

CITY OF SAN DIEGO – 7650 Mission Valley Rd., San Diego, CA 92108

PUBLIC NOTICE

Date: Aug. 14, 2025

Subject: Updated Fire Hazard Severity Zone Map Implementation

The San Diego Fire-Rescue Department has adopted, by [Ordinance No. 21992](#), an updated City of San Diego Fire Hazard Severity Zone Map. The date of the final passage was July 31, 2025.

During approval of the new map, the City Council approved additional geographical areas identified by SDFD at significant risk for wildfire that were not identified by the State Fire Marshal as very high fire hazard severity zones in the FHSZ Map.

All building permit applications deemed complete by the Development Services Department after Aug. 30, 2025, will be subject to the new [map](#) and the resultant Code requirements based upon this map.

Please visit the [San Diego Fire-Rescue Department](#) website for further information regarding the development of the map, the legislative actions that occurred, or any additional information concerning this Fire Hazard Severity Zone map update.
