CHAIRPERSON'S REPORT – Ms. Barnes shared that she met with the Friends of LPCP and “pleaded” with them to buy equipment so that the CAC could facilitate guests to participate in the meetings via Zoom. There was a discussion that there should be an Action Item on the next LPCP CAC agenda to discuss and approve the need/acceptance of this type of equipment before an official request to the Friends of LPCP is made and to work out details.

A further discussion was held about the continued need to establish a purpose for the LPCP CAC. Ms. Barnes said she will have a draft letter for the LPCP CAC to approve to send to the Task Force.
