Agenda

Item 1: Call to Order and Roll Call

Meeting was called to order at 10:00 a.m. with Chair Dr. Bradford and Members Garces, Gulino, Barba and Eisenberg.

Item 2: Board Member Announcements

- a. Chair Bradford commended the EDD staff and Board Members for their devoted service and support.

Item 3: Staff Announcements

- a. Ms. Mattingly provided an update on the FY 2026 Agreement Execution process. She reported that eight (8) agreements are in the final approval stage, awaiting signatures from department leadership or the City Attorney's office for full execution. Additionally, two (2) agreements are undergoing final review by the subrecipient before being forwarded to the department leadership and the City attorney's office for approval. Lastly, there are thirteen (13) agreements that are pending submission of required documents, such as insurance certifications, board authorization and/or budget negotiations, before they are advanced to the approval stage. Ms. Mattingly noted that a final update on the status of all FY 2026 agreements will be presented at the next CPAB meeting in September.
- b. Ms. Luevano shared that the City of San Diego's Economic Development Department released the next Bridge to Home Notice of Funding Availability (NOFA), Round 6. To apply, real estate developers must first be approved as a Qualified Affordable Housing Developer through the Request of Qualifications (RFQ) process. Developers must submit their RFQ materials no later than September 12, 2025, at 5:00 p.m., at least two weeks before the NOFA deadline. Forms and instructions are available at the Affordable Housing Developers webpage, <https://www.sandiego.gov/economic-development/bridge-to-home>. Qualification RFQ process as Qualified Affordable Housing developers to be eligible to apply for funding. Developers may submit their RFQ documents to Christie Marcella, Deputy Director of Economic Development Department, at marcella@sandiego.gov. The deadline to submit your RFQ response documents is September 12, 2025, at 5:00 pm.
- c. Ms. Luevano mentioned that the City of San Diego's Economic Development Department announced the availability of Capacity Building Grants for nonprofit organizations that support small businesses in under-resourced communities within the city. The grants are intended to fund non-personnel activities, such as business workshops, placemaking efforts (e.g., community banners and events) and development or update of workforce resource directories aimed at enhancing nonprofit impact and promoting inclusive economic growth. The two informational workshops will be held via Microsoft Teams on Wednesday, August 6, 2025, from 10:00 am – 11:00 am and Tuesday, August 12, 2025, from 2:00 pm – 3:00 p.m. Nonprofits are encouraged to attend and may register at <https://www.sandiego.gov/capacity-building-grant>. For additional information, contact Alex Southard at ASouthard@sandiego.gov or Viridiana Quintana at VQuintana@sandiego.gov to schedule a one-on-one technical assistance. The grant application deadline is Friday, September 5, 2025, at 5:00 p.m.

Item 4: Action: Approval of July 9, 2025, Meeting Minutes

- a. Member Gulino moved to approve, with Member Barba seconding. Passed unanimously (5-0) with Members Bradford, Garces, and Eisenberg.

Item 5: Non-Agenda Public Comments

None

Item 6: Action: Chair and Vice Chair Election

- 1) Ms. Nadine Hassoun expressed appreciation to Dr. Abena Bradford for her dedicated service as Chair of the CPAB for the past two years. Hassoun highlighted that Dr. Bradford's leadership and contributions have been invaluable assets to the Board.
 - a. Member Garces moved to nominate Member Gulino. Member Eisenberg seconded the motion, which passed unanimously (5-0) with Members Bradford, Barba and Gulino.
 - b. Member Eisenberg moved to nominate Dr. Bradford as Vice Chair. Member Gulino seconded the motion, which passed unanimously (5-0) with Members Garces, Barba and Bradford.

Item 7: Action: FY 2027 Scoring Criteria

Ms. Luevano and Ms. Gain presented. *(Final Scoring Criteria documents and PowerPoint slides are attached to the meeting minutes)*

- 1) Members of the Board and Staff Comments:
 - a. Member Gulino praised EDD staff for the revised Scoring Criteria, which simplifies the scoring of the CDBG applications. Additionally, Gulino suggested renaming Section 1 from "Organization History" to "Organization Experience" and requested clarification on the Client Characteristics section of the Scoring Criteria.
 - *Staff Response:* Gain explained that applicants estimate in the Client Characteristics section how many clients will meet CDBG eligibility, noting that Public Services requires at least 51% of CDBG-eligible clients to reside in San Diego.Gulino expressed concern that the threshold of 51% seemed low.
 - *Staff Response:* Villalpando clarified that Public Services requires 51% eligibility; however, CED and NCIP require 100% of the clients to be Low-to-Moderate (LMI) under CDBG guidelines. Villalpando also noted that the application questions for CED and NCIP are adjusted to reflect the difference in eligibility.
 - b. Member Bradford noted that CPAB members may choose to assign higher scores to organizations serving a greater proportion of CDBG-eligible clients (exceeding the 51% threshold) rather than awarding full points to those serving a smaller number, such as 80 eligible individuals annually.
 - *Staff Response:* Gain shared that if nonprofits focus solely on serving CDBG-eligible clients, they could unintentionally exclude serving clients who need services but do not meet the requirements.

- c. Marano proposed revising Question 1 of the Client Characteristics section to include: “Provide a description of how the population will be served.” She emphasized the importance of applicants explaining their methods for collecting demographic data, specifying the documentation used (e.g., intake forms), and reporting the number of unduplicated low—and moderate-income (LMI) individuals served. Additionally, Marano noted a redundancy between Questions 1 and 3 in this section and recommended consolidating or clarifying the language to avoid overlap.
- d. Member Eisenberg asked for the total number of points assigned in the Scoring Criteria and noted a formatting inconsistency in the categories section.
 - *Staff Response:* Gain confirmed that the total points were 100. Gain mentioned that the formatting was a typo and will be changed to the following:
 - 1) Organization Experience
 - 2) Project Activities
 - 3) Client Characteristics
 - 4) Project Impact
 - 5) Budget
 - 6) Project Eligibility
- e. Member Gulino questioned the removal of the term “pending” from the San Diego Promise Zone, MOU question.
 - *Staff Response:* Gain explained that the San Diego Promise Zone designation is set to end on September 30, 2026, leaving limited time for organizations to initiate a new MOU with the City. As a result, only organizations with an existing MOU will be awarded a point. Additionally, Gain clarified that this question is directed toward organizations that are currently engaged with the Promise Zone and are actively participating in its initiatives.
- f. Gulino asked about the removal of Section 6b: Project Eligibility & Performance Indicators from the previous year Scoring Criteria.
 - *Staff Response:* Gain explained that in previous years, staff applied point deductions ranging from 0 to 2.5 for organizations that failed to meet their contractual obligations. These deductions were based on issues such as missing Monthly Performance Reports (MPR) and Request for Reimbursement (RFR) reports, falling short on project goals or serving fewer clients than proposed. Gain noted that this scoring component was removed to ensure fairness since organizations that completed their projects and submitted closeout reports on time were sometimes penalized, while, in contrast, projects that did not complete or submit a closeout report were not penalized, as no data was available for evaluation.
- g. Member Eisenberg inquired about organizations that did not qualify during the Request for Qualification (RFQ) phase.
 - *Staff Response:* Villalpando explained that most nonprofits that did not advance past the RFQ phase lacked an updated audited financial statement or had incomplete applications.

- h. Fune clarified that methodology is used to estimate a project's outcomes and LMI individuals as required by HUD. In addition, the methodology and systems in place are reviewed during a project's audit process.
- i. Member Bradford shared that while reviewing the applications, she focuses on the methodology of systems in place of a nonprofit organization, which helps her assess whether the organization is capable and/or has the capacity to successfully carry out a project.

j. Gain reviewed the FY27 Scoring Criteria changes:

- i. Project Activities: Question 1: Point reduction of 3 points, totaling **15 points**.
- ii. Project Activities: Add Question 2 *"Applicant explains the systems used to monitor and track program process and outcomes relative to the project's goals"* (5 points).
- iii. Client Characteristics: Add a sentence to end of Question #1: *"Provide a description of how the projects will document income eligibility if not using Presumed Low to Moderate-Income."*
- iv. Client Characteristics: Add a point to Question 3; "Applicant indicates the number of unduplicated City of San Diego individuals to be served by the project. The response specifies the number of individuals to be served specifically with CDBG funds and, among those, the anticipated number of LMI individuals at or below 80% of AMI. (5 points)
- v. Project Impact: *Remove* – "Applicant explains the systems used to monitor and track program progress and outcomes relative to the project's goals."

Action: Motion to approve FY 2027 Scoring Criteria with the above modifications.

Moved to approve by Member Eisenberg, with Member Gulino seconding. Passed unanimously (5-0) with Members Bradford, Garces, and Barba.

Item 7: Other Items

- a. Member Gulino raised several points for future consideration. Gulino expressed an interest in clarifying the appropriate circumstances under which CPAB board members may present to the City Council, suggesting the need for guidance or a policy discussion. Additionally, Gulino requested a future agenda item focused on institutional memory, including a historical overview of changes implemented by CPAB over time. Lastly, Gulino asked for a detailed breakdown of the administrative costs associated with staff management of CDBG grants. Specifically, an evaluation of grant administration efficiency by comparing costs tied to different funding levels, e.g., comparing a \$100,000 grant versus a \$50,000 grant.
- b. Nazareno-Clark shared that the City Council established a cap of \$50,000 for CDBG awards in approximately 2012. This decision was informed by an assessment of contract management in relation to the staff hours required for the oversight and administration of the grants.
- c. Member Eisenberg expressed support for Member Gulino's proposal to develop a historical overview of changes implemented by CPAB. Once created, Eisenberg suggested that the outline be placed on the CPAB webpage for public reference.
- d. Member Garces suggested exploring the possibility of implementing a funding cap for CDBG grants based on a percentage of the budget to ensure proportionality and sustainability.

e. Meeting Adjourned at 11:10 a.m.
