

Skilled and Trained Workforce Certification Form

Month: July Year: 2025

In accordance with Public Utilities Code section 132354.7 and Public Contract Code sections 2600-2602, Flatiron Dragados West, LLC (the "Prime Contractor") certifies that all the Prime Contractor's workers performing work in an apprenticeable occupation utilized on the project known as Morena Pump Station during this monthly reporting period are either skilled journeypersons or apprentices registered in an apprenticeship program approved by the Chief of the Division of Apprenticeship Standards of the California Department of Industrial Relations (the "Chief").

"Skilled journeyperson" means a worker who either:

- (1) Graduated from an apprenticeship program for the applicable occupation that was approved by the Chief or apprenticeship program located outside California and approved for federal purposes, pursuant to the apprenticeship regulations adopted by the Federal Secretary of Labor.
- (2) Has at least as many hours of on-the-job experience in the applicable occupation as would be required to graduate from an apprenticeship program that is approved by the Chief.

In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor are graduates of an apprenticeship program for the applicable apprenticeable occupation¹.

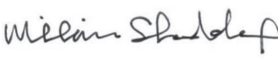

A graduate of an apprenticeship program means either of the following:

- (1) An individual that has been issued a certificate of completion under the authority of the California Apprenticeship Council for completing an apprenticeship program approved by the Chief pursuant to Section 3075 of the Labor Code, or
- (2) An individual that has completed an apprenticeship program located outside California and approved for federal purposes pursuant to the apprenticeship regulations adopted by the federal Secretary of Labor.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct. I certify that the attached Skilled and Trained Workforce Monthly Compliance Reports are complete and accurate.

Project: Morena Pump Station – Flatiron Job #3222

Contract # K-21-1801-DBB-3-A

Subcontractor: National Coating and Lining Co.

National Coating and Lining Co findings regarding the Skilled and Trained Workforce: Flatiron requested us on the project last minute. Because it was last minute, we had to send the only laborers available we had with the proper safety requirements to do that type of work on the project. Unfortunately, they were not a trained apprentice graduate, which brought our percentage to 37% for July

National Coating and Lining Co plan to achieve the required goal going forward: Going forward, National Coating and Lining will do our best to comply with the Skilled and Trained Workforce Ratio. We have existing policies and practices in place to try to ensure compliance with the ratio. National Coating and Lining plan to investigate which of our Laborers are eligible for the Laborers' accelerated training program to increase our percentages in the future

Thank you,
Jessica Thurman

Regarding: Skilled and Trained Workforce Report July 2025

To whom it may concern:

Truline Masonry Inc is submitting this letter to support June 2025 Skilled and Trained Workforce report.

Truline Masonry Inc has two apprenticeable occupations with the following percentage results:

- **Bricklayer ratio of skilled journeypersons performing work is 33%**
- **Bricktender ratio of skilled journeypersons performing work is 0%**

Truline Masonry Inc sent a request for apprentice graduates to labor union, Laborers Local 89. Local 89 did not have any graduates or journeyperson available. During the month of July, Truline had two (2) bricklayers from Local 4 working on this project.

Moving forward:

- **Truline Masonry will continue to make a monthly request for graduates, during duration Truline Masonry is onsite of project.**
