

Happy 23rd Anniversary

Your Safe Place!

23 years ago, *Your Safe Place* - The San Diego Family Justice Center began serving our community. *Your Safe Place* was the first Family Justice Center ever created; we started a movement that keeps on growing. From downtown San Diego, the concept has spread throughout the state of California, the country, and even the world. We are proud to be the model and to be supporting our community for all these years.

We thank you for your collaboration and partnership and look forward to continuing to serve San Diego and our surrounding communities.

Together we are better!
