not related to the Project.

B. Reports

1. The Subgrantee agrees to submit to SANDAG all reports required by law and regulation, policy, this Agreement, or any other reports SANDAG may specify. SANDAG reserves the right to specify that records be submitted in particular formats. Subgrantee may be required to attend meetings of SANDAG staff and committees, including but not limited to the Regional Planning

Committee and the SANDAG Board of Directors, to report on its progress and respond to questions from Board Members or the public.

2. Subgrantee's performance shall be monitored for consistency with the Scope of Work. SANDAG will utilize Performance Measures (Attachment D) and the SANDAG Grant Monitoring Checklist provided by the HAP Program Manager, to document compliance with this Agreement. Subgrantee's performance will be measured against the Performance Measures during the term of this Agreement. If the Subgrantee does not comply with provisions in this Agreement or achieve minimum performance requirements, SANDAG will issue Subgrantee a written Notice to Complete a Recovery Plan (Notice). Subgrantee's Recovery Plan shall include a detailed description of how Subgrantee intends to come into compliance with the Agreement or Performance Measures. Subgrantee's Recovery Plan must include an implementation schedule that reflects compliance with the Agreement as referenced in the Notice, or achievement of its performance measure minimums within three months following the issue date of the Notice. Subgrantee must submit its Recovery Plan to the HAP Program Manager within 30 calendar days following the issue date of the Notice. If Subgrantee's performance is inconsistent with that proposed in its Recovery Plan, SANDAG, in its sole discretion, may terminate this Agreement.
3. Subgrantee must submit quarterly reports and invoices to SANDAG, detailing accomplishments in the quarter, anticipated progress next quarter, pending issues and actions toward resolution, and status of the Project's budget, schedule, and Performance Measures using templates provided by SANDAG. The Quarterly Progress Report shall be submitted to SANDAG within 30 days after each period close, covering January 1 to March 31; April 1 to June 30; July 1 to September 30; and October 1 to December 31. Subgrantee will not be paid until all reports are completed and provided to SANDAG in the format and with the content SANDAG requires. Furthermore, the Subgrantee agrees to provide project milestone information (such as presentations to community groups, other agencies, and elected officials, groundbreakings, and ribbon-cuttings) to support media and communications efforts. Subgrantee needs to document and track in-kind contributions designated as matching funds as part of project management. Subgrantee must provide all deliverables identified in the Scope of Work in order to receive payment.
4. Press materials shall be provided to SANDAG staff before they are distributed. SANDAG logo(s) should be included in press materials and other project collateral based on logo usage guidelines to be provided by SANDAG. Subgrantee agrees to provide project milestone information to support media and communications efforts.
5. Subgrantee is responsible for the following photo documentation:
 - Existing conditions photos (as applicable), which should illustrate the current conditions of the project site and demonstrate the need for improved facilities
 - Project milestone photos (such as workshops, presentations to community groups, other agencies, and elected officials)
 - Photos should be high resolution (at least 4 inches by 6 inches with a minimum of 300 pixels per inch) and be accompanied by captions with project descriptions, dates, locations, and the names of those featured, if appropriate. Subgrantees must obtain consent of all persons featured in photos (or that of a parent or guardian of persons under the age of 18) by using the SANDAG Photo and Testimonial Release form to be provided by SANDAG, or a similar release form developed by Subgrantee and agreed upon by SANDAG.

C. Record Retention

During the course of the Project and for three years thereafter from the date of transmission of the final invoice, the Subgrantee agrees to maintain, intact and readily accessible, all communications, data, documents, reports, records, contracts, and supporting materials relating to the Project, as SANDAG may require. All communications and information provided to SANDAG become the property of SANDAG and public records, as such, may be subject to public review. Please see SANDAG's Board Policy No. 015: Records Management Policy, which is available at <https://www.sandag.org/about/bylaws-and-policies>, for information regarding the treatment of documents designated as confidential.

D. Meeting Records

Subgrantee shall provide SANDAG with agendas and meeting summaries for all community meetings. SANDAG staff may attend any meetings as appropriate.

E. Access to Records of Subgrantees and Subcontractors

The Subgrantee agrees to permit, and require its subcontractors to permit, SANDAG or its authorized representatives, upon request, to inspect all Project work, materials, payrolls, and other data, and to audit the books, records, and accounts of the Subgrantee and its subcontractors pertaining to the Project.

X. PROJECT COMPLETION, AUDIT, SETTLEMENT, AND CLOSEOUT

A. Project Completion

Within 90 calendar days following Project completion or termination by SANDAG, or by April 30, 2026, whichever occurs first, the Subgrantee agrees to submit a final invoice of Project expenses and final reports, as applicable. All payments made to the Subgrantee shall be subject to review for compliance by SANDAG with the requirements of this Agreement and shall be subject to an audit upon completion of the Project.

B. Project Audit

The Subgrantee agrees to have financial, performance, and compliance audits performed as SANDAG may require. The Subgrantee agrees that Project closeout will not alter the Subgrantee's audit responsibilities. Audit costs are allowable Project costs.

C. Performance Audit

The Subgrantee agrees to cooperate with SANDAG regarding any performance audit performed on the Project.

D. Project Closeout

Project closeout occurs when SANDAG notifies the Subgrantee that SANDAG has closed the Project, and, if applicable, either forwards the final grant funding payment and or acknowledges that the Subgrantee has remitted the proper refund. The Subgrantee agrees that Project closeout by SANDAG does not invalidate any continuing requirements imposed by the Agreement or any unmet requirements outlined in a written notification from SANDAG.

XI. TIMELY PROGRESS AND RIGHT OF SANDAG TO TERMINATE

- A.** Subgrantee shall make diligent and timely progress toward completion of the Project within the timelines outlined in the Project Schedule.
- B.** In the event Subgrantee encounters or anticipates difficulty in meeting the Project Schedule, the Subgrantee shall immediately notify the HAP Program Manager in writing, and shall provide pertinent details, including the reason(s) for the delay in performance and the date by which Subgrantee expects to complete performance or delivery. This notification shall be informational in character only and receipt of it shall not be construed as a waiver by SANDAG of a project delivery schedule or date, or any rights or remedies provided by this Agreement, including Board Policy No. 035 requirements.
- C.** Subgrantee agrees that SANDAG, at its sole discretion, may suspend or terminate all or any part of the grant funding if the Subgrantee fails to make reasonable progress on the Project and/or violates the terms of the Agreement or Board Policy No. 035, or if SANDAG determines that the continuation of grant funding for the Project would not adequately serve the purpose of the laws or policies authorizing the Project.
- D.** In general, termination of grant funding for the Project will not invalidate obligations properly incurred by the Subgrantee before the termination date to the extent those obligations cannot be canceled. If, however, SANDAG determines that the Subgrantee has willfully misused grant funding by failing to make adequate progress or failing to comply with the terms of the Agreement, SANDAG reserves the right to require the Subgrantee to refund to SANDAG the entire amount of grant funding provided for the Project or any lesser amount as SANDAG may determine.
- E.** Expiration of any Project time period established in the Project Schedule will not automatically constitute an expiration or termination of the Agreement for the Project. However, Subgrantee must request, and SANDAG may agree to amend the Agreement in writing if the Project Schedule will not be met. An amendment to the Project Schedule may be made at SANDAG's discretion if Subgrantee's request is consistent with the provisions of Board Policy No. 035 and the REAP 2.0 requirements, including the expenditure deadline set by the state for the REAP 2.0 program.

XII. CIVIL RIGHTS

The Subgrantee agrees to comply with all applicable civil rights laws, regulations and policies and shall include the provisions of this section in each subagreement, lease, third-party contract or other legally binding document to perform work funded by this Agreement. Applicable civil rights laws, regulations and policies include, but are not limited to, the following:

A. Nondiscrimination

SANDAG implements its programs without regard to income level, disability, race, color, and national origin in compliance with the Americans with Disabilities Act and Title VI of the Civil Rights Act. Subgrantee shall prohibit discrimination on these grounds, notify the public of their rights under these laws, and utilize a process for addressing complaints of discrimination. Furthermore, Subgrantee shall make the procedures for filing a complaint available to members of the public and will keep a log of all such complaints. Subgrantee must notify SANDAG immediately if a complaint related to the Project or program funded by this grant is lodged. If Subgrantee receives a Title VI-related or ADA-related complaint, Subgrantee must notify SANDAG in writing within 72 hours of receiving the complaint so that SANDAG can determine whether it needs to carry out its own investigation.

B. Equal Employment Opportunity

During the performance of this Agreement, Subgrantee and all of its subcontractors, if any, shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, denial of family and medical care leave, denial of pregnancy disability leave, veteran status, or sexual orientation. Subgrantee and its subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. PASS-THROUGH PROVISIONS FROM REAP AGREEMENT

The following pages are labeled as REAP2 Terms and Conditions and are copies of Exhibit D to SANDAG's Agreement with HCD (HCD Agreement). The HCD Agreement requires compliance with the Local Government Planning Support Grant Program (Health & Safety Code §50515.06 et seq.) The REAP Terms and Conditions refer to SANDAG as Grantee. Section 9B of the document requires that if SANDAG enters into any contracts with subrecipients such as Subgrantee as a result of the HCD Agreement, such contract must contain all the provisions in the HCD Agreement.

EXHIBIT D - REAP2 TERMS AND CONDITIONS

1. Accounting and Records

- A. The Grantee, its employees, contractors, and subcontractors shall establish and maintain an accounting system and reports that properly accumulate incurred project costs by line. The accounting system shall conform to Generally Accepted Accounting Principles (GAAP), enable the determination of incurred costs at interim points of completion, and provide support for payment vouchers and invoices. Grantees may establish and maintain an accounting system and reports, as described above, on behalf of contractors and subcontractors.
- B. The Grantee must establish a separate ledger account for receipts and expenditures of grant funds and maintain expenditure details in accordance with the budget and timeline. Separate bank accounts are not required. As appropriate, Grantees must establish separate ledgers for State General funds and other funds associated with proposed uses not provided by the REAP 2.0 Program.
- C. The Grantee shall maintain documentation of its normal procurement policy and competitive bid process (including the use of sole source purchasing), and financial records of expenditures incurred during the course of the project in accordance with GAAP.
- D. The Grantee agrees that the Department or designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of the Agreement.
- E. The Grantee agrees to maintain such records for a possible audit after the final payment for at least five years after all funds have been expended or returned to the State unless a longer period of records retention is stipulated. Wherever practicable, such records should be collected, transmitted, and stored in open and machine-readable formats.
- F. Contractors and subcontractors employed by the Grantee and paid with moneys under the terms of this Agreement shall be responsible for maintaining accounting records as specified above.

2. Invoicing

- A. Grant funds cannot be disbursed until the Agreement has been fully executed.
- B. The Grantee will be responsible for compiling and submitting all invoices and reporting documents.
- C. The Grantee must bill the Department based on clear deliverables outlined in the Agreement or budget timeline. Generally, approved and eligible costs incurred for work after execution of the Agreement and completed during the grant term will be reimbursable. However, eligible activities conducted prior to award will be

reimbursable to July 1, 2021. Approved and eligible costs incurred prior to July 1, 2021, are ineligible.

- D. Grantees who received advance funds shall expend all such funds or demonstrate substantial progress prior to requesting additional advanced funding by submitting an updated project timeline and budget, including expenditure progress for their eligible projects from the application and any supporting documentation.
- E. Project invoices may be submitted to the Department by the Grantee on a quarterly basis or upon completion of a deliverable, subject to the Department's approval.
- F. The Department may consider advance payments or alternative arrangements to reimbursement and payment methods based on demonstrated need. The Department may consider factors such as available funds for eligible activities. Suballocations must request funds in increments, schedule for advance payments or other form approved by the Department, and report progress according to an implementation and expenditure timetable.
- G. Supporting documentation may include, but is not limited to, purchase orders, receipts, progress payments, subcontractor invoices, timecards, reports, or any other documentation as deemed necessary by the Department to support the reimbursement to the Grantee for expenditures incurred.
- H. Invoices must be accompanied by supporting documentation where appropriate. Invoices without supporting documentation will not be paid. The Department may withhold up to 10 percent of the grant until grant terms have been fulfilled, including all required reporting.

3. **Audits**

- A. At any time during the term of the Agreement, the Department may perform or cause to be performed a financial audit of any and all phases of the award. At the Department's request, the Grantee shall provide, at its own expense, a financial audit prepared by a certified public accountant. The Department has the right to review project documents and conduct audits during project implementation and over the project life.
- B. The Grantee agrees that the Department or the Department's designee shall have the right to review, obtain, and copy all records and supporting documentation pertaining to performance of this Agreement.
- C. The Grantee agrees to provide the Department, or the Department's designee, with any relevant information requested.
- D. The Grantee agrees to permit the Department or the Department's designee access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees who might reasonably have information related to such records and inspecting and copying such books, records, accounts, and other

material that may be relevant to a matter under investigation for the purpose of determining compliance with statutes, REAP 2.0 Guidelines, and the Agreement.

- E. The Department may request additional information, as needed, to meet other applicable audit requirements.
- F. The Department may monitor expenditures and activities of a Grantee or its designees, contractors or subcontractors, as the Department deems necessary, to ensure compliance with REAP requirements.
- G. Grantees using federal or state transportation planning funds administered through the Overall Work Program (OWP) shall clearly identify the source of funds.
- H. If there are audit findings, the Grantee must submit a detailed response acceptable to the Department for each audit finding within 90 days from the date of the audit finding report.
- I. The Grantee agrees to maintain such records for possible audit after the final payment for at least five years after all funds have been expended or returned to the State unless a longer period of records retention is stipulated. Wherever practicable, such records should be collected, transmitted, and stored in open and machine-readable formats.
- J. If any litigation, claim, negotiation, audit, monitoring, inspection, or other action has been started before the expiration of the required record retention period, all records must be retained by the Grantee and its designees, contractors, and sub-contractors until completion of the action and resolution of all issues which arise from it. In any contract that it enters into in an amount exceeding \$10,000, the Grantee shall include the Department's right to audit the contractor's records and interview their employees.
- K. The Grantee shall comply with and be aware of the requirements and penalties for violations of fraud and for obstruction of investigation as set forth in California Public Contracts Code Section 10115.10.

4. **Remedies and Non-performance**

- A. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by agreement shall be decided by the Department's Housing Policy Development Manager, or the Manager's designee, who may consider any written or verbal evidence submitted by the Grantee. The decision of the Department's Housing Policy Development Manager or Designee shall be the Department's final decision regarding the dispute, not subject to appeal.
- B. Neither the pendency of a dispute nor its consideration by the Department will excuse the Grantee from full and timely performance in accordance with the terms of this Agreement.

In the event that it is determined, at the sole discretion of the Department, that the Grantee is not meeting the terms and conditions of the Agreement, immediately upon receiving a written notice from the Department to stop work, the Grantee shall cease all work under the Agreement. The Department has the sole discretion to determine that the Grantee meets the terms and conditions after a stop work order, and to deliver a written notice to the Grantee to resume work under the Agreement.
- D. The Department has the right to terminate the Agreement at any time upon 30 days written notice. The notice shall specify the reason for early termination and may permit the Grantee or the Department to rectify any deficiency(ies) prior to the early termination date. The Grantee will submit any requested documents to the Department within 30 days of the early termination notice.
- E. The applicant must demonstrate a clear and significant nexus to REAP 2.0 Program goals and objectives and must carry out provisions to meet the Program goals and objectives and other requirements, including, but not limited to, adoption or completion of activities toward Policy Outcomes and implementation of eligible use activities funded through a suballocation process. Any lack of action or action inconsistent with REAP 2.0 requirements may result in review and could be subject to repayment of the grant.
- F. At any time, if the Department finds the Grantee included false information in the advance or final application or as part of the application review, the Department may require the repayment of funds.
- G. Grantees are responsible for suballocations meeting all REAP 2.0 requirements.
- H. Examples of a breach of this Agreement:

- I. The Department may, as it deems appropriate or necessary, require the repayment of funds from a Grantee, or pursue any other remedies available to it by law for failure to comply with all REAP 2.0 Program requirements.
- J. In addition to any other remedies that may be available to the Department in law or equity for breach of this Agreement, the Department may at its discretion, exercise a variety of remedies, including but not limited to:

any measurement challenges that persist and highlight any administrative barriers that prevent it from obtaining the information it needs to perform better analysis of progress made achieving REAP 2.0 Objectives and make adjustments to the extent possible in subsequent reporting years.

3. All status and impact reports shall be categorized based on the eligible uses specified in Section 50515.08 of the Statute.

No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce at any time the provisions of this Agreement, or to require at any time, performance by the Grantee of these provisions, shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions.

GRANT AGREEMENT BETWEEN THE SAN DIEGO ASSOCIATION OF
GOVERNMENTS AND CITY OF SAN DIEGO PLANNING DEPARTMENT
REGARDING MID-CITY COMMUNITIES SMART GROWTH STUDY AREAS
TRANSNET SMART GROWTH INCENTIVE PROGRAM – PLANNING CYCLE 5
SANDAG CONTRACT No. S1021763

**GRANT AGREEMENT BETWEEN
THE SAN DIEGO ASSOCIATION OF GOVERNMENTS AND
CITY OF SAN DIEGO PLANNING DEPARTMENT
REGARDING MID-CITY COMMUNITIES SMART GROWTH STUDY AREAS
TRANSNET SMART GROWTH INCENTIVE PROGRAM – PLANNING CYCLE 5
SANDAG CONTRACT NO. S1021763**

THIS GRANT AGREEMENT ("Agreement") is made and entered into effective as of the last signature date, by and between the San Diego Association of Governments ("SANDAG"), 401 B Street, Suite 800, San Diego, California, and City of San Diego, ("Grantee"), 9485 Aero Drive, MS 413, San Diego, California. This Agreement expires three years after the effective date, unless amended in writing by mutual agreement of the parties.

The following recitals are a substantive part of this Agreement:

- A. The SANDAG Board of Directors allocates funds under the *TransNet* local sales tax program to support local transportation-related infrastructure projects in the San Diego region through a competitive process.
- B. The *TransNet* Extension Ordinance contains provisions to fund the Smart Growth Incentive Program (SGIP) for which funding began on April 1, 2008. The SGIP encompasses projects that better integrate transportation and land use and recognizes the comprehensive effort to integrate smart growth place making, access to transit, and environmental justice.
- C. In January 2010, the SANDAG Board of Directors approved Board Policy No. 035: Competitive Grant Program Procedures, which is available in its updated version at www.sandag.org/legal. This Agreement and the Grantee's performance hereunder are subject to Board Policy No. 035, which includes multiple "use it or lose it" provisions.
- D. On November 19, 2021, SANDAG issued a call for projects from local jurisdictions in San Diego County wishing to apply for a portion of the *TransNet* SGIP funds for use on planning projects meeting certain criteria, and authorizing up to \$3 million from the SGIP to be used for planning projects.
- E. On May 13, 2022, the SANDAG Board of Directors approved a list of recommended SGIP projects for the fifth competitive grant cycle, and one of those projects is the subject of this Agreement (Project). The Project Scope of Work, Schedule, and Budget are included as Attachment A.
- F. The purpose of this Agreement is to establish the terms and conditions for SANDAG to provide Grantee with funding to implement the Project.
- G. Although SANDAG will be providing financial assistance to Grantee to support the Project, SANDAG will not take an active role or retain substantial control of the Project. Therefore, this Agreement is characterized as a funding agreement rather than a cooperative agreement.

NOW, THEREFORE, it is agreed as follows:

I. GRANT AWARD

- A.** The total amount payable by SANDAG to Grantee pursuant to this Agreement shall be the proportion of actual Project costs allocated to grant funding in Attachment A and shall not exceed the grant award of \$500,000 (Fund Limit).
- B.** It is agreed and understood that this Agreement Fund Limit is a ceiling and that SANDAG will only reimburse the allowable cost of services actually rendered as authorized by SANDAG at or below the Fund Limit. Notwithstanding the foregoing, Grantee understands that *TransNet* funds derive from retail transactions and use tax revenues, which fluctuate. The SANDAG funding commitment to SGIP Projects, including this Project, is subject to these fluctuations, which may impact funding availability for this Project.
- C.** Grantee's is included in the Regional Transportation Improvement Plan (RTIP). The *TransNet* MPO ID for the Project is SD267.

II. PROJECT BUDGET

Except to the extent that SANDAG determines otherwise in writing, the Grantee agrees as follows: The Grantee and SANDAG have agreed to a Project Budget that is set forth in Attachment A. The Grantee and/or third-party contractor(s) will incur obligations to the Project only as authorized by the Project Budget. An amendment to the Project Budget requires the issuance of a formal amendment to the Agreement per Board Policy No. 035, unless the re-allocation of funds among budget items or fiscal years does not increase the Fund Limit, does not exceed an aggregate of ten percent for any particular task in Attachment A, does not negatively impact the benefits obtained from the Project, and is consistent with applicable laws, regulations, and policies. Prior written SANDAG Grants Program Manager approval is required for transfers of funds between tasks in Attachment A that meet these eligibility criteria for an administrative amendment by SANDAG staff. All other amendments are subject to approval by a SANDAG Policy Advisory Committee or the SANDAG Board of Directors.

III. MATCHING FUNDS

Grantee agrees to provide matching funds in an amount of \$340,000 of the actual cost of the Project, estimated to be 40.48 percent based on the Project Budget. If the actual cost of the Project exceeds the Project Budget, Grantee is responsible for 100 percent of the actual cost greater than the Project Budget.

A. Availability of Grant Funding

Except where expressly allowed in writing herein, credits for matching funds will be made or allowed only for work performed on and after the Notice to Proceed date and prior to the termination date of this Agreement, unless expressly permitted by SANDAG in writing.

B. Reduction of Matching Funds

The Grantee agrees that no reduction in the amount of matching funds may be made unless a reduction of the proportional share of the grant funding provided by SANDAG under this Agreement also is made.

C. Prompt Payment of Grantee's Share of Matching Funds

Grantee agrees to complete all actions necessary to provide its share of the Project costs at or before the time the matching funds are needed from Grantee to pay for Project costs. The Grantee agrees to provide not less than its cumulative required match amount of Project costs prior to invoicing SANDAG for reimbursement. Each of Grantee's invoices must include its matching fund

contribution, along with supporting, descriptive and/or explanatory documentation for the matching funds provided.

IV. PROJECT MANAGER

VI. PROJECT IMPLEMENTATION

A. General

The Grantee agrees to carry out the Project as follows:

1. Project Description

Grantee agrees to perform the work as described in the Scope of Work included in Attachment A.

2. Grantee's Capacity

The Grantee agrees to maintain or acquire sufficient legal, financial, technical, and managerial capacity to: (a) plan, manage, and complete the Project as described in Attachment A and provide for the use of any Project property; (b) carry out any safety and security aspects of the Project; and (c) comply with the terms of the Agreement and all applicable laws, regulations, and policies pertaining to the Project and the Grantee, including but not limited to the *TransNet* Extension Ordinance and Board Policy No. 035.

3. Project Schedule

The Grantee agrees to complete the Project according to the Project Schedule included in Attachment A and in compliance with Board Policy No. 035.

4. Project Implementation and Oversight Requirements

Grantee agrees to comply with the Performance Measures included in Attachment B.

5. Changes to Project Scope of Work

This Agreement was awarded to Grantee based on the application submitted by Grantee with the intention that the awarded funds would be used to implement the Project as described in the project application. Any substantive deviation from Grantee's Scope of Work during project implementation may require reevaluation or result in loss of funding. If Grantee knows or should have known that substantive changes to the Project will occur or have occurred, Grantee will immediately notify SANDAG in writing. SANDAG will then determine whether the Project is still consistent with the overall objectives of the grant program and whether the changes would have negatively affected the Project ranking during the competitive grant evaluation process. SANDAG reserves the right to have grant funding withheld from Grantee, or refunded to SANDAG, due to Grantee's failure to satisfactorily complete the Project or due to substantive changes to the Project not approved in advance by SANDAG.

B. Application of Laws

Should a federal or state law pre-empt or conflict with a local law, policy, or the *TransNet* Extension Ordinance, the Grantee must comply with the federal or state law and implementing regulations. No provision of this Agreement requires the Grantee to observe or enforce compliance with any provision, perform any other act, or do any other task in contravention of federal, state, territorial, or local law, regulation, or ordinance. If compliance with any provision of this Agreement violates or would require the Grantee to violate any law, the Grantee agrees to notify SANDAG immediately in writing. Should this occur, SANDAG and the Grantee agree that they will make appropriate arrangements to proceed with or, if necessary, terminate the Project or affected portions thereof expeditiously.

C. Changes in Project Performance

The Grantee agrees to notify SANDAG immediately, in writing, of any change in local law, conditions (including its legal, financial, or technical capacity), or any other event, including a force majeure event, that may adversely affect the Grantee's ability to perform the Project in accordance with the terms of the Agreement and as required by Board Policy No. 035. The Grantee also agrees to notify SANDAG immediately, in writing, of any current or prospective major dispute, breach, default, or litigation that may adversely affect SANDAG's interests in the Project; and agrees to inform SANDAG, also in writing, before naming SANDAG as a party to litigation for any reason, in any forum. At a minimum, the Grantee agrees to send each notice to SANDAG required by this subsection to SANDAG's Grants Program Manager.

D. Compliance Information System (CIS)

If Grantee will utilize persons other than its own employees to carry out work, Grantee and all of its third party contractors and/or subcontractors (hereinafter "subcontractors") shall report payment details using the SANDAG web-based CIS by the 15th of each month following receipt of payment by SANDAG. CIS allows SANDAG to monitor promptness of payment to subcontractors and will allow Grantee and its subcontractors to manage their own records, maintain accurate contract information, and report payment details online. CIS is mandatory for Grantee and subcontractors to use unless SANDAG instructs otherwise. After execution of this Agreement, Grantee will receive instructions on how to set up its account and enter required subcontractor data into CIS via an internet browser. Grantee must require each of its subcontractors to enter required payment information into CIS. Failure of Grantee or its subcontractors to enter required information and confirm payments on a timely basis will result in delay of payment by SANDAG to Grantee until

Grantee has cured any defects or provided the missing information. Should Grantee fail to provide the required information, SANDAG shall have sole discretion regarding whether to withhold payment or terminate this Agreement.

E. Licenses and Permits

Grantee represents and warrants to SANDAG that Grantee and its subcontractors will have all necessary licenses, permits, qualifications and approvals of whatever nature that are required to legally practice its profession and/or perform services under this Agreement at all times during the term of this Agreement.

F. Standard of Care

Grantee expressly warrants that the work to be performed pursuant to this Agreement shall be performed in accordance with the applicable standard of care. Where approval by SANDAG, its management, or other representative of SANDAG is indicated in the Scope of Work, it is understood to be conceptual approval only and does not relieve the Grantee of responsibility for complying with all laws, codes, industry standards, and liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of the Grantee or its subcontractors.

G. Third-Party Contracting

Although the Grantee may delegate any or almost all Project responsibilities to one or more third-party contractors, the Grantee agrees that it, rather than any third-party contractor, is ultimately responsible for compliance with all applicable laws, regulations, and this Agreement. The first invoice utilizing any third-party contractor shall be accompanied by evidence of compliance with the following requirements:

1. Competitive Procurement

Grantee shall not award contracts over \$10,000 on the basis of a noncompetitive procurement for work to be performed under this Agreement without the prior written approval of SANDAG. Contracts awarded by Grantee, if intended as local match credit, must meet the requirements set forth in this Agreement regarding local match funds. Upon request by SANDAG, Grantee shall submit its Request for Proposals or bid solicitation documents to SANDAG staff for review and comment for consistency with the agreed upon Scope of Work with SANDAG and to ensure a competitive process was used.

If Grantee hires a third-party contractor to carry out work funded under this Agreement, Grantee shall: prepare an Independent Cost Estimate prior to soliciting proposals/bids; publicly advertise for competing proposals/bids for the work; for professional services, use cost as a significant evaluation factor in selecting the third-party contractor; document a record of negotiation establishing that the amount paid by Grantee for the work is fair and reasonable; and pass through the relevant obligations in this Agreement to the contractor.

2. Debarment

Grantee shall execute and cause its third-party contractors to execute debarment and suspension certificates stating they have not been disqualified from doing business with government entities. The documentation showing lack of debarment shall be obtained from the following two websites:

- Grantee will check the System for Award Management (SAM) at www.sam.gov to verify the prime contractor and all of its subcontractors are not currently debarred or suspended by the federal government.
- Entities in the United States are banned from doing business with companies with ownership based in countries such as Cuba, Sudan and China due to United States trade sanctions. A search on the US Treasury's Office of Foreign Assets Control (OFAC) website can ensure Grantee will not be doing business with a vendor that is subject to trade sanctions. This can be done at <https://sanctionssearch.ofac.treas.gov/>.

3. Flowdown

Grantee agrees to take appropriate measures necessary, including the execution of a subagreement, lease, third-party contract, or other, to ensure that all Project participants, including alternate payees or third-party contractors at any tier, comply with all applicable federal laws, regulations, policies affecting Project implementation and Agreement requirements. In addition, if an entity other than the Grantee is expected to fulfill any responsibilities typically performed by the Grantee, the Grantee agrees to assure that the entity carries out the Grantee's responsibilities as set forth in this Agreement.

4. No SANDAG Obligations to Third Parties

In connection with the Project, the Grantee agrees that SANDAG shall not be subject to any obligations or liabilities to any subcontractor, lessee, third-party contractor at any tier or other person or entity that is not a party to the Agreement for the Project. Notwithstanding that SANDAG may have concurred in or approved any solicitation, subagreement, lease, alternate payee designation, or third-party contract at any tier, SANDAG has no obligations or liabilities to any entity other than the Grantee.

5. Equipment Purchases

Grantee shall maintain ownership of any equipment purchased using Agreement funding and shall use such equipment only for the purposes set forth in this Agreement. The parties agree to meet and confer in good faith to ensure the continued use of the equipment for the purposes intended, which may include reimbursement to SANDAG when the fair market value of the equipment at Project completion exceeds \$5,000. SANDAG and Grantee further agree that Grantee shall keep an inventory record for each piece of equipment purchased under this Agreement and maintain each piece of equipment in good operating order consistent with the purposes for which they were intended. SANDAG shall have the right to conduct periodic maintenance inspections for the purpose of confirming the existence, condition, and proper maintenance of the equipment.

VII. ETHICS

A. Grantee Code of Conduct/Standards of Conduct

The Grantee agrees to maintain a written code of conduct or standards of conduct that shall govern the actions of its officers, employees, council or board members, or agents engaged in the award or administration of subagreements, leases, or third-party contracts supported with the grant funding. The Grantee agrees that its code of conduct or standards of conduct shall specify that its officers, employees, council or board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, or third-party contractor at any tier or agent thereof. The Grantee may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. The Grantee agrees that its code of conduct or standards of conduct shall also prohibit its officers, employees,

board members, or agents from using their respective positions in a manner that presents a real or apparent personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, the Grantee agrees that its code of conduct or standards of conduct shall include penalties, sanctions, or other disciplinary actions for violations by its officers, employees, council or board members, or their agents, or its third-party contractors or subcontractors or their agents.

B. Personal Conflicts of Interest

The Grantee agrees that its code of conduct or standards of conduct shall prohibit the Grantee's employees, officers, council or board members, or agents from participating in the selection, award, or administration of any third-party contract or subagreement supported by the grant funding if a real or apparent conflict of interest would be involved. Such a conflict would arise when an employee, officer, board member, or agent, including any member of his or her immediate family, partner, or organization that employs, or intends to employ, any of the parties listed herein has a financial interest in a firm competing for award.

C. Organizational Conflicts of Interest

The Grantee agrees that its code of conduct or standards of conduct shall include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract or subagreement may, without some restrictions on future activities, result in an unfair competitive advantage to the third-party contractor or subcontractor or impair its objectivity in performing the contract work.

D. SANDAG Code of Conduct

SANDAG has established policies concerning potential conflicts of interest. These policies apply to Grantee. For all awards by SANDAG, any practices which might result in unlawful activity are prohibited including, but not limited to, rebates, kickbacks, or other unlawful considerations. SANDAG staff members are specifically prohibited from participating in the selection process when those staff have a close personal relationship, family relationship, or past (within the last 12 months), present, or potential business or employment relationship with a person or business entity seeking a contract with SANDAG. It is unlawful for any contract to be made by SANDAG if any individual Board member or staff has a prohibited financial interest in the contract. Staff also are prohibited from soliciting or accepting gratuities from any organization seeking funding from SANDAG. SANDAG's officers, employees, agents, and board members shall not solicit or accept gifts, gratuities, favors, or anything of monetary value from consultants, potential consultants, or parties to subagreements. By signing this Agreement, Grantee affirms that it has no knowledge of an ethical violation by SANDAG staff or Grantee. If Grantee has any reason to believe a conflict of interest exists with regard to the Agreement or the Project, it shall notify the SANDAG Office of General Counsel immediately.

E. Bonus or Commission

The Grantee affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its grant funding application for the Project.

F. False or Fraudulent Statements or Claims

The Grantee acknowledges and agrees that by executing the Agreement for the Project, the Grantee certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project, including, but not limited to, the Grantee's grant application, progress reports and invoices.

VIII. PAYMENTS

A. Method of Payment

The method of payment for this Agreement will be based upon actual, substantiated, and allowable costs described herein.

B. Alternate Payee

If the Grantee designates a party as an Alternate Payee, Alternate Payee is authorized to submit payment requests directly to SANDAG to receive reimbursement for allowable Project costs. This does not alleviate Grantee from all obligations under this Grant Agreement.

C. Invoicing

Grantee or Alternate Payee is required to submit invoices quarterly. Invoices must be accompanied by a quarterly report (template to be provided by SANDAG). SANDAG will make payments for eligible amounts to Grantee or Alternate Payee as promptly as SANDAG fiscal procedures permit upon receipt of Grantee's or Alternate Payee's itemized signed invoice(s) and confirmation by the SGIP Program Manager that Grantee is in compliance with the reporting and other requirements in this Agreement. SANDAG shall retain 10 percent from the amounts invoiced until satisfactory completion of the Project. SANDAG shall promptly pay retention amounts to Grantee or Alternate Payee following satisfactory completion of work, receipt of final invoice, and all required documentation.

D. Eligible Costs

The Grantee agrees that Project costs eligible for grant funding must comply with the following requirements, unless SANDAG determines otherwise in writing. To be eligible for reimbursement, Project costs must be:

1. Consistent with the Project Scope of Work, Schedule and Project Budget, and other provisions of the Agreement.
2. Necessary in order to accomplish the Project.
3. Reasonable for the goods or services purchased.
4. Actual net costs to the Grantee (i.e., the price paid minus any refunds, rebates, or other items of value received by the Grantee that have the effect of reducing the cost actually incurred, excluding program income). Project generated revenue realized by the Grantee shall be used in support of the Project. Project generated revenue and expenditures, if any, shall be reported at the end of the Agreement period.
5. Incurred for work performed on or after the SANDAG Notice to Proceed date, and before the termination date, and also must have been paid for by the Grantee.
6. Satisfactorily documented with supporting documentation, which is to be submitted with each invoice. Copies of invoices are required for goods or services provided by third parties.
7. Treated consistently in accordance with generally accepted accounting principles and procedures for the Grantee and any third-party contractors and subcontractors, (see Section entitled "Accounting Records").
8. Eligible for grant funding as part of the grant program through which the funds were awarded.

9. Indirect Costs are only allowable with prior SANDAG approval. Grantee must submit the following documentation as part of the grant application materials: (1) an indirect cost allocation audit approved by a qualified independent auditor or (2) the applicant's proposed method for allocating indirect costs in accordance with federal guidelines. Indirect cost allocation plans must be reviewed and renewed annually.

E. Excluded Costs

In determining the amount of *TransNet* Ordinance Assistance SANDAG will provide for the Project, SANDAG will exclude:

1. Any Project cost incurred by the Grantee before the Effective Date of the Agreement or applicable Amendment thereto
2. Any cost that is not included in the Project Budget
3. Any cost for Project property or services received in connection with a subagreement, lease, third-party contract, or other arrangement that is required to be, but has not been, concurred in or approved in writing by SANDAG
4. Any cost ineligible for SANDAG participation as provided by applicable laws, regulations, or policies
5. Any cost incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved (any indirect cost). Typical indirect costs include facilities and administration costs such as heat/air conditioning, lighting, payroll, and the entity's accounting system. Administrative costs such as clerical and support staff salaries also are most often treated as indirect costs.

The Grantee understands and agrees that payment to the Grantee for any Project cost does not constitute SANDAG's final decision about whether that cost is allowable and eligible for payment under the Project and does not constitute a waiver of any violation by the Grantee of the terms of this Agreement or Board Policy No. 035. The Grantee acknowledges that SANDAG will not make a final determination about the allowability and eligibility of any cost until the final payment has been made on the Project or the results of an audit of the Project requested by SANDAG or its Independent Taxpayers' Oversight Committee (ITOC) has been completed, whichever occurs latest. If SANDAG determines that the Grantee is not entitled to receive any portion of the grant funding requested or paid, SANDAG will notify the Grantee in writing, stating its reasons. The Grantee agrees that Project closeout will not alter the Grantee's responsibility to return any funds due to SANDAG as a result of later refunds, corrections, performance deficiencies, or other similar actions; nor will Project closeout alter SANDAG's right to disallow costs and recover funds provided for the Project on the basis of a later audit or other review. Upon notification to the Grantee that specific amounts are owed to SANDAG, whether for excess payments of grant funding, disallowed costs, or funds recovered from third parties or elsewhere, the Grantee agrees to promptly remit to SANDAG the amounts owed, including applicable interest, penalties and administrative charges.

IX. ACCOUNTING, REPORTING, RECORD RETENTION, AND ACCESS

A. Project Accounts

The Grantee and/or Alternate Payee agree to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project. The Grantee and/or Alternate Payee also agree to maintain documentation of all checks, payrolls, invoices, contracts, vouchers, orders, or other

accounting documents related in whole or in part to the Project so that they may be clearly identified, readily accessible, and available to SANDAG upon request and, to the extent feasible, kept separate from documents not related to the Project.

B. Reports

1. The Grantee agrees to submit to SANDAG all reports required by law and regulation, policy, this Agreement, or any other reports SANDAG may specify. SANDAG reserves the right to specify that records be submitted in particular formats. Grantee may be required to attend meetings of SANDAG staff and committees, including but not limited to the Regional Planning Committee and the SANDAG Board of Directors, to report on its progress and respond to questions from Board Members or the public.
2. Grantee's performance shall be monitored for consistency with the Scope of Work. SANDAG will utilize the SGIP Monitoring Checklist (Attachment C) and Performance Measures (Attachment B), to document compliance with this Agreement. Grantee's performance will be measured against the Performance Measures during the term of this Agreement. If the Grantee does not comply with provisions in this Agreement or achieve minimum performance requirements, SANDAG will issue Grantee a written Notice to Complete a Recovery Plan. Grantee's Recovery Plan shall include a detailed description of how Grantee intends to come into compliance with the Performance Measures or provisions in this Agreement. Grantee's Recovery Plan must include an implementation schedule that reflects achievement of its performance measure minimums or provisions in this Agreement within three months following the issue date of the SANDAG Notice to Complete a Recovery Plan. Grantee must submit its Recovery Plan to the SGIP Program Manager within 30 calendar days following the issue date of the SANDAG Notice to Complete a Recovery Plan. If Grantee's performance is inconsistent with that proposed in its Recovery Plan, SANDAG in its sole discretion may terminate this Agreement.
3. Grantee must submit quarterly reports and invoices to SANDAG, detailing accomplishments in the quarter, anticipated progress next quarter, pending issues and actions toward resolution, and status of budget, schedule, and Performance Measures. Grantee will not be paid until all reports are completed and provided to SANDAG in the format SANDAG requires. Furthermore, the Grantee agrees to provide project milestone information (such as presentations to community groups, other agencies, and elected officials, groundbreakings, and ribbon-cuttings) to support media and communications efforts. Grantee needs to document and track in-kind contributions designated as matching funds as part of project management. Grantee must provide all deliverables identified in the Scope of Work.
4. Press materials shall be provided to SANDAG staff before they are distributed. SANDAG logo(s) should be included in press materials and other project collateral based on logo usage guidelines to be provided by SANDAG. Grantee agrees to provide project milestone information to support media and communications efforts.
5. Grantees are responsible for the following photo documentation:
 - Existing conditions photos (as applicable), which should illustrate the current conditions of the project site and demonstrate the need for improved facilities
 - Project milestone photos (such as workshops, presentations to community groups, other agencies, and elected officials)
 - Photos should be high resolution (at least 4 inches by 6 inches with a minimum of 300 pixels per inch) and contain captions with project descriptions, dates, locations, and the

names of those featured, if appropriate. Grantees must obtain consent of all persons featured in photos (or that of a parent or guardian of persons under the age of 18) by using the SANDAG Photo and Testimonial Release form to be provided by SANDAG, or a similar release form developed by Grantee and agreed upon by SANDAG.

C. Record Retention

During the course of the Project and for three years thereafter from the date of transmission of the final invoice, the Grantee agrees to maintain, intact and readily accessible, all communications, data, documents, reports, records, contracts, and supporting materials relating to the Project, as SANDAG may require. All communications and information provided to SANDAG become the property of SANDAG and public records, as such, may be subject to public review. Please see SANDAG's Board Policy No. 015: Records Management Policy, which is available at www.sandag.org/legal, for information regarding the treatment of documents designated as confidential.

D. Meeting Records

Grantee shall provide SANDAG with agendas and meeting summaries for all community meetings. SANDAG staff may attend any meetings as appropriate.

E. Access to Records of Grantees and Subcontractors

The Grantee agrees to permit, and require its subcontractors to permit, SANDAG or its authorized representatives, upon request, to inspect all Project work, materials, payrolls, and other data, and to audit the books, records, and accounts of the Grantee and its subcontractors pertaining to the Project.

F. Communities Served Data and Reporting

If requested, Grantee shall provide SANDAG with data regarding how the Project's benefits and burdens were equitably distributed among socio and economic populations in the area affected by the Project, and associated smart growth data, and/or any other relevant information.

X. PROJECT COMPLETION, AUDIT, SETTLEMENT, AND CLOSEOUT

A. Project Completion

Within 90 calendar days following Project completion or termination by SANDAG, the Grantee agrees to submit a final invoice of Project expenses and final reports, as applicable. All payments made to the Grantee shall be subject to review for compliance by SANDAG with the requirements of this Agreement and shall be subject to an audit upon completion of the Project.

B. Project Audit

The Grantee agrees to have financial, performance, and compliance audits performed as SANDAG may require. The Grantee agrees that Project closeout will not alter the Grantee's audit responsibilities. Audit costs are allowable Project costs.

C. Performance Audit

The Grantee agrees to cooperate with SANDAG or ITOC with regard to any performance audit that is performed on the Project.

D. Project Closeout

Project closeout occurs when SANDAG notifies the Grantee that SANDAG has closed the Project, and, if applicable, either forwards the final grant funding payment and or acknowledges that the Grantee has remitted the proper refund. The Grantee agrees that Project closeout by SANDAG does not invalidate any continuing requirements imposed by the Agreement or any unmet requirements set forth in a written notification from SANDAG.

XI. TIMELY PROGRESS AND RIGHT OF SANDAG TO TERMINATE

- A.** Grantee shall make diligent and timely progress toward completion of the Project within the timelines set forth in the Project Schedule, and consistent with Board Policy No. 035 and any policy amendments thereto.
- B.** In the event Grantee encounters or anticipates difficulty in meeting the Project Schedule, the Grantee shall immediately notify the SGIP Program Manager in writing, and shall provide pertinent details, including the reason(s) for the delay in performance and the date by which Grantee expects to complete performance or delivery. This notification shall be informational in character only and receipt of it shall not be construed as a waiver by SANDAG of a project delivery schedule or date, or any rights or remedies provided by this Agreement, including Board Policy No. 035 requirements.
- C.** Grantee agrees that SANDAG, at its sole discretion, may suspend or terminate all or any part of the grant funding if the Grantee fails to make reasonable progress on the Project and/or violates the terms of the Agreement or Board Policy No. 035, or if SANDAG determines that the purpose of the laws or policies authorizing the Project would not be adequately served by the continuation of grant funding for the Project.
- D.** In general, termination of grant funding for the Project will not invalidate obligations properly incurred by the Grantee before the termination date to the extent those obligations cannot be canceled. If, however, SANDAG determines that the Grantee has willfully misused grant funding by failing to make adequate progress, or failing to comply with the terms of the Agreement, SANDAG reserves the right to require the Grantee to refund to SANDAG the entire amount of grant funding provided for the Project or any lesser amount as SANDAG may determine.
- E.** Expiration of any Project time period established in the Project Schedule will not, by itself, automatically constitute an expiration or termination of the Agreement for the Project, however, Grantee must request and SANDAG may agree to amend the Agreement in writing if the Project Schedule will not be met. An amendment to the Project Schedule may be made at SANDAG's discretion if Grantee's request is consistent with the provisions of Board Policy No. 035.

XII. CIVIL RIGHTS

The Grantee agrees to comply with all applicable civil rights laws, regulations and policies and shall include the provisions of this section in each subagreement, lease, third-party contract or other legally binding document to perform work funded by this Agreement. Applicable civil rights laws, regulations and policies include, but are not limited to, the following:

A. Nondiscrimination

SANDAG implements its programs without regard to income level, disability, race, color, and national origin in compliance with the Americans with Disabilities Act and Title VI of the Civil Rights Act. Grantee shall prohibit discrimination on these grounds, notify the public of their rights under these laws, and utilize a process for addressing complaints of discrimination. Furthermore, Grantee shall make the procedures for filing a complaint available to members of the public and will keep a log of all such complaints. Grantee must notify SANDAG immediately if a complaint is lodged that

relates to the Project or program funded by this grant. If Grantee receives a Title VI-related or ADA-related complaint, Grantee must notify SANDAG in writing within 72 hours of receiving the complaint so that SANDAG can determine whether it needs to carry out its own investigation.

B. Equal Employment Opportunity

During the performance of this Agreement, Grantee and all of its subcontractors, if any, shall not unlawfully discriminate, harass, or allow harassment, against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, denial of family and medical care leave, denial of pregnancy disability leave, veteran status, or sexual orientation. Grantee and its subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Grantee and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (California Government Code Section 12900, *et seq.*) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0, *et seq.*). The applicable regulations of the Fair Employment and Housing Commission implementing California Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by this reference and are made a part hereof as if set forth in full. Grantee and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

XIV. DISPUTES AND VENUE

A. Choice of Law

This Agreement shall be interpreted in accordance with the laws of the State of California.

B. Dispute Resolution Process

In the event Grantee has a dispute with SANDAG during the performance of this Agreement, Grantee shall continue to perform unless SANDAG informs Grantee in writing to cease performance. The dispute resolution process for disputes arising under this Agreement shall be as follows:

1. Grantee shall submit a statement of the grounds for the dispute, including all pertinent dates, names of persons involved, and supporting documentation, to the SGIP Program Manager. The SGIP Program Manager and other appropriate SANDAG staff will review the documentation in a timely manner and reply to Grantee within 20 calendar days. Upon receipt of an adverse decision by SANDAG, Grantee may submit a request for reconsideration to SANDAG's Chief Executive Officer or designee. The request for reconsideration must be received within ten calendar days from the postmark date of SANDAG's reply. The Chief Executive Officer or designee will respond in writing to the request for reconsideration within ten working days.
2. If Grantee is dissatisfied with the results following exhaustion of the above dispute resolution procedures, Grantee shall make a written request to SANDAG for appeal to the SANDAG Regional Planning Committee. SANDAG shall respond to a request for mediation within 30 calendar days. The decision of the Regional Planning Committee shall be final.

C. Venue

If any action is brought to interpret or enforce any term of this Agreement, the action shall be brought in a state or federal court situated in the County of San Diego, State of California. In the event of any such litigation between the parties, the prevailing party shall be entitled to recover all

reasonable costs incurred, including reasonable attorney's fees, litigation and collection expenses, witness fees, and court costs as determined by the court.

XV. ASSIGNMENT

Grantee shall not assign, sublet, or transfer (whether by assignment or novation) this Agreement or any rights under or interest in this Agreement.

XVII. INDEMNIFICATION AND HOLD HARMLESS

A. Generally

With regard to any claim, protest, or litigation arising from or related to the Grantee's performance in connection with or incidental to the Project or this Agreement, Grantee agrees to defend, indemnify, protect, and hold SANDAG and its agents, officers, Board members, and employees harmless from and against any and all claims, including, but not limited to prevailing wage claims against the Project, asserted or established liability for damages or injuries to any person or property, including injury to the Grantee's or its subcontractors' employees, agents, or officers, which arise from or are connected with or are caused or claimed to be caused by the negligent, reckless, or willful acts or omissions of the Grantee and its subcontractors and their agents, officers, or employees, in performing the work or services herein, and all expenses of investigating and defending against same, including attorney fees and costs; provided, however, that the Grantee's duty to indemnify and hold harmless shall not include any claims or liability arising from the established sole negligence or willful misconduct of SANDAG, its Board of Directors, agents, officers, or employees.

B. Intellectual Property

Upon request by SANDAG, the Grantee agrees to indemnify, save, and hold harmless SANDAG and its Board of Directors, officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Grantee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project. The Grantee shall not be required to indemnify SANDAG for any such liability caused solely by the wrongful acts of SANDAG employees or agents.

XVIII. INDEPENDENT CONTRACTOR

A. Status of Grantee

Grantee shall perform the services provided for within this Agreement as an independent contractor, and not as an employee of SANDAG. Grantee shall be under the control of SANDAG as to the result to be accomplished and not the means, and shall consult with SANDAG as provided for in the Scope of Work. The payments made to Grantee pursuant to this Agreement shall be the full and complete compensation to which Grantee is entitled. SANDAG shall not make any federal or state tax withholdings on behalf of Grantee. SANDAG shall not be required to pay any workers' compensation insurance on behalf of Grantee. Grantee agrees to indemnify SANDAG for any tax, retirement contribution, social security, overtime payment, or workers' compensation payment which SANDAG may be required to make on behalf of Grantee or any employee of Grantee for work done under this Agreement.

B. Actions on Behalf of SANDAG

Except as SANDAG may specify in writing, Grantee shall have no authority, express or implied, to act on behalf of SANDAG in any capacity whatsoever, as an agent or otherwise. Grantee shall have

PERFORMANCE MEASURES

Instructions

In 2020, the San Diego region permitted 10,883 units of housing. The goal of the SGIP is to fund planning activities that facilitate compact, mixed-use, transit-oriented development, and increase housing and transportation choices. The following form is to be used for satisfying the quarterly reporting requirements and performance measures of the SGIP funded by *TransNet*. Pursuant to the terms of the Grant Agreement, Grantees will be required to provide quarterly reports and a more detailed Final Progress Report at the end of the grant term. The quarterly report utilizing this form must be submitted to SANDAG within 30 days following receipt of funds and thereafter each quarter until the expiration of the grant. A Grantee will not be eligible for reimbursement from SANDAG unless it has submitted its reports by the timelines required by SANDAG.

Unless SANDAG directs otherwise, Grantee must submit its quarterly report to SANDAG using a form that will be sent to Grantees each quarter. This document will show the information that will be required in the quarterly reports from each Grantee and will be followed by the list of performance measures that will be used for the Final Progress Report. This cycle of SGIP grants is focused on planning activities rather than construction, however, the performance measure information in the Final Progress Report will serve as a baseline for future SGIP grant cycles to align with the 2021 Regional Plan and other SANDAG grant programs.

Overview

Provide an overview of the project, including challenges, limiting factors, opportunities and solutions unique to the jurisdiction. The section should also discuss the overall approach, goals and high-level summary of the status of the project.

Project Highlights, Accomplishments and Best Practices

Provide highlights regarding the overall project from the last quarter and any accomplishments resulting from the efforts in implementing the project. This section also may list and explain some of the best practices occurring through the project. This section can highlight the Grantee's efforts and can include a wide-ranging variety of efforts that facilitate smart growth and transit-oriented development and greenhouse gas reduction such as comprehensive planning efforts, smaller-scale neighborhood planning activities, Complete Streets Design Manuals, Financing Tools, Smart Growth studies, Transit Oriented Development Overlay Zones and Concept Plans, and Mobility Hub plans.

Status of Activities

This section will provide a description of each of the major activities in the Grantee's project. Based on the description of the activities Grantee committed to perform in its Grant Agreement, Grantee will provide status reports describing progress on milestones and deliverables completed.

- Column 1 of the status table is entitled Activity Category. This column will be completed with the relevant activity category (i.e., relationship to regional transit, further planning to support regional mobility hub implementation strategy, Smart Growth policy implementation, smart growth equity, partnerships (if applicable), and sustainability).
- Column 2 will include a brief description of the milestone or deliverable completed.
- Columns 3 and 4 will report the amount of money allocated to each activity and how much has been expended per activity as of the end of the quarter.
- Column 5 will describe the overall timing of the project with beginning and anticipated completion dates.
- Column 6 will include a general status (i.e., not yet started, in progress, complete) and anticipated upcoming milestones.
- Column 7 will qualitatively and quantitatively, where possible, describe the impact on housing as a result of the activity. Qualitative data should be based on the performance measure metrics that Grantee will be required to report on at the end of grant term in the Final Progress Report

Summary of Smart Growth Indicators

Provide a narrative overview of smart growth indicators and a summary of efforts, activities, studies, and/or other deliverables, as applicable. Grantees may add other smart growth indicators and numerical outcomes and may also discuss any anticipated changes and limiting or confounding factors potentially impacting the effectiveness of the activities. The information collected in this grant cycle may be used as a baseline or context for indicating smart growth implementation at a jurisdictional scale. Baseline year will be the 2021 calendar year and current year will be 2022 for purposes of the Final Progress Report. Grantees may add any anticipated changes and limiting or confounding factors potentially impacting the effectiveness of the activities. Additionally, Grantees may discuss other indicators of smart growth implementation and numerical outcomes that are based on the performance measure metrics that Grantee will be required to report on at the end of grant term in the Final Progress Report.

Performance Measures Metrics to Be Provided in Final Progress Report

Below are examples that could be used, depending on the type of project funded through the SGIP.

- 9.1 Conflicts of Interest. Contractor presently has no interest, including but not limited to other projects or independent agreements, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. The Contractor shall not employ any person having any such interest in the performance of this Agreement. Contractor shall not hire County's employees to perform any portion of the work or services provided for herein including secretarial, clerical, and similar incidental services except upon the written approval of County.  - 9.2.3 Contractor shall not use for personal gain or make other improper use of confidential information acquired in connection with this Agreement. In this connection, the term "confidential information" includes, but is not limited to, unpublished information relating to technological and scientific development; medical, personnel, or security records of individuals; anticipated materials requirements or pricing actions; and knowledge of selections of Contractors or subcontractors in advance of official announcement.

Without limiting the foregoing, Contractor’s defense and indemnity obligations under this section shall specifically apply to any claim, suit, proceeding, demand, liability, loss, damage, or expense (including but not limited to attorneys’ fees) arising from or relating to a claim that any work performed pursuant to this Agreement infringes a patent, copyright, moral right, trademark, trade secret, or other intellectual property right of a third party. Without limiting the generality of the foregoing, if any portion of any the same or County’s use of the same is, or in Contractor’s or County’s opinion is likely to be, held to infringe the rights of any third party, Contractor shall at its expense either (i) procure the right for County to use the infringing item free of any liability or expense to County to the full extent contemplated by this Agreement; or (ii) replace it with a non-infringing equivalent reasonably satisfactory to County. Without limiting the County’s other rights and Contractor’s obligations under this section, County shall have the right to employ counsel at its own expense for, and participate in the defense of, any claim.

Such data may include, but is not limited to, statistics on outcomes, rates of success, and completion rate of deliverables.
- 11.5 Full Cost Recovery. Contractor shall reimburse County for all direct and indirect expenditures incurred in conducting an audit, investigation, or inspection when Contractor is subsequently found to have violated terms of this Agreement.
- 11.6 Corrective Actions. Notwithstanding the foregoing, County may allow Contractor to repay any such amounts owed in installments pursuant to a written repayment plan.

ARTICLE 13
USE OF DOCUMENTS AND REPORTS

- 13.1 Findings Confidential. Any reports, records, data, or other information given to or prepared or assembled by Contractor under this Agreement that the County requests to be kept confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County except as may be required by law. Contractor shall not disclose to any individual or organization any reports, records, data, or other information received, prepared, or assembled by Contractor under this Agreement
- 13.2 Ownership, Publication, Reproduction and Use of Material. All reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other material or properties produced under this Agreement shall be the sole and exclusive property of County. No such materials or properties produced in whole or in part under this Agreement shall be subject to private use, copyright, or patent right by Contractor in the United States or in any other country without the express written consent of County. County shall have unrestricted authority to publish, disclose, distribute and otherwise use, copyright or patent, in whole or in part, any such reports, studies, data, statistics, forms or other materials or properties produced under this Agreement.
- 13.3 Confidentiality. Contractor agrees to maintain the confidentiality of and take industry appropriate and legally required measures to prevent the unlawful disclosure of any information that is legally required to be kept confidential. Except as otherwise allowed by local, State, or federal law or regulation and pursuant to this section 13.3, Contractor agrees to only disclose confidential records where the holder of the privilege, whether the County, or a third party, provides written permission authorizing the disclosure.
- 13.4 Public Records Act. The California Public Records Act (“CPRA”) requires County to disclose “public records” in its actual or constructive possession unless a statutory exemption applies. This generally includes contracts and related documents. If County receives a CPRA request for records relating to the Agreement, County may, at its sole discretion, either determine its response to the request without notifying Contractor or notify Contractor of the request. If County determines its response to the request without notifying Contractor, Contractor shall hold County harmless for such determination. If County notifies Contractor of the request, Contractor may request that County withhold or redact records responsive to the request by submitting to County a written request within five (5) business days after receipt of the County’s notice. Contractor’s request must identify specific records to be withheld or redacted and applicable exemptions. Upon timely receipt of Contractor’s request, County will review the request and at its sole discretion withhold and/or redact the records identified by Contractor. Contractor shall hold County harmless for County’s decision whether to withhold and/or redact pursuant to Contractor’s written request. Contractor further agrees that its defense and indemnification obligations set forth in section 10.1 of this Agreement extend to any Claim (as defined in section 10.1) against the County Parties (as defined in section 10.1) arising out of County’s withholding and/or redacting of records pursuant to Contractor’s request. Nothing in this section shall preclude Contractor from bringing a “reverse CPRA action” to prevent disclosure of records. Nothing in this section shall prevent the County or its agents or any other governmental entity from accessing any records for the purpose of audits or program reviews if that access is legally permissible under the applicable local, State, or federal laws or regulations. Similarly, County or its agent or designee may take possession of the record(s) where legally authorized to do so.
- 13.5 Custody of Records. Contractor shall deliver to County or its designee, at County’s request, all documentation and data related to Contractor’s work under this Agreement, including, but not limited to, County data and client files held by Contractor, at no charge to County. County, at its option, may take custody of Contractor’s client records upon Agreement termination, expiration, or at such other time as County may deem necessary. County agrees that such custody will conform to applicable confidentiality provisions of State and federal law and that retained records shall be available to Contractor for examination and inspection in accordance with applicable law. Contractor shall destroy records not turned over to County in accordance with applicable retention requirements and this Agreement. Notwithstanding the foregoing, Contractor may retain one (1) copy of the documentation and data for archival purposes or warranty support, and Contractor may maintain records that it is legally required to maintain.

ARTICLE 15
DISPUTES

Notwithstanding any provision of this Agreement to the contrary, the Contracting Officer shall decide any dispute concerning a question of fact arising out of this Agreement that is not otherwise disposed of by the parties within a reasonable period of time. The decision of the Contracting Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. Contractor shall proceed diligently with its performance hereunder pending resolution by the Contracting Officer of any such dispute. Nothing herein shall be construed as granting the Contracting Officer or any other administrative official, representative or board authority to decide questions of law, or issues regarding the medical necessity of treatment or to pre-empt any medical practitioners' judgment regarding the medical necessity of treatment of patients in their care. The foregoing does not change the County's ability to refuse to pay for services rendered if County disputes the medical necessity of care.

 - 4.1.1. Allowable: Costs that are reimbursable from Federal program funds because they support SNAP-Ed and conform to Government-wide and SNAP-specific cost policy.
 - 4.1.2. Reasonable: A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.
 - 4.1.3. Necessary: A cost is necessary if it is directly related to the SNAP-Ed mission and objective(s).
 - 4.1.4. Allocable: Allocation entails correlating costs with the program benefits obtained by incurring them. A cost is allocable to SNAP-Ed if the goods or services involved are chargeable or assignable to SNAP-Ed in accordance with relative benefits received. If a cost item benefits only SNAP-Ed, then 100 percent of it is allocable to SNAP-Ed.

City of San Diego
CONTRACTOR STANDARDS
Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a contractor (bidder or proposer) has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Pledge of Compliance signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Contractors must provide responses on Attachment A to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render a bid or proposal non-responsive. In the case of an informal solicitation or cooperative procurement, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.

By signing and submitting this form, the contractor is certifying, to the best of their knowledge, that the contractor and any of its Principals have not within a five (5) year period – preceding this offer, been convicted of or had a civil judgement rendered against them for commission of a fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) contract or subcontract.

“Principal” means an officer, director, owner, partner or a person having primary management or supervisory responsibilities within the firm. The Contractor shall provide immediate written notice to the Procurement Contracting Officer handling the solicitation, at any time prior to award should they learn that this Representations and Certifications was inaccurate or incomplete.

EQUAL OPPORTUNITY CONTRACTING PROGRAM (EOCP)

GOODS AND SERVICES CONTRACTOR REQUIREMENTS

I. City's Equal Opportunity Contracting Commitment.

The City of San Diego (City) promotes equal employment and subcontracting opportunities. The City is committed to ensuring that taxpayer dollars spent on public contracts are not paid to businesses that practice discrimination in employment or subcontracting. The City encourages all companies seeking to do business with the City to share this commitment. Contractors are encouraged to take positive steps to diversify and expand their subcontractor and supplier solicitation base and to offer opportunities to all eligible business firms.

Contractors must submit the required EOCP documentation indicated below with their proposals. Contractors who fail to provide the required EOCP documentation are considered non-responsive.

II. Definitions.

Commercially Useful Function: a Small Local Business Enterprise or Emerging Local Business Enterprise (SLBE/ELBE) performs a commercially useful function when it is responsible for execution of the work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the SLBE/ELBE shall also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself.

To determine whether an SLBE/ELBE is performing a commercially useful function, an evaluation will be performed of the amount of work subcontracted, normal industry practices, whether the amount the SLBE/ELBE firm is to be paid under the contract is commensurate with the work it is actually performing and the SLBE/ELBE credit claimed for its performance of the work, and other relevant factors. Specifically, an SLBE/ELBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of meaningful and useful SLBE/ELBE participation, when in similar transactions in which SLBE/ELBE firms do not participate, there is no such role performed.

Disadvantaged Business Enterprise (DBE): a certified business that is (1) at least fifty-one (51%) owned by socially and economically Disadvantaged Individuals, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more socially and economically Disadvantaged Individuals; and (2) whose daily business operations are managed and directed by one or more socially and economically disadvantaged owners. Disadvantaged Individuals include Black Americans, Hispanic Americans, Asian Americans, and other minorities, or individual found to be disadvantaged by the Small Business Administration pursuant to Section 8 of the Small Business Reauthorization Act.

Disabled Veteran Business Enterprise (DVBE): a certified business that is (1) at least fifty-one percent (51%) owned by one or more Disabled Veterans; and (2) business operations must be managed and controlled by one or more Disabled Veterans. A Disabled Veteran is a veteran of the U.S. military, naval, or air service who resides in California and has a service-connected disability of at least 10% or more. The firm shall be certified by the State of California's Department of General Services, Office of Small and Minority Business.

Emerging Business Enterprise (EBE): a business whose gross annual receipts do not exceed the amount set by the City Manager, and which meets all other criteria set forth in the regulations implementing the City's Small and Local Business Preference Program. The City Manager shall review the threshold amount for EBEs on an annual basis, and adjust as necessary to reflect changes in the marketplace.

Emerging Local Business Enterprise (ELBE): a Local Business Enterprise that is also an Emerging Business Enterprise.

Local Business Enterprise (LBE): a business that has both a principal place of business and a significant employment presence in the County of San Diego, and that has been in operation for twelve (12) consecutive months.

Minority Business Enterprise (MBE): a certified business that is (1) at least fifty-one percent (51%) owned by one or more minority individuals, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more minority individuals; and (2) whose daily business operations are managed and directed by one or more minorities owners. Minorities include the groups with the following ethnic origins: African, Asian Pacific, Asian Subcontinent, Hispanic, Native Alaskan, Native American, and Native Hawaiian.

Other Business Enterprise (OBE): any business which does not otherwise qualify as Minority, Woman, Disadvantaged, or Disabled Veteran Business Enterprise.

Principal Place of Business: a location wherein a business maintains a physical office and through which it obtains no less than fifty percent (50%) of gross annual receipts.

Significant Employee Presence: no less than twenty-five percent (25%) of a business's total number of employees.

Small Business Enterprise (SBE): a business whose gross annual receipts do not exceed the amount set by the City Manager, and that meets all other criteria set forth in regulations implementing the City's Small and Local Business Preference Program. The City Manager shall review the threshold amount for SBEs on an annual basis, and adjust as necessary to reflect changes in the marketplace. A business certified as a DVBE by the State of California, and that has provided proof of such certification to the City manager, shall be deemed to be an SBE.

Small Local Business Enterprise (SLBE): a Local Business Enterprise that is also a Small Business Enterprise.

Women Business Enterprise (WBE): a certified business that is (1) at least fifty-one percent (51 %) owned by a woman or women, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more women; and (2) whose daily business operations are managed and directed by one or more women owners.

III. Disclosure of Discrimination Complaints.

As part of its proposal, Contractor shall provide to the City a list of all instances within the past ten (10) years where a complaint was filed or pending against Contractor in a legal or administrative proceeding alleging that Contractor discriminated against its employees, subcontractors, vendors, or suppliers, and a description of the status or resolution of that complaint, including any remedial action taken. (Attachment AA).

IV. Work Force Report and Equal Opportunity Outreach Plan.

- A. Work Force Report. Contractors shall submit with their proposal a Work Force Report (WFR) for approval by the City. (Attachment BB). If the City determines that there are under representations when compared to County Labor Force Availability data, then the Contractor will also be required to submit an Equal Employment Opportunity Plan (EEOP) to the City for approval. Questions regarding the WFR should be directed to the Equal Opportunity Contracting Department.
- B. Duty to Comply with Equal Opportunity Outreach Plan. A Contractor for whom an EEOP has been approved by the City shall use best efforts to comply with that EEOP.

V. Small and Local Business Program Requirements.

The City has adopted a Small and Local Business Enterprise program for goods, services, and consultant contracts. The SLBE requirements are set forth in Council Policy 100-10. For contracts in which the Purchasing Agent is required to advertise for sealed proposals in the City's official newspaper or consultant contracts valued over \$50,000, the City shall:

- A. Apply a maximum of an additional 12% of the total possible evaluation points to the Contractor's final score for SLBE or ELBE participation. Additional points will be awarded as follows:
 - a. If the Contractor achieves 20% participation, apply 5% of the total possible evaluation points to the Contractor's score; or
 - b. If the Contractor achieves 25% participation, apply 10% of the total possible evaluation points to the Contractor's score; or
 - c. If the prime contractor is a SLBE or an ELBE, apply 12% of the total possible evaluation points to the Contractor's score.

VI. Maintaining Participation Levels.

- A. Additional points are based on the Contractor's level of participation proposed prior to the award of the goods, services, or consultant contract. Contractors are required to achieve and maintain the SLBE or ELBE participation levels throughout the duration of the goods, services, or consultant contract.
- B. If the City modifies the original specifications, the Contractor shall make reasonable efforts to maintain the SLBE or ELBE participation for which the additional points were awarded. The City must approve in writing a reduction in SLBE or ELBE participation levels.
- C. Contractor shall notify and obtain written approval from the City in advance of any reduction in subcontract scope, termination, or substitution for a designated SLBE or ELBE subcontractor.
- D. Contractor's failure to maintain SLBE or ELBE participation levels as specified in the goods, services, or consultant contract shall constitute a default and grounds for debarment under Chapter 2, Article 2, Division 8, of the San Diego Municipal Code.
- E. The remedies available to the City under Council Policy 100-10 are cumulative to all other rights and remedies available to the City.

VII. Certifications.

The City accepts certifications of MBE, WBE, DBE, or DVBE from the following certifying agencies:

- A. Current certification by the State of California Department of Transportation (CALTRANS) as DBE.
- B. Current MBE or WBE certification from the California Public Utilities Commission.
- C. DVBE certification is received from the State of California's Department of General Services, Office of Small and Minority Business.

Subcontractors' valid proof of certification status e.g., copy of MBE, WBE, DBE, or DVBE certification must be submitted with the proposal or contract documents. MBE, WBE, DBE, or DVBE certifications are listed for informational purposes only.

VIII. List of Attachments.

Work Force Report

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (American Indian or Alaska Native, Asian, Black or African-American, Native Hawaiian or Pacific Islander, White, and Other) for each occupation. Currently, our CLFA data is taken from the 2010 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report¹. By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county². If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work Force Reports representing your firm from each of the three counties.

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report^{1, 3}. In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force *
- ³ Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.*

RACE/ETHNICITY CATEGORIES

Black or African American – A person having origins in any of the Black racial groups of Africa.

Native Hawaiian or Pacific Islander – A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

Executive Summary

Imagine Creative Services LLC (Imagine) is a creative engagement consulting company working at the intersection of applied theatre, multimedia arts, and community development. Founded in 2021, we utilize the arts to educate, connect, inspire, and activate intergenerational groups toward the flourishing of San Diego's diverse communities. We specialize in interactive facilitation, media and design for outreach, creative gatherings, pop-ups, and other arts-based engagements, grounded in methods that expand access informed by trauma-sensitive care, restorative justice, and culturally-responsive engagement. These methods equip us to address the challenges of building trust across disparate communities and create space for authentic dialogue and collaborative solutions.

Since 2021, Imagine has been involved in the development and planning of several City of San Diego public outreach and engagement projects, including Build Better SD, the Inclusive Public Engagement Guide, Housing Action Package 2.0, and the Mid-City Communities Plan Update. The services we have provided on these projects have been broad and comprehensive in nature, including design and initial scoping, project coordination, communication, marketing, facilitation of public events, and collection and documentation of input. Imagine's formal partnerships with school districts and organizations across San Diego expand our community understanding, access, and reach.

We are accustomed to working with City timelines and deadlines, and familiar with City values and processes for public engagement. We also value clear communication, flexibility, authenticity, and transparency. These combined values and experience have allowed us to create a successful, collaborative, and vibrant working relationship with both City personnel and community members in our outreach and engagement efforts.

Imagine is an energetic and growing SLBE-certified firm. We provide original and customized approaches to outreach and engagement in the San Diego area. Together with our partners Ascent and Polco, we are confident of our capacity to provide high-quality support for the City's public engagement and outreach efforts.

History & Qualifications

Imagine is a consulting company offering diverse communities and institutions creative programming to cultivate development, learning, and belonging. The firm was established with a commitment to applied theatre and other creative public engagement methodologies that invite communities to *imagine* new possibilities in their lives and broaden a collective vision for public good. Our dynamic approach to outreach, communication, and facilitation expands access and inclusion for San Diego's diverse communities. Since 2021, we have meaningfully served—often through multiple engagements over weeks or months—over 24,000 children and adults through programs all across San Diego County.

Joining together two 20 year careers at the intersections of theatre, education, community development, social engagement, media arts, and non-profit communication, Imagine's founders lead the company with a broad-based and effective toolkit for public engagement for children, adults, and intergenerational groups. Additionally, with experience in contexts ranging from East Africa, Central America, Southeast Asia, and the Middle East to the public schools and communities of New York City and San Diego, the company engages all aspects of the work with cultural competency and a human-centered sensibility. Our team of artists and cultural workers are well prepared with facilitation and engagement methods informed by trauma-sensitive care, restorative justice, and culturally-responsive engagement. These methods equip us to address the challenges of building trust across disparate communities and to create space for authentic dialogue and collaborative solutions.

Imagine has been recognized throughout San Diego County as a company that specializes in serving San Diego's most historically marginalized schools and communities. We work with schools throughout the county providing K-12 children originally designed theatre-based social and emotional learning programs, delivered through workshops, interactive in-class residences, and live interactive theatre assemblies. In just over three years, Imagine has established formal partnerships with the San Diego Unified School District (SDUSD) and its Youth Advocacy and Visual and Performing Arts (VAPA) departments and the Cajon Valley Union School District (CVUSD), one of the largest refugee resettlement communities in the United States. We also have provided long-running programs in multiple Juvenile Court and Community Schools (JCCS), the Monarch School for unhoused youth and the San Diego County Office of Education (SDCOE) Foster Youth Services, where we design and provide programs to foster youth in various locations including Short-Term Residential Therapeutic Programs (STRTP), serving children with complex histories and trauma.

Imagine also maintains partnerships designing and implementing creative programs with various community partners including SAY San Diego, the California Center for the Arts in Escondido, Diversionary Theatre—San Diego's LGBTQIA+ Theatre, Majdal Arab Community Center, Arts Education Connect, Hands of Peace—an organization which brought together Israeli, Palestinian, and American young adults for dialogue and creative peacemaking,

Kupanda Kids—serving San Diego refugee children, the Chicano Park Steering Committee, San Diego State University, and the University of San Diego.

Since our launch three years ago, Imagine has also worked regularly with the City of San Diego, collaborating as a creative engagement partner specializing in serving San Diego’s most underserved communities.

Our projects have included:

BUILD BETTER SD

Winter 2022

Project Description: Imagine led in outreach and implementation of intergenerational and interactive public workshops in three City of San Diego underserved communities. The workshops were designed to raise awareness and collect input towards implementation of the Build Better SD initiative. Community members engaged in learning, input, and video interviews. Additionally, high school students at three schools (San Ysidro High, Morse High, Hoover High) received multiple creative and interactive workshops to introduce them to city planning processes, gather input, and collaborate with them to create a media product to be used in expanding the reach of the campaign. A video was created that was shared on CoSD public media channels as well as with City Councilmember offices for distribution. The initiative was successful and was adopted in Summer 2022. The campaign also won an award for public engagement in Fall 2022.

HOUSING ACTION PACKAGE 2.0

Winter 2023

Project Description: Public workshops were hosted in two communities to provide information and gather public input on two of the critical elements of the HAP 2.0 package. Imagine collaboratively led in event design and planning, project management, logistical and technical support, photography, and communication design, and provided lead and support facilitation at each event.

INCLUSIVE PUBLIC ENGAGEMENT GUIDE (IPEG)

Spring 2023 - Summer 2024

Project Summary: Imagine conducted community workshops and performance-based pop-up engagements in busy street locations to gather input used in the drafting of the Guide. City residents were invited to share their own experiences in prior engagement efforts as well as provide input on how the process might be improved and how it might better meet their needs. During street pop-up events, each contributing participant received a flower, a personalized song, a sticker and a means to stay connected to the initiative. Imagine also worked in Field Elementary and Lincoln High School over the course of multiple workshops to educate and engage students on what meaningful engagement meant to them.

Through interviews conducted in these various workshops, Imagine created a promotional video highlighting intergenerational voices. It was distributed on City social media channels featuring interviews with City personnel and imagery from engagement activities. Imagine also provided facilitation and support for a focus group that was assembled over a period of six weeks to gather initial input for the IPEG project and then implemented that input in two outreach efforts in communities of concern.

In the second phase of the project, Imagine drafted and consulted on techniques and guidelines to be published in the IPEG for use by City staff in future public engagement efforts.

MID-CITY COMMUNITIES PLAN UPDATE

Summer 2023 - ongoing

Project Summary: In this ongoing project, Imagine was contracted to develop and produce a promotional video featuring drone footage of the plan area for use in raising awareness to the community plan update process launching in 2024. Imagine also collaborated to design and facilitate multiple community workshops and school-specific youth engagement workshops. The company used photography, interviews, and community games over the course of a 4-session series of classes for 180 students at Hoover High and Crawford High. The engagement introduced them to city planning as a potential career and invited their input on the current community plan process. The students also interviewed community members to gather additional input and perspectives on the needs and desires of their own neighborhoods. Imagine has led in facilitation and collaborated to design Mid-City Working Group Public meetings. Further engagement activities are currently in the works.

Deliverables & Imagine's Relevant Practice Areas

Project Management & Deliverables

Imagine can provide project management services to organize and host meetings, coordinate note-taking and documentation, develop meeting materials and presentations, track tasks and deliverables, and provide invoicing. Imagine has previously performed these duties in support of City of San Diego projects including Build Better SD and the Housing Action Package 2.0 outreach and collaborated with Ascent to coordinate and project manage for the Mid-City Communities Plan Update. Imagine can provide cloud-based documentation support using Sharepoint and/or Google Drive. Additional project management support will be provided by our subcontractor Ascent as needed.

Outreach & Engagement Research Planning

As researchers, collaborators, and consultants on the development of the IPEG, our team is well-equipped to provide leadership in strategic engagement planning, research, and training for City staff for a variety of engagement needs and contexts. In addition, our subcontractor partnership with Ascent expands our research and mapping capabilities and experience significantly.

We also hold a deep resource of arts-based engagement experience that offers creative techniques, strategies, and perspectives that go beyond the usual. See **Appendix** for a listing of selected creative methods that we can provide.

Planning, Execution, & Facilitation of Engagement Activities

Imagine's support of City of San Diego engagement goals has been showcased in the Build Better SD, the Housing Action Package 2.0, the Inclusive Public Engagement Guide, and the Mid-City Communities Plan Update projects. In both leading and partner roles, Imagine provided planning and event design, logistical support, expert event facilitation, communication design, media production, and A/V support. In addition, our partner Ascent brings extensive and complementary support in planning, logistics, and production of public engagement activities. Together, our team can offer a strong track record of success.

Imagine specializes in engagement that reaches diverse and underserved communities and provides a basis for clear and respectful communication that builds relational equity for the future. Imagine's process for designing public engagements is responsive to community needs and collaborative with city personnel and other team members. We support creative solutions that bring about joyful and productive engagements and meaningfully address key goals and topics.

Training & Capacity-Building for Inclusive Engagement

Imagine has experience in developing and delivering professional development modules as well as organizational training packages on a variety of topics such as Equity, Diversity, Inclusion, and Access (EDIA), Culturally-Responsive Engagement, Conflict Transformation, and others. As original collaborators on the development of the IPEG and as co-writers on IPEG sections relevant to various historically marginalized groups and children and youth, we have the ability to offer City staff and partners a unique insight and perspective into the process of creating inclusive opportunities for the community. With our partner Ascent, our team is able to support a range of training, briefing, and workshop offerings for community members and engagement partners.

Imagine's energetic employee team of artist facilitators and cultural workers are diverse in age, socio-economic background, gender identity, sexual orientation, racial and cultural background, languages spoken, differing abilities, and lived experience. They are also trained annually in participant-centered and interactive facilitation practices, trauma-informed care,

cultural competency, inclusive engagement and restorative justice. Additionally, Imagine has access to a broad San Diego-based network of creative and community-engaged collaborators to expand our reach and address the City's goals for accessing the IPEG in a meaningful way. Our inclusive and human-centered approach allows us to develop training elements that are accessible, flexible, and relevant to all participants.

Strategic Communications, Marketing, & Outreach

Imagine principals collectively have over 25 years of communications, marketing, and graphic design experience. We have developed branded digital and printed marketing materials and messaging to support communication for many of the City projects in which we have been involved. In addition, we developed and produced the lead promotional videos and photography for Build Better SD, the Mid-City Communities Plan Update, and the IPEG which were distributed to City decision-makers and staff and via City social media accounts. Our team is able to advise on project communications and key messaging for the public as well as tailoring communications to specific audiences and stakeholders.

Imagine's core values related to communication include prioritizing authentic relationships, earned trust, and integrity. We seek to engage our partners with humility, teachable leadership, curiosity, and transparent decision-making. We engage in meaningful feedback processes and hold regular reflection sessions with partners to better understand the impact of our work and the needs of the community. These values guide our thinking and practices as we support the City's efforts to build strong connections with the public.

Statistically Valid Surveys

For this bid, we have partnered with Polco, a Wisconsin-based survey and analysis company. Polco's core business is the administration of community surveys for local governments. Over the last 25 years, Polco has conducted more than 1,000 such surveys in more than 500 local governments across the U.S. Polco has received the highest levels of endorsement from the International City/County Managers Association (ICMA), the National League of Cities (NLC), and the Government Financial Officers Association (GFOA). Together, these organizations comprise thousands of city and county managers, council members, elected officials, and government finance professionals. Polco's leadership team has robust backgrounds in city management, public policy, software engineering, communications, technology, data science, economics, statistics, survey research, and analytics.

In Imagine's work providing applied theatre and arts programs for San Diego schools, we have also incorporated research and analysis partnerships to provide robust outcomes data on our educational impact. Imagine evaluates our programs using multiple methods to assure we are equitably and accurately capturing program impact. We adapt and vary modes under special circumstances, such as working with transient youth, where our standard pre- and post-program survey process may not be sufficient. In addition to pre and post-program surveys with staff and youth, we utilize:

- Daily entrance and exit surveys
- Teaching Artist file daily reports to track quotes, narratives, and observations
- Regular reflections with community leads
- Direct feedback from participants through transcription of their words

Design Solutions

As noted above, Imagine's team has provided graphic and editorial design for project and event materials as well as photographic documentation services for City of San Diego projects. Imagine provides graphic elements for use on City social media and web channels. In addition, Imagine has produced several short-form videos, including drone photography and video, for the promotion of City of San Diego initiatives. Along with our partner Ascent, we can support the adaptation of architectural and engineering designs for the general public.

Documentation & Consolidation of Public Input

Imagine is a creative engagement consultant and, as a result, our outreach and engagement efforts often encompass a range of input methods and mediums, including templated poetry and creative writing, chart paper stations capturing word and drawing brainstorm, community photography projects, short community videos, online and hard copy surveys, voice and video recorded community interviews and their transcriptions. Because of this, the input that is generated is often extensive and rich in interpretive potential. In the course of our work with the City of San Diego, Imagine and our subcontracted partners have established a track record of reliably providing large quantities of data, organized and stored in accessible formats, that together summarize and portray a deep and nuanced picture of the community perspectives encountered.

Translation & Interpretation Capabilities

Among Imagine's facilitator and actor team there are bilingual Arabic, Spanish, Tagalog, Chamorro, Russian, Georgian, and Creole speakers. We also work with Native Interpreting, a San Diego-based company providing translation and interpretation services in over 200 languages.

Appendix: Selected Creative Engagement Techniques

Selected theatre-based techniques for public engagement:

- **Community-Engaged Facilitation:** Lead facilitation in public meetings and community events; effectively carried out toward inclusive, human-centered, and productive outcomes.
- **Creative Community Conversations:** Purposeful games or activities that engage participants on a topic while building community, a sense of play, and cultivating joy.
- **Forum Theatre & Role-play Dramas:** An interactive performance method that supports groups to analyze a conflict or challenging situation impacting the community. Then through reflection, conversation, and role-play participants uncover tools that might create a better outcome or offer some resolve or reprieve to the conflict situation.
- **Playback Theatre:** An improvisational method that allows a group to hear community stories told on the spot in the room about a specific topic; then participants watch the story replayed by an acting and music ensemble for the purpose of discovery, healing, or meaning-making.
- **Interview Theatre:** Interviews about a particular topic or project are conducted with community members and are recorded and transcribed. The interviews are then curated into a script using the precise words from the interviews and performed by an acting ensemble. The intention is to create a humanizing way of listening to what members of the community at large—some who may not be able to be in the room with the group—are saying about the topic.
- **Site-specific/Immersive Theatre:** Story-telling through theatre designed to take place in and adapted for unique off-stage locations. Immersive theatre “breaks the fourth wall” between the performer and the audience and often involves or takes place around and among the audience members.
- **Visual, Musical, and Performing Artists:** Visual, musical, spoken word, and other artists respond to the engagement topic in various ways at an event that showcases these responses. Opportunities are given for audience members to respond to the artist through drawing, writing, conversations with other participants, or other interactive means. These showcases are a great way to gather people to create belonging and fun and build trust regardless of whether artists are directly engaging a city-specific topic.
- **History through Storytelling:** A local storyteller or historian is commissioned to take part in the community process by sharing the background of a neighborhood or district. Historic photos are included onscreen to add to the experience.
- **Outdoor Murals:** An artist trained to support collaborative art-making is brought on to develop a community mural with members of the public.
- **Industrial Design:** An industrial design artist creates models or installations that support embodied engagement and exploration of a topic.

- **Poetry:** Creative writing prompts or templates are provided to invite participants to express themselves poetically. These can be used as part of workshops or other engagement events to capture creative responses, memories, stories, wonderings or emotive reactions that can help provide richer input for planners and decision makers.
- **Photographic Exhibitions:** Community members or local youth are invited to creatively catalog their neighborhood or project area through images. Neighborhood participants are invited to an event to view the images. Use the images to start a more informed conversation about the project. Alternatively, a professional photographer is commissioned to capture images of a community to invite community members to celebrate their community or observe it in a new light
- **Storytelling Video and Audio:** Community members are interviewed and recorded on video or audio providing content for short media pieces that highlight the real voices, perspectives, and stories of locals. Or youth and other community members are invited to create their own videos reflecting their perspective on an issue. *This method is also used to create community-engaged promotional videos.
- **Visual Art Activities:** Activities such as drawing, painting, map-making, and collage-making can provide ways for community members, especially youth, to communicate details and desired outcomes for their neighborhoods. Offer opportunities to engage questions using visual means to help bypass the need to articulate responses in technical terms.
