Contract # K-21-1801-DBB-3A

Subcontractor: Truline Masonry Inc

Regarding: Skilled and Trained Workforce Report June 2025

To whom it may concern:

Truline Masonry Inc is submitting this letter to support June 2025 Skilled and Trained Workforce report.

Truline Masonry Inc has two apprenticeable occupations with the following percentage results:

- **Bricklayer ratio of skilled journeypersons performing work is 12%**
- **Bricktender ratio of skilled journeypersons performing work is 0%**

Truline Masonry Inc sent a request for apprentice graduates to labor union, Laborers Local 89. Local 89 did not have any graduates or journeyperson available. Truline currently has a bricklayer from Local 4 working on this project.

Truline Masonry was also able to confirm with DIR current bricklayer from Local 4, as previously listed as skilled journeymen, to meet criteria to be recognized as an Apprentice Graduate for his craft. This individual, Johnny Rico Moore, has been verified in the DIR public database and satisfies training and graduation requirements under Skilled and Trained Workforce provisions.

Attached is proof of this and apprentice graduates requests.

Moving forward:

- **Truline Masonry will continue to make a monthly request for graduates, during duration Truline Masonry is onsite of project.**
