DATE OF NOTICE: September 18, 2025

NOTICE OF RIGHT TO APPEAL ENVIRONMENTAL DETERMINATION

DEVELOPMENT SERVICES DEPARTMENT

SAP No.24009969

PROJECT NAME / NUMBER: La Jolla Scenic Drive North / PRJ-1117322

COMMUNITY PLAN AREA: La Jolla

COUNCIL DISTRICT: 1

LOCATION: 8383 La Jolla Scenic Drive North, San Diego, CA 92037

PROJECT DESCRIPTION: Site Development Permit (SDP) for the demolition of a 3,300 square-foot one-story single-family residence and 300 square-foot detached garage and the construction of a 6,519 square-foot one-story single-family residence with a 505 square foot attached 2-car garage and an 843 square foot detached accessory dwelling unit. The 0.59-acre site is located at 8383 La Jolla Scenic Drive North in the La Jolla Shores Planned District-Single Family Unit (LJSPD-SF) Base Zone, Coastal Height Limit Overlay Zone, Parking Impact Overlay Zone, Parking Standards Transit Priority Area ALUCP Influence Review Area 2 (MCAS Miramar) and Transit Priority Area within the La Jolla Community Plan, and City Council District 1.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego Hearing Officer

ENVIRONMENTAL DETERMINATION: Categorically exempt from CEQA pursuant to CEQA State Guidelines, Section 15302 (Replacement or Reconstruction), 15303 (New Construction or Conversion of Small Structures) and 15332 (In-Fill Development Projects).

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The City of San Diego determined that the project would qualify to be categorically exempt from CEQA pursuant to Section 15302, Replacement or Reconstruction which allows the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The project is proposing to demolish a 3,300 square foot single-family residence and construct a new 6,519 square foot single-family home with a detached accessory dwelling unit on

the same site as the demolished home. The proposed project will have substantially the same purpose and capacity as the replaced residence. The project would also qualify to be categorically exempt from CEQA pursuant to Section 15303, New Construction or Conversion of Small Structures. Section 15303 allows for the construction and location of a limited number of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another, where only minor modifications are made in the exterior of the structure. Section 15303(a) allows one single-family residence, or second dwelling unit in a residential zone. The proposed project is the construction of a single-family home and detached accessory dwelling unit in a residential zone. The project would also qualify to be categorically exempt from CEQA pursuant to Section 15332, In-Fill Development Projects. Section 15332 allows for the construction of infill development within an urbanized area. The project site is an infill site as defined by CEQA Statute Section 21061.3., "The site has been previously developed for qualified urban uses." The project is consistent with the applicable General Plan designation and policies, as well as applicable zoning designation and regulations. The 0.59-acre project site occurs within the City's jurisdictional limits, is surrounded by similar residential uses and is less than five acres in size. The project site has no value as a habitat for endangered, rare or threatened species. The project would not result in any significant impacts on traffic, noise, air quality, or water quality. Furthermore, the project can be adequately served by all required utilities and public services, as it is located within an urban area with services present. The exceptions listed in CEQA Guidelines Section 15300.2 would not apply considering the project is not located within a particularly sensitive environment; would not significantly contribute to a cumulative impact; would not result in any physical changes visible from a scenic highway; is not included on any list compiled pursuant to Government Code Section 65962.5 for hazardous waste sites; and the project would not cause substantial adverse change in the significance of a historical resource.
