Councilmember Campillo, Union Members to Deliver Thanksgiving Meals to Linda Vista Families Today

WHAT: Approximately 125 low-income Linda Vista families will receive free turkeys, pies, and fresh produce today as part of a collaboration between Councilmember Raul Campillo, San Diego Carpenters Local 619, the San Diego Police Officers Association and Bayside Community Center. The distribution will run while supplies last. This event is intended to serve many of the people that already access food and resources through Bayside Community Center each week.

WHO: Raul Campillo, San Diego City Councilmember (7th District)

WHERE: Bayside Community Center (Side Lot)
6786 Kelly St
San Diego, CA 92111
Please use street parking.

WHEN: **TODAY** Friday, November 21, 2025 at 1pm

WHY: Councilmember Campillo has teamed up with San Diego Carpenters Local 619 and the San Diego Police Officers Association, who have provided the turkeys and pies respectively, to deliver the joy of a Thanksgiving meal to approximately 125 low-income Linda Vista families. Bayside Community Center will host the event and provide the produce.

Many Linda Vista families are feeling especially strained this year due to high costs and economic uncertainty. This partnership helps ensure that families who rely on Bayside for weekly support can enjoy a complete Thanksgiving meal. Councilmember Campillo began this annual tradition in 2022 to help make the holidays brighter for families in need.
