**PROPOSED - DRAFT**

**Motion to Clarify the Standing and Structure of the Navajo Community Planning Group (CPG) and to Direct Corrective Action Regarding Erroneous SOS Records**

**WHEREAS**, the Navajo Community Planning Group (“NCPG”) operates as a recognized advisory body to the City of San Diego as part of the City’s Community Planning process and not as a nonprofit corporation registered with the California Secretary of State;

**WHEREAS**, it has come to the attention of the NCPG that there may be confusion due to the existence of a previously established, suspended, or inactive nonprofit corporation with a similar or identical name, and;

**WHEREAS**, a recent Statement of Information (SOI) may have been submitted to the California Secretary of State listing current CPG board members in association with the allegedly suspended nonprofit corporation, thereby creating the appearance that the current CPG is operating as, or under, that corporate entity;

**NOW, THEREFORE, BE IT RESOLVED**, that the NCPG formally affirms that it is a separate and distinct entity from any suspended or inactive nonprofit corporation bearing a similar name;

**BE IT FURTHER RESOLVED**, that the NCPG authorizes and directs the registered agent to immediately submit a corrective **Statement of Information** to the California Secretary of State to:

1. **Clarify** that the Navajo Community Planning Group is not affiliated with the aforementioned suspended/inactive nonprofit corporation;
2. **Retract** or amend any previously submitted SOI listing current CPG members as officers, directors, or agents of said nonprofit corporation;
3. **Remove** the names of any current CPG board members listed in error from the SOS public corporate records, if those members so request.

**BE IT FURTHER RESOLVED**, that these actions be undertaken **as soon as practicable**, and that a report confirming the corrective filings be submitted to the CPG at its next regular meeting.
