Re: Skilled and Trained Workforce Report – Plan to Achieve – Electricians – January  
2025 Project: Miramar Pump Station Improvements

To whom it may concern,

We currently only had one journeyman electrician working this month, due to very little work taking place onsite. At the point that work picks up, we will be able to bring out full crews again.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.

Sincerely,
