The Renzulli Estates project and the 112 dwelling units proposed will be adequately served by SDFD Fire Station 37 located at 11640 Spring Canyon Road. Fire Station 37 houses Engine 37, Brush 37, and Medic 37. Fire Station 37 is approximately 1.3 miles West of the site and could reach the site in approximately 2 minutes and 50 seconds, exceeding the maximum required response time of 7.5 minutes 90% of the time. Due to the nearest fire engine's proximity to the site, response times and number of residential units proposed, SDFD can serve the Renzulli Estates adequately with no additional staffing required.
