Powerful and easily accessible member tools.

- **Ask a Hygienist:** Dental members can simply email their dental questions to a team of licensed dental professionals who in turn will respond in about 24 hours.
- **Dental Health Risk Assessment:** We want our dental members to better understand their oral health and their risk factors for tooth decay, gum disease and oral cancer. This easy to use online tool can help them do this.
- **Dental Care Cost Estimator:** In order to help our dental member better understand the cost of their dental care, we offer access to a user-friendly, web-based tool that provides estimates on common dental procedures and treatments when using a network dentist.
- **Mobile Capabilities:** With our latest mobile application, members can find a network dentist as well as view their claims. Our application is available for both Android and Apple phones.
