## Alvarado 2nd Extension Pipeline Project

### Project Status and December Night Work

Pipeline installation work and compaction grouting are continuing at two points in the project alignment. Please see the summary below of the expected work activities over the next several weeks.

#### **Night work on Friars Road expected in December:**

- Crews are continuing to install pipeline eastbound on Friars Road.
- The current schedule is estimating that crews will perform approximately two weeks of night work during the weeks of December 1 and December 8. Night work hours will be between 9 p.m. and 5 a.m. Please be advised that these are estimates, and the work schedule may change. Additional updates will be shared in advance of night work beginning.
- This work will take place at night to allow crews to work safely across the Friars Road and Qualcomm Way intersection.
- After work in the intersection is completed, crews will return to daytime work hours.

#### **Compaction grouting:**

- Crews are continuing compaction grouting work near the Friars Road and Sea World Drive intersection.
- This work will continue through the end of 2025.

#### **Pipeline work on Sea World Drive starting in January:**

- Pipeline work on Sea World Drive near West Mission Bay Drive is now expected to begin in January 2026.
- As they progress, crews will move east on Sea World Drive.
- This work will not have any impact to the entrance or exit of the Sea World parking lots.

During working hours, typical noise and dust are expected. All work will take place behind safety barricades set up in the roadway, please allow extra time when traveling through the work zone, and follow all posted signage.

Future updates on the phasing and schedule of work will be provided via email to subscribers, please feel free to forward this email to friends or neighbors and encourage them to join the subscriber list.
