Project: Morena Pump Station – Flatiron Job #3222

Contract # K-21-1801-DBB-3-A

Subcontractor: National Coating and Lining Co.

National Coating and Lining Co findings regarding the Skilled and Trained Workforce:  
We use a very specialized coatings application and only certain members of our team can perform these tasks. Unfortunately, there applicators are not apprentice trained.

National Coating and Lining Co plan to achieve the required goal going forward: Going forward, National Coating and Lining will do our best to comply with the Skilled and Trained Workforce Ratio. We have existing policies and practices in place to try to ensure compliance with the ratio. National Coating and Lining is committed to submitting a monthly dispatch request to the industrial painters union for a trained apprentice graduate that would fulfill other necessary safety/experience requirements while satisfying STWF.

Thank you,
