Alvarado 2nd Extension Pipeline Project

Work on Riverwalk Dr. Shifting to Daytime Work Hours

Crews on the Alvarado 2nd Extension Pipeline Project will stop night work on Riverwalk Dr. and shift to daytime working hours beginning on Monday, October 6.

Work will occur Monday through Friday, from 6 a.m. to 5 p.m. During working hours, traffic will be detoured around a portion of Riverwalk Dr. through an access road on Fashion Valley Mall property. Flaggers will be posted along the detour route to ensure a safe flow of traffic. Traffic control will be removed from the roadway at the end of each shift.

During working hours, typical noise and dust are expected. All work will take place behind safety barricades set up in the roadway, please allow extra time when traveling through the work zone, and follow all posted signage.

Future updates on the phasing and schedule of work will be provided via email to subscribers, please feel free to forward this email to friends or neighbors and encourage them to join the subscriber list.
