This indemnification agreement must be completed by a project owner utilizing the qualified professional certification provisions of [Assembly Bill \(AB\) 671 \(Wicks, 2025\)](#), as described in the Development Services Department (DSD) [AB 671 webpage](#), and provided to DSD as a part of the building permit submittal.

Owner Name:**Project Number:****Project Address:**

The Owner has chosen to utilize the qualified professional certification provisions of AB 671 and acknowledges that this decision may involve certain risks, including but not limited to delays, costs, or inaccuracies arising from third-party certification. Owner knowingly accepts and assumes full responsibility for those risks.

The Owner shall defend, indemnify, and hold harmless the City, its agents, officers, and employees from any and all claims, actions, proceedings, damages, judgments, or costs, including attorney's fees, against the City or its agents, officers, or employees, relating to construction in accordance with plans certified by a qualified professional certifier pursuant to the provisions of [AB 671 \(Wicks, 2025\)](#). The City will promptly notify Owner of any claim, action, or proceeding and, if the City should fail to cooperate fully in the defense, the Owner shall not thereafter be responsible to defend, indemnify, and hold harmless the City or its agents, officers, and employees. The City may elect to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification. In the event of such election, Owner shall pay all of the costs related thereto, including without limitation reasonable attorney's fees and costs. In the event of a disagreement between the City and Owner regarding litigation issues, the City shall have the authority to control the litigation and make litigation related decisions, including, but not limited to, settlement or other disposition of the matter. However, the Owner shall not be required to pay or perform any settlement unless such settlement is approved by Owner.

I have reviewed, understand, and agree to comply with the above indemnification requirements.
