Subject: May 2025: Skilled & Trained Workforce Report - Letter to Achieve

Robert/Natalie,

Sukut Construction (Sukut) is submitting this letter as a supplement to the May 2025 Skilled and Trained Workforce Report. We had laborers, operators cement masons and carpenters who were apprenticeship program graduates, and these are noted in our report. These same employees will continue to be on our site as our mainline installation continues.

Although we did not meet our goals for apprenticeship graduates this month, Sukut has enrolled employees through the accelerated apprenticeship program and are awaiting approval from the program directors.

Feel free to contact me with any questions.

Regards,

Matt Fleming

RE: Morena South & Middle & Bike Lanes

To Whom it May Concern:

Penhall Company did not meet the minimum requirement of the Skilled and Trained Workforce for the month of May, 2025, under the Laborer Engineering craft, for the Morena South & Middle & Bike Lanes project. We were hired for a certain scope of work and dispatched out the employees that we had available at the time. In the future we will be more conscious of the project requirements and try to dispatch out more apprentice program graduates.

Sincerely,
