Statements of Compliance1. Statement of Review and Compliance

☐ I hereby certify that I have personally performed the plan check review of the plans and specifications for the above-referenced project.

☐ I find that the restaurant for which the tenant improvement is proposed meets the requirements of California Government Code Sections 66345.1(b) and (c).

☐ I find that the plans comply with all applicable requirements of the California Building Standards Code and local amendments to the California Building Code, California Electrical Code, California Mechanical Code, California Plumbing Code, California Fire Code, California Green Building Standards Code, California Energy Code, and the California Existing Building Code, as amended in Chapters 12 and 14 of the Land Development Code.

☐ I find that the scope of work for the tenant improvement shall not require plan review by the County of San Diego Health Department pursuant to the California Retail Food Code.

2. Statement of Certification

☐ I hereby certify that I, as the qualified professional certifier, performed the plan checking function in full and certified each plan sheet for compliance with all applicable building, health, and safety codes.

Proof of Qualifications

Copies of the following documents are attached to this affidavit:

☐ Professional license verification (Professional Engineer or Architect licensed pursuant to the California Business and Professions Code)
