

## Night Work at Clairemont Mesa Boulevard and Genesee Avenue

August 29, 2025

On Tuesday, September 2, crews will begin working to install pipe through the intersection of Clairemont Mesa Boulevard and Genesee Avenue as part of the Morena Conveyance South and Middle and Morena Conveyance Pipelines project. To maintain the safety of the community during this construction, crews are expected to perform overnight work on Clairemont Mesa Boulevard and Genesee Avenue from **9 p.m. to 5 a.m., Sunday through Friday, for approximately 4-6 weeks.**

Work involves crews using excavators to dig the trench where the two new pipelines will be installed. After the pipelines have been installed, crews will install temporary paving to cover the trench and continue to install pipeline. Every street where pipeline is installed will be fully repaved curb to curb and re-striped.

During working hours, 9 p.m. to 5 a.m., Sunday night through Friday morning, the intersection will be closed to traffic and detours will be in place. During non-working hours, the intersection will be fully opened to traffic. Please see the map graphic below which outlines the detours that will be in place during nighttime working hours.

Throughout this work, crews will be using additional lighting on site, and noise associated with construction may be heard. Earplugs are available to residents upon request. Please reach out to the Pure Water team at [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-MOR-PWSD (833-667-7973)** to request.

Please contact the Pure Water team with questions about the City's Pure Water Program and the Morena Conveyance South & Middle and Conveyance Bike Lanes project, and a

team member will get back to you within one business day. The Pure Water team appreciates the community's partnership and patience as this critical work is completed.
