APPROVAL OF THE AGENDA

Approved

DIRECTOR'S REPORT

Michael Prinz, Development Services Department –

“The last Planning Commission hearing was held on June 12th. The Commission heard a request to approve a Planned Development Permit, Neighborhood Development Permit and Site Development Permit for a Wireless Communication Facility – the AT&T the Twist – located at 2905 Nile Street in the North Park community. The commission voted 4-0-3 with Commissioners Renger, Moden, and Miyahara absent.”

“As an update, the City Council voted to approve amendments to the Accessory Dwelling Unit and Junior Accessory Dwelling Unit regulations of the San Diego Municipal Code and Local Coastal Program on Monday, June 16th, at 2:00 p.m. The amendments covered changes to the ADU bonus program and other regulation changes pursuant to state law.”

“As a reminder, Planning Commission hearings will be transitioning to our new hearing room at the Development Services office at 7650 Mission Valley Road at the end of July. The first scheduled Planning Commission hearing to be held at the Mission Valley hearing room will be July 31st. I will include this reminder in the Director's Report at each meeting prior to our move to Mission Valley. DSD's move to the new facility is occurring in phases between now and the end of July and I will continue to provide additional information about when the building will be

open to the public. We will ask the Commissioners to attend a few minutes early to the hearing to become acclimated to the meeting room, but it will operate similar to how you operate here in the Chambers.”

“And with that, we would also like to send on behalf of the staff, a welcome to Commissioner Reeves and thank him for his service to the Planning Commission. That concludes our staff report.”

Marlon Pangilinan, Planning Department - None
