Après Tavern

Plaza de Panama

Après Tavern is a European-inspired beer, wine and holiday cocktail garden in a cozy alpine retreat complete with twinkling lights, rustic winter decor, and festive drinks designed to capture the spirit of the season. Food offerings include sweet and savory crepes, charcuterie boards, and spiced nuts roasted in the Old World tradition — all served in a setting that evokes the charm of a European ski chalet. There will also be pub-style games like giant Jenga, liar's dice and ring toss, plus cozy lounge nooks and Instagram-ready photo ops under a canopy of lights. Visitors will also have front-row views of the holiday light shows projected onto the San Diego Museum of Art's facade.
