

City of San Diego - Creative Communities San Diego FY27 Fiscal Sponsor Resource List

Below is a compiled list of nonprofit fiscal sponsors that within the last two years responded to and met the City's minimum requirements outlined in requests for information for fiscal sponsors interested in offering administrative services to organizations conducting not-for-profit work without federal tax-exempt status or with less than two full and consecutive years of operating with its own an independent governing board in an effort to meet eligibility requirements under the Creative Communities San Diego (CCSD) funding guidelines.

Interested CCSD applicant organizations may use this list as a resource in seeking a fiscal sponsor to apply for CCSD funding for a not-for profit project. The City does not provide matching of CCSD applicant organizations with fiscal sponsors, and CCSD applicant organizations are not required to use any of the fiscal sponsors on this resource list*.
