Subject: Upcoming Construction of South Mission Beach Storm Drain Replacement & Green Infrastructure

Dear Property Owner/Resident:

The City of San Diego will begin a project to upgrade the storm drain system servicing your community in the coming months. The project includes the installation of new storm drains and other water quality improvements to reduce the impacts of frequent storm events in Mission Bay. A location map illustrating the project area is enclosed with this notice and highlight the new storm drain facilities and water quality basins to be installed.

Important information regarding this project:

- **Project name** – South Mission Beach Storm Drain Replacement & Green Infrastructure
- **Construction schedule** – This project will take place in various stages throughout your community and is expected to begin in the summer of 2025 and be completed by the summer of 2029.
- **Construction days and hours** – Monday through Friday, 7 a.m. to 4 p.m.
- **Construction notices** – The City's contractor will distribute an informational door hanger approximately five days before construction begins. Additional notices will be issued for any planned interruptions to your water services.
- **Street parking and access** – Temporary "No Parking" signs will be posted at least 72 hours before work begins, where required. **Vehicles in violation of signs will be towed.** Access to residences and businesses will be maintained.
- **Street resurfacing** – Streets where trenching takes place will be resurfaced after all storm drain pipelines have been replaced and curb ramps have been completed and accepted.
- **Questions or concerns** – For information about this project, visit <https://www.sandiego.gov/cip/project-info/project-profiles/south-mission-beach-storm-drain>. For project-specific questions, contact the Engineering & Capital Projects Department at 619-533-4207 or email engineering@sandiego.gov. Please reference "South Mission Beach Storm Drain Replacement & Green Infrastructure" in your inquiry.
- **Español** – *Para informes en español sobre este proyecto, por favor comuníquese al 619-533-4207, oprima el botón número 9 cuando la grabación se lo indique, y mencione "South Mission Beach Storm Drain Replacement & Green Infrastructure" en su comunicación.*

Thank you for your patience and cooperation during the construction of this important improvement project.

Sincerely,

Jonard Talamayan
Project Manager
