Re: Skilled and Trained Workforce Report — Plan to Achieve — Electricians— August 2025
Project: Miramar Pump Station Improvements

To whom it may concern,

We currently only have two journeyman electricians working this month, due to very little work taking place on-site. Once work picks up, we will be able to bring out our full crews again.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.

Sincerely,
