## **CITY COUNCIL**

**Yanet Lopez** reported the following:

Yanet sent report to Caleb Martin, My apologies that I will not be able to attend tonight's meeting but did want to share a few updates.

- Congrats to CRO Jones on a successful National Night Out!

- Huge thank you to Caleb, Parks and Rec Team, Mr. Hill, and San Diego FC for the community clean up that happened last month. It was great to see the kids so invested, and even painted themselves, as we cleaned up graffiti and trash at Southcrest Trails.
- The Community Projects, Programs, and Services (CPPS) application is now closed and we will begin reviewing applications. Thank you to all who applied or got the word out. We know now more than ever funding is needed in District 8 to support community based efforts.
- Parks and Rec is leading a City-wide Community Recreation Needs Assessment with a focus on understanding needs in District 8, 4 and 9 in its first phase. This will include workshops, surveys, interviews, focus groups, and in-person public meetings for community feedback and collaboration with local organizations to ensure broad engagement.
  - I had made recommendations for this group (Southcrest Community Rec Group and several leaders) to provide key feedback. More on that soon!
