

My name is Eric D. Tims, and I am hoping to earn your vote for San Diego City Councilmember representing District 2 because this community has shaped my values, work ethic and my commitment to service. For more than eighteen years, I have been a small business owner in Point Loma, building opportunities through entrepreneurship, mentorship, and community leadership grounded in integrity.

As founder of Event Motoring, I have learned that real leadership goes beyond transactions. It means educating, empowering, and opening doors for people to build stable futures. I have worked to provide credit education, financial guidance, and second chances, including employment opportunities for those seeking dignity and a fresh start.

For over twenty years, I have coached youth football, baseball, and basketball, teaching teamwork, discipline, and perseverance. Coaching has reinforced my belief that strong communities are built by investing in people early and consistently. Service defines my purpose. Through scholarships, volunteerism, and charitable drives, I strive to expand access, strengthen neighborhoods, and build an inclusive, diverse workforce. I believe in legacy building leadership that measures success by impact, not position.

I am running for city council to bring compassionate, accountable leadership to District 2 while advocating for economic opportunity, community safety and equity locally together.
