North City Pure Water Facility

To whom it may concern, We are currently only employing three journeyman painters. Due to the amount of work currently on the project, we are unable to bring out another worker at this time. If/when the work picks up, Shimmick will request another trained worker from the union.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.

RE: May 2025 STWF Compliance North City Pure Water

JLM Installations Inc. did not meet the Skilled and Trained Workforce Requirements for the month of May 2025. JLM only had 1 Journeyman on site working a total of 10 hours for the month. We were not dispatched a trained journeyman from the union for the month of May.

Moving forward JLM will ensure that we employ trained journeymen on the project to meet the requirements. We have requested a dispatch of a Trained Journeyman to the site for the work to be performed in June 2025.

We anticipate having no more than 2 Journeyman on site at a time.

If you have any questions, please feel free to reach out to me,

Thank You
